Art 3380 – Experimental Drawing
Experimental Drawing explores the boundaries of traditional drawing approaches. The course is designed to ask questions about what a drawing is, explore the conventions of drawing, and experiment with unfamiliar/unexpected materials, methods, theories and presentations in the medium of drawing. Projects demand the utmost amount of material and conceptual exploration.

**Description:** There will be a variety of exercises, experiments and projects; the goal is to expand your visual and critical thinking about drawing. Keep in mind that experiments are a test or a trial to see if something is workable. Each project may need more than a single experiment. The experiment is a means to an end, not the end itself. You will also be asked to write about your work in project statements as well as a midterm presentation. You will also be expected to develop a critical foundation for your work.

**Objectives**
To introduce an alternative set of formal and critical ideas that will allow the student to expand and explore their individual vision through a wide range of studio projects.

To experiment and investigate a wide range of materials and to question ‘why’ material choices are made and analyze the effect these materials have and to seamlessly merge form and content.

To explore invention strategies (collage, assemblage, image transformation, layering, installation, animation, etc.)

To hone critical-thinking, research and verbalization skills through class critique of studio work and discussion of individual research and reading material.

To research and expand your knowledge of art and artists, writers and curators who challenge and champion drawing and painting in the twenty-first century.

**Calendar/Course Outline**
- W 1 – 3 Material exploration, Found Drawing
- W 3 – 5 The Machine
- W 6 – 8 Collection
- W 9 -12 Spatial Disruption
- W 13 – 16 Outside Yourself

**Requirements:**
- 80% Studio Projects – 5 Projects including exercises + experiments
- 10% Research Book Assignment * see for details
- 10% Midterm Class Presentation
Midterm Class Presentation –
See addendum #2

Critical thinking, Class Participation
Participation, support and respect in all phases of this course are imperative. The class dynamic depends on your energy, initiative, attitude, productivity and willingness to get involved in group discussion and critique. Critical Thinking and class participation includes: the depth and quality of your participation in group discussion, performance in critiques (analyzing the work of your classmates and your own), and the ability to accept, analyze and digest advice and suggestions. Prepare questions, solicit responses and encourage constructive criticism.

Attendance Policy
Studio courses require intensive work and diligence. Your energy, initiative, attitude, productivity, and informed and considered opinions are all vital components of the classroom environment. Therefore, your attendance and full participation is required. Three or more absences will result in the lowering of the final grade by one letter. Six absences will result in a failing grade. Please inform me well in advance of any foreseeable absences. An absence does not constitute an extension of an assignment.

All work must be complete and installed before the start of critique. Late work is not accepted.

We meet twice a week for three hours. Class time will be spent on studio-work, lecture, discussion, critique, viewing slides, material/process demonstrations, discussing reading material, class presentations, etc. University guidelines stipulate that each three-hour credit class includes six hours of out-of-class preparation and study. You will need to complete at least six hours of outside work per week and should schedule your out of class time appropriately.

Attendance and full participation means: be on time, prepared to work, with the proper materials and research needed for class, there will be no deviations from this policy.

Evaluation

Grading Scale
a 95-100, a- 94-90, b+ 89-87, b 86-84, b- 83-80, c+ 79-77, c 76-74, c- 73-70, d+ 69-67, d 66-64, d- 63-60, e 59-0

Grading
You will be evaluated on the following points: quality of completed assignments, individual participation in discussions, attitude towards the course and willingness to experiment and work hard as well as the progress you make throughout the semester.

A Extremely well presented exceptional work. Exceptional work demonstrates a full realization of the ideas put forth in assignment, and more. This ‘extra’ should be the student researching projects by looking up artists mentioned in slide talks, asking questions about artists works/ideas, and being thoroughly engaged with the work to the point of working on your own pieces/ideas and not just doing the minimal expected from the class syllabus. A high level of craftsmanship, evidenced by the creative handling of techniques and materials and finish in the overall form. Further, participation in an intelligent analysis of the work including both form and content. Discussing points in the work of you and your peers is expected during the critique sessions. Excellent attendance (none or one absence per semester) and no lateness. Clearly projected enthusiasm and joy in the subject, an
inquisitive, curious mind, and, finally, a desire to learn and grow as an artist.

B Well presented very good work. Very good work demonstrates a sound and competent realization of the ideas put forth in each assignment. This work conveys an understanding and intelligence, which would only be lacking in the ‘special’ characteristics mentioned in ‘A’, above. Participation in critique, attendance, and enthusiasm apply throughout.

C Well-presented, average work. Average work demonstrates a fairly good attempt at grasping the expectations of each given assignment, and the break down of the particular specifics, (material experimentation and handling, idea development, etc., whatever has been discussed prior to assignment). This work lacks a competent, comprehensive understanding mentioned in ‘B’ above. Participation in critique, attendance, and enthusiasm are expected, as they would be in the earning of any letter grade.

D Inadequate work: Extremely poor and/or half-finished work with no care or attention to the assigned problem or presentation. In addition, when someone has missed an enormous amount of classes, (three and above) and has failed to complete assignments, or keep up to date with the studio-based syllabus.

E When someone stops coming to class and stops communicating with instructor. This is a severe grade and is usually given in severe circumstances.

Course Textbook n/a

Visiting Artists Program
The Harn Museum of Art and School of Art + Art History runs an active Visiting Artists’ Program. Internationally and nationally respected artists, curators, and critics are invited to lectures and provide studio visits and critique sessions each semester. While the schedule for these events is fluid, you will be given notice of upcoming lectures to attend. You are required to attend and write a brief response to two speakers in your notebook.

