EVALUATION

Work completed in Drawing Studio will be graded on specific criteria defined by individual project goals. However, all projects will be graded on their success in the following areas: **investment in your work, excellent design decisions, craftsmanship, risk-taking, overcoming difficulties of a new medium, ambition, and meeting deadlines.** These same guidelines apply to the sketchbook which must be finished within the specified deadlines.

UF grading policy: <https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies/>

UF attendance policy: <https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/#absences>

The course grade for each student will be evaluated on the basis of:

- The completion and success of all in class and out of class exercises
- Completion of all assigned readings and discussions
- Attendance (this is essential in any printmaking class)
- Participation in all assigned activities
- Research - the conceptual tools you employ to inform your practice
- Technical competence, craft, and use of materials
- Presentation, all work should be presented and finished in a professional manner
- Effort, work ethic, and diligent consistent efforts towards excellence
- Active participation in class, studio community, and discussions

Attendance and participation: 10%

including:

proper use of the printmaking studio

ongoing communal print studio spirit

Sketchbook practice and in-class exercises: 10%

including:

ongoing sketchbook assignments

in class activities

Projects: 80%

including:

Monoprints/rubbings

Exquisite Corpse

All projects, dates, and other class related information in this syllabus subject to change during the semester.

A/94-100

Exceptional work; all criteria of assignment have been surpassed in a distinguished manner and solutions to problems presented exhibit a depth of understanding. In addition, student is engaged in exceptional studio practice, which includes active research, asking relevant questions, and being thoroughly engaged in course content.

A-/90-93

Well-presented, superior work: all criteria of assignment were surpassed in a distinguished manner (including exceptional studio practice highlighted above). Minimal improvements could be made to the Project overall.

B+/87-89

Very good work: all criteria of assignment were surpassed, minor changes could be considered and executed to bring work together. Studio practice was exceptional.

B/84-86

Very good work: above average solutions and clear potential. Most criteria of assignment were surpassed with some improvements to be made. Execution was well done. Studio practice during the Project was commendable.

B-/80-83

Good work: most criteria of assignment were met. Work showed promise with a few significant improvements to be made. Studio practice was adequate.

C+/77-79

Slightly above average work: most of the criteria of the assignment were met. The work is not yet a unified whole or cohesive statement, yet effort was made. Studio practice was adequate, but could be more reflective and thoughtful.

C/74-76

Average work: the assignment directions were followed and the requirements were met in a relatively routine way. Slippage in levels of craft, originality and presentation. Studio practice was adequate, but could be more reflective and thoughtful.

C-/70-73

Slightly below average work: the assignment directions were followed and the requirements were minimally met, but there is much room for developing assignment's concepts further. The level of craft and breadth and depth of idea development needs improvement. There is some evidence of studio practice, but the quality and quantity is lacking.

D+/67-69

Below average work: an attempt to solve the problem was made, but there is much room for improving skills and developing concepts further. The criteria of the assignment are barely met. Basic craftsmanship skills have been neglected and there is a lack of breadth and depth of idea development. There is minimal evidence of studio practice, but the quality and quantity are lacking.

D/64-66

Inadequate, below average work: the requirements of the assignment are not addressed. The execution of the work is careless and represents an incomplete effort. Work is substandard.

D-/60-63

Unacceptable work and effort: the requirements of the assignment are not addressed. The execution of the work is careless and represents an incomplete effort. Work is substandard.

E/below 60

Unacceptable work and effort: the work submitted is inadequate; the requirements of the problem are not addressed. The piece represents careless and/ or incomplete effort. Work is substandard. Or, assignment was not submitted.

Please note that a C- or below is not an acceptable grade for any course in which a 2.0 GPA (or C) is required, i.e., any course in the major.

ATTENDANCE

As a studio course your attendance and active participation is required. Students are expected to attend all classes. You are required to work/participate the duration of the scheduled class period. Full participation includes showing completed work during all scheduled critiques as well as active participation through shared ideas and commentary about your work and the work of your peers. Unexcused absences will be cause for a lowered grade. Your fourth absence will result in ONE full letter grade drop. Absences will be counted from the first class meeting onward.

TARDINESS

Arrival to class after the start of class will be noted and three such incidences will count as one absence. Leaving early from class will also be considered as tardiness and will be counted as such. Students are responsible for satisfying all academic objectives as defined by the instructor. Students who do not attend at least one of the first two class meetings of a course or laboratory in which they are registered, and who have not contacted the department to indicate their intent, may be dropped from the course. The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors may prohibit further attendance and subsequently assign a failing grade for excessive absences.

LATE WORK

All projects, exercises, and assignments must be completed on time for full credit. Due dates are announced in class and posted on canvas.

- Late assignments will result in lowering of grade
- If the timeline states that a project is due at the beginning of class, turning it in at the end or after class is considered late.
- You must have work finished before the start of class on critique days or your work will not be critiqued.
- It is the student's responsibility to turn in all work on time.

COURSE COMMUNICATION

Students must check their school email accounts regularly and the E-Learning course site. Students are responsible for any information, deadlines, and updates emailed to their UF email accounts. Instructor will take care to answer emails as soon as possible.

CELL PHONES AND OTHER DEVICES

Music will be provided.** If you have an emergency and need to use your phone, please let me know.

HAZARDOUS WASTE SATELLITE ACCUMULATION

Read the SAAH Health and Safety Program at: https://arts.ufl.edu/site/assets/files/37319/saah_health_and_safety_handbook_2021.pdf during the first week of class. Refer especially to the H&S Rules by Area sections pertaining Drawing. Each student will be asked to complete a H&S student waiver form (which will be given to you and signed during studio). SA+AH facilities have an area designated for art materials/hazardous waste pickup. This area should NOT be used for art making. Bins and storage containers utilized in this area should NEVER be moved or used for any other purpose. When in doubt about the safety or disposal of your art materials, please speak with faculty. A Handbook of Hazardous Wastes Disposal, Health and Safety is posted in the studio for consultation as well.

LOCKERS AND STORAGE

The SAAH is not responsible for items in lockers. Please watch for posted signs on lockers regarding their use. Each student must share a locker with two students. You are responsible for keeping the locker form attached AT ALL TIMES to your lockers. Lockers will be cleaned out at the end of each semester. When storing materials, you must write your name on everything with a black marker, the course you are in and the instructor's name. The SAAH is not responsible for items left in classrooms.

STUDIO USE

Please read and respect studio use guidelines posted in classrooms. Do not pour solvents down sinks. Fixative must be sprayed in the FAC 2nd Floor spray booth * NO exceptions.* Each student is responsible for assisting in studio clean-up. Your instructor will assign you a duty at the end of each class. The classroom should be organized at the end of each class 10 minutes prior to the beginning of the next class with the help of all students enrolled in the course. No food or open drink containers allowed in the studio.

SHARED STUDIO

Always leave the studio clean. Regardless of the condition you find it in, we request that you leave it clean for the next person. Remember to place all work in progress on the storage shelves.

Leave the worktables clear and clean. This is a shared workspace, and we all need to be diligent together to keep it an immaculate and productive environment. **Cleanliness in the printmaking studio is incredibly important, for safety and productivity.**
