Purpose

To develop performance skills on the various components of the steel drum ensemble through rehearsals and performances, and discuss historical and cultural aspects of this art form.

Learning Outcomes

Communicate knowledge, thoughts and reasoning clearly and effectively in forms appropriate to the discipline, individually and/or in groups.

Assessment

Students are expected to attend all rehearsals and concerts as scheduled. Failure to do this will result in a lowering of the student's semester grade. For every unexcused absence, the final grade will be lowered one letter grade. An unexcused absence from a performance will result in a failing grade. Graduate assistants in the percussion area will instruct one steel drum band. These instructors will assign the grades for this group based on the above criteria.
