Purpose:
To prepare and perform a solo flute recital to the best of our abilities.

Materials:
Students will need a flute, a stand (for home practice and rehearsal), a metronome, and a tuner. Music will be provided by the professor.

Description:
This course helps the student to prepare for a solo recital performance, requiring extra time and effort for both the student and the professor, beyond studio lessons (MVW 3431 or 4441). This includes recital jury preparation, dress rehearsals, and any additional rehearsals that may be required leading up to the performance. The course also includes the professor's time after the recital to prepare video or audio recordings to preserve the performance.

Missed class policy:
If a student must miss a rehearsal, he or she must contact the professor at least 24 hours in advance if at all possible. Excused absences include absences due to illness or family emergency, or required exam for another course (if scheduled during our rehearsal). Because we only rehearse once a week, regular attendance is expected and MANDATORY.

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx.

Requirements:
Preparedness for and attendance of each lesson and rehearsal (regular practice outside of rehearsal is required).
Recital jury: scheduled two weeks prior to the public performance.
Public performance: scheduled individually for each student.
Grading:
Students’ semester grades will be based entirely on attendance, preparation, and the final performance. For each unexcused absence, your final grade will be lowered (A becomes A-, A-becomes B+, etc...) Regular tardiness will also negatively impact your grade–3 tardies will equal one unexcused absence. If you are ever in question about your current grade, please consult the professor.

COURSE EVALUATION
Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at https://evaluations.ufl.edu. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at https://evaluations.ufl.edu/results/.

ACADEMIC HONOR POLICY
UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class

STUDENTS REQUESTING ACCOMMODATIONS DUE TO DISABILITIES:
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.
