There are no required textbooks. Playscripts will be provided based on assignments.

Weekly Course Schedule

The weekly schedule is determined by the project supervisor. Some projects allow for flexible scheduling to be arranged in advance with the supervisor. For many projects, individual time management is the responsibility of the student. Students must start or confirm their work shifts by the start of the term, May 15, 2023.

- Rehearsal times are typically Mon- Friday & Sun, 1pm-6pm.

- Shop work hours are typically Mon-Fri, 10am-Noon and/or 1pm-3pm. Students completing assignments in the shops will also need to participate in evening and weekend crew calls.
- Key dates (including performance and rehearsal dates/times and crew calls) can be found in the summer production calendar:

Attendance:

Success in this course is based on participation, and other students are often dependent upon you to successfully do their work. Attendance is vital. In addition to meeting the total hours requirement for this course, it is important that you show up for rehearsals, meetings, and shop hours as scheduled. Changes to your schedule should be discussed with your area supervisor in advance.

Your first unexcused absence is permitted without penalty. The second unexcused absence will lower your final grade by 5%. The third unexcused absence will lower your final grade by 15%. The fourth unexcused absence will lower your final grade by 30%. Two (2) late arrivals and/or early departures to/from class will count as one (1) absence. Excused absences are consistent with university policies in the undergraduate catalog.

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: <https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/>
 Please note that many kinds of excused absences require documentation.

Assignments and Grading

THE 4945 requires a minimum of 240 hours of rehearsal and/or laboratory assignment. Each student will have a minimum of two assignments. 140 hours will be credited through the performance of a role or as a member of the artistic or production team (e.g., dramaturg, assistant director, etc.) in a Summer Repertory Theatre production. A minimum of 100 hours will be required in a second assignment. For students completing both assignments in one or more shop areas, a minimum of 240 hours is required.

THE 6955 requires a minimum of 240 hours of laboratory assignment. Graduate Design and Production students enrolled in THE 6955 will be given roles and assignments of greater complexity and responsibility than undergraduates enrolled in THE 4945. The expectations for project leadership are also greater for graduate students. Graduate Acting students enrolled in THE 6955 are typically assigned a role in a production or another significant assignment.

*Note that the responsibilities for the successful completion of THE 6955 are **separate** from GTA .5 FTE (20 hours/week) contracts.

Though the design process is complex and unique tasks for each production differ in the amount of time needed to successfully complete a design, the weekly hour breakdown for THE 6955 may look like the following:

- 10 hours design coordination (outside of GTA shop hours but between 8am-5pm) for THE 6955
 - Time for shopping/sourcing/paperwork or any other strictly designer related coordination tasks
- 10 hours of design work (on your own time) for THE 6955
 - Time for work at home or outside of the shop to research/render/prep design package for shop/attend rehearsals

Specific tasks for each bullet point listed above to be provided by area supervisors and posted to the THE 6955 Canvas site by Monday, May 15, 2023.

THE 4945/THE 6955 is graded with the awarding of a letter grade. Project supervisors and shop TAs will provide input for the final grading based on direct observation of student performance. Information on current UF grading policies for assigning grade points may be found at:

<https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx>

Grading evaluation is based upon the following: promptness, attendance, effort, ability to complete assigned tasks, adherence to safety procedures, positive collaborations with the ensemble, arriving in appropriate attire for rehearsals or shops, and overall quality of work. Each rehearsal or shop may establish guidelines for expected demeanor and work performance. Failure to arrive on time for a crew call, strike, performances or rehearsals, as well as unexcused absences, will significantly impact the final grade.

A = Excellent. Demonstrates a desire to learn and develop skills. Takes interest and initiative in planning, executing, and completing assignments. Displays an interest and ability to work with minimal supervision. Consistently available for job assignments that require performance above and beyond the minimum requirements.

B = Above Average. Learns from job assignments. Demonstrates knowledge of rehearsal techniques and/or shop equipment and facilities procedures. Takes interest and initiative in participating in rehearsal or lab activities. Displays a collaborative and positive demeanor.

C = Average. Attends all scheduled rehearsals, labs and performances on time. Is properly dressed for the work environment. Observes all safety rules and completes assignments satisfactorily.

D = Not available. Does not constitute a passing grade for School of Theatre and Dance majors.

E = Failure. Failure to complete the minimum number of required hours. Pattern of tardiness and lack of preparation. Disregard for other collaborators. Negligence in regard to safety procedures. Failure to meet established project deadlines. Work completed in an unacceptable manner. Failure to complete the minimum number of require hours will result in failure of the course, regardless of whether or not other criteria have been met.

Graduate Teaching Assistantships (GTA)

Graduate students should note that THE 6955 assignments are separate from GTA responsibilities. For example a costume design graduate student might be assigned two summer design assignments for THE 6955 with separate GTA responsibilities of working in the costume shop. The weekly hour breakdown that includes BOTH GTA hours and THE 6955 hours may look like the following:

- 20 hours in costume shop for GTA Assignment
- Minimum 10 hours design coordination (outside of the shop hours listed above but between 8am-5pm) for THE 6955
 - Time for shopping/sourcing/paperwork or any other strictly designer related coordination tasks
- Minimum 10 hours of design work (on your own time) for THE 6955
 - Time for work at home or outside of the shop to research/render/prep design package for shop/attend rehearsals

MFA Acting GTAs/GAs will be assigned teaching responsibilities or other duties in service to the school and/or summer productions.