Galleries
You are required to attend two exhibitions this semester and respond to them in your sketchbook. You are strongly encouraged to attend exhibitions at the Harn Museum to experience contemporary and historical exhibitions that relate to our studio practice. Additional local venues include Gallery Protocol, Santa Fe Community College Gallery, Reitz Union, Thomas Center Galleries, University Galleries and other community galleries that provide exhibitions of student and local artists.

SAAH POLICIES

Lockers/Storage
SAAH is not responsible for items in lockers. Please watch for posted signs on lockers regarding their use. Each student must share a locker with two students and keep the locker form attached at all times. Lockers will be cleaned out at the end of each semester. When storing materials it is advisable that you have your name on everything with a black marker, the course number, and the instructors’ name. The SAAH is not responsible for items left in the classrooms.

Academic Honesty Policy
The course will follow the University’s honesty policy found on-line at: http://www.dso.ufl.edu/stag/. Work completed for this class, this includes drawings, sketchbook work or research, may not be turned in for any other class. In addition, work turned in for credit in another class may not be turned in for credit in this class.

Accommodation for Students with Disabilities
Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students will provide documentation to the student who will need to provide this to the instructor when requesting accommodation. The ADA office (www.ada.ufl.edu) is located in Room 232 Stadium 392-7056.

Additional policies for students in the SAAH
Students must turn off cell phones and music devices during class time.

Safety and Hazardous Materials Policy - see attached Area Health and Safety Policy or http://saahhealthandsafety.weebly.com/
Please read and respect studio use and guidelines posted in classrooms. Do not pour solvents down sinks. Spraying of fixative or other toxic materials is not allowed in the drawing studios or hallways use the ventilation booth on the 2nd floor of FAC. Each student is responsible for assisting in studio clean up.

Studio Use
The studio is for your use outside of class time. You will be given the combination to the studio, it is for YOUR use only. Students are expected to follow studio guidelines at all times. The closest telephone is on the second floor/SE corner. There is a first aid kit in each room as well as a sharp container for your use.

SA+AH CONTAINER POLICY
There are 2 types of labels used in the SA+AH-- yellow and white. Both labels are found at the red MSDS box and are supplied by the SA+AH. Each is used for a different purpose.

White:
All new and or used product in containers (hazardous or what might be perceived as hazardous -i.e. watered down gesso, graphite solutions, satellite containers of solvents, powders, spray paints, fixatives, oils, solvents, etc…) must be labeled within the SA+AH to identify their contents. Labels can be found at the MSDS box in each studio and work area. All containers must be marked with your name, contents and date opened. All secondary/satellite containers for hazardous materials must be marked with content, your name and the date opened. All unmarked containers will be disposed of with no notice.

Yellow:
WHEN HAZARDOUS ITEMS ARE DESIGNATED AS WASTE.
All containers must have a yellow label identifying the contents that are designated as trash for weekly EHS pick up.
- Flammable solid containers (red flip top) must have a yellow hazardous waste label on the outside (top).
- 5-gallon jugs must have a yellow hazardous waste label on the outside.
- Fibrous containers must have a yellow hazardous waste label on the outside (top).
- Each item in the blue bin must have a yellow hazardous waste label.

Note: Hazardous Waste labels should include all constituents in the waste mixture as well as an approximate percentage of the total for that item and must add up to 100%. Labels should also include the Bldg and room number of the shop generating the waste along with the Waste Manager for your area; this is located on the SWMA sign posted at the sink or at the Waste Management Area.

Appendix C: Health and Safety Area Specific Information: Drawing

4. Area Rules
All users of the studio classrooms are expected to follow studio guidelines at all times. If you have any questions, ask your instructor.
- Follow all SA+AH Health and Safety handbook guidelines.
- Follow the SA+AH Satellite Waste Management Chart in the classroom and other health & safety guidelines posted for your media.
- Do not prop classroom doors. Doors are to remain closed to ensure the building HVAC and ventilation systems work properly.
- Material Safety Data Sheets (MSDS) are available in each SA+AH work area.
- Practice best practices for material handling. If you have questions about a material, ask your instructor for guidance.
- If you bring an item into the classroom, be sure you have the MSDS form filed for the material used.
- Familiarize yourself with the closest eyewash unit.
• Do not spray any aerosols in any SAAH classroom/studio/doorway or exterior wall/floor. A spray booth is located in FAC room 211A.
• Wear nitrile gloves when handling hazardous materials. These are provided in your classroom studios.
• Remove all trash that does not fit in trash cans to the dumpster on the south side of FAC. Any trash that does not fit in the trash can must be immediately taken to the dumpster. All oversized trash (has any length that exceeds 4 feet in any direction) must be taken to the dumpster on the south side of FAC and placed beside the dumpster in the area designated for oversized trash. Broken glass must be packed inside paper and labeled on the outside as broken glass and walked to the dumpster. Glass with hazardous materials must be wrapped, labeled with a filled out yellow hazardous waste labels and placed in the blue bin at the SWMA. The trash guidelines are to ensure the safety of anyone encountering the trash. Liquids, medical waste, yard waste, appliances and pallets are prohibited from disposal in the dumpster.
• Do not remove furniture from rooms or borrow furniture from rooms without permission from the area coordinators.
• Do not create “daisy chains” with multiple electric cords.
• No hazardous materials down sinks.
• Store all flammables in the flammable cabinet. Keep flammable cabinet closed at all times.
• Clean up after yourself.
• First aid kits are found in each studio. Notify your instructor if supplies are low.
• Report any safety issues IMMEDIATELY to your instructor.
• All courses must engage in an end of the semester clean up.
• In case of emergency, call campus police at 392-1111, you are in UF Fine Arts Building D (Building # 269), and then give the operator your location (room #).
