Course Objectives
All levels of study will include the following:
- overall range up to high F; all major and minor scales with arpeggios; extended chromatic scale; scales in thirds; tone production; intonation; Exhaling and inhaling techniques

Goals - to develop a working knowledge of the standard oboe repertoire
- to develop productive reed making skills
- to become the best possible musician

Course Content
Lessons -
The schedule for individual lessons will be finalized within the first week of the semester. Any conflicts with an assigned lesson time must be cleared with Dr. Odom at least 24 hours prior to the scheduled time. Switching lesson times with another oboe student is fine, but please notify Dr. Odom of these changes ASAP. Any lessons missed by the student without prior notice will not be rescheduled. It is expected that the student will come to each lesson prepared with the assignments from the previous week. If there are questions regarding the lesson assignments, the student is encouraged to ask for clarification of the assignment before the next lesson.

Studio Class -
Attendance is required at all studio class meetings. Absences will affect grades without prior excuse. Studio class will focus primarily on reed making skills. Quizzes, both written and listening, on oboe literature and repertoire will be incorporated into the semester’s schedule. It is assumed that the oboe student will have the appropriate supplies and tools at each studio meeting. A list of reed making sources is included at the end of this syllabus.

Recital Policies -
Attendance is required at all oboe studio recitals (especially Dr. Odom’s solo recitals and ensemble recitals) and Woodwind Area recitals. If a studio recital must be missed, please contact Dr. Odom as soon as possible. Arrangements may be made to attend a dress rehearsal as a substitute for the performance.
Recital Performances -
All oboe students are required to perform on one of the following every semester of study: an Oboe Studio recital (usually for first semester 1000-level non-performance students), a Woodwind Area recital, or a Friday Student Recital Convocation. Lessons with pianists should occur at least 2 (two) weeks prior to each performance. It is the student’s responsibility to find a pianist and schedule with the pianist outside rehearsals as well as for lesson times. Pianist’s expenses are the student’s responsibility.

Spring 2017 Woodwind Area Recital dates (all start at 12:50 p.m. in MUB 120)
January 23
February 6
February 20
March 20
April 3

Individual Oboe Studio Notebook –
Each student will be required to prepare a studio notebook, which will contain the following items:
- lesson assignment sheets
- performance comments from Dr. Odom
- music terms and definitions, taken from repertoire studied
- 1-2 paragraphs (similar to program notes) biography of composers studied during the semester
- Practice and reed making log
- Listening log

End of Semester Juries -
All oboe students are required to play a jury at the end of each semester of study, except for students who have performed a solo recital in the last 6 weeks of a semester or non-performance students taking their first semester of lessons at the 1000 level. The Jury will consist of a 10 minute prepared program. This program will include a minimum of two repertoire pieces and three etudes, which have been studied during the current semester. The repertoire pieces should be of contrasting styles. Each student will present the jury with four copies of a printed program, which will include the titles of the selections to be performed, the names of the composers and their dates. The student will also prepare three copies of the music to be performed. The student chooses the first selection, after which, the faculty may request any of the other selections listed on the program.

Woodwind Juries for spring semester 2016 will take place Monday, April 24, 2017

Grade Allocation -
Grades are based on:
- 50% - preparation for lessons
- 20% - attendance and participation in studio class
- 10% - solo performance in a recital
- 10% - the jury at the end of the semester
10% - 10 reeds at varying levels of completion, dependent upon the year of study:

- **1000-level**: must be tied on correctly with the tip started
- **2000-level**: must be tied on correctly with the tip almost completed and the back started
- **3000-level**: must be tied on correctly with the tip completed and the back almost finished; the reed should be able to crow
- **4000-level and Graduate**: reeds must be completed and playable (not necessarily for public use)

(The best grades from 12 lessons, all of the grades from studio class, and the recital performance grade will be averaged together.)

### 2000-Level Juries

This jury is to be performed at the end of the second semester of 2000-Level of study. The student must pass this jury to continue studio study at the 3000-Level of coursework. All material worked on during the semester of the jury should be at performance level for this jury. A committee of three Woodwind Area faculty members and one faculty member outside of the Woodwind Area will hear the jury. The student will prepare a three to five minute talk on something related to the music he/she has prepared for the jury. It may include historical background of a particular composer, an analysis on a work, or a combination of the two. The student will be judged upon his/her ability to express his/her ideas clearly to an audience.

The student may write information into his/her music to be referred to as needed. If the student is unable to pass this jury, one additional semester at the 2000-level may be taken with another jury at the end of that semester. If the student does not pass the 2000-Level jury at the second attempt, the student will not be allowed to continue study in the studio.
