COURSE DESCRIPTION
ART 3807c is a graphic design studio course specifically structured for non-majors. This course
will cover best practices used in the field of graphic design. Students will learn appropriate use
of typography, principles of design, and color theory through the lens of project-based practical
application. Fundamental design processes such as design thinking, designing systems, sketching
for ideation, prototype and mockup making and materials will also be covered. Adobe InDesign,
Illustrator, Photoshop and Acrobat software will be used to create final projects. The course
readings, lectures, exercises, presentations, and projects provide a framework to expand your
thinking and practice related to diverse forms of visual expression.

COURSE OBJECTIVES
∙ Learn and apply design and typographic principles such as alignment, visual hierarchy, contrast,
proximity, repetition, legibility, and color to create work that communicates successfully;
∙ Proficient use of design processes and methods for ideation and iteration;
∙ Learn best practices in the field of graphic design;
∙ Explore typography as it gives tangible form to language;
∙ Develop competency with the tools and production of graphic design;

STRUCTURE
Because we learn how to design primarily by doing, active participation is vital to the success of this
course and your individual progress. Activities that take place during class time include lectures,
group discussions, critiques, presentations, quizzes, responses, and time to work on projects. You
should expect to devote at least an equal amount of time outside of class for coursework.
GRADING + EVALUATION
The purpose of grading and evaluation is to pinpoint the strengths and weaknesses of one’s performance. Information on current UF grading policies for assigning grade points is online here: https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx.

Your semester grade will be based on your performance in the following three categories:

**60% project work:** as stated on project briefs, in areas of:
- process (research, concept, ideation, appropriateness of solution)
- realization (visual organization, formal resolution, syntax, craft)
- presentation (articulation, concept statement, photographs)
Each project is worth 20% of the total.

**20% professionalism:** participation, attendance, motivation, collaboration, and consistency

**20% knowledge & intellectual engagement:** in-class exercises, reading, writing, and other responses, including discussion.

DEMONSTRATION OF SUFFICIENT PROGRESS

It is good practice to work consistently, to obtain feedback from your instructor and your peers, and to learn in this studio environment. Establishing a high standard in the classroom ensures that you learn to manage your time to meet deadlines, foster your own design process, obtain appropriate feedback, and develop to the best of your abilities. The instructor reserves the right to determine if the project did not meet the requirements of sufficient progress and may assign a low or failing grade.

EXPECTATIONS FOR PROFESSIONALISM + INTERACTIONS

- **Excellent (A)** Demonstrates excellent preparation, contributes in a very significant way to discussions and critiques, knows assigned materials very well, and exceeds overall course requirements.
- **Good (B)** Demonstrates good preparation, contributes frequently to discussions and critiques, knows assigned materials well, and exceeds many, but not all, course requirements.
- **Satisfactory (C)** Demonstrates adequate preparation, contributes to discussions and critiques when called upon, demonstrates some knowledge of assigned materials, and meets overall course requirements.
- **Needs Improvement (D)** Demonstrates minimal preparation, infrequent involvement in discussions and critiques, does not know assigned materials, and needs improvement on project work. Present, not disruptive.
- **Unsatisfactory (E)** Demonstrates no or substandard preparation, no involvement in discussions and critiques, does not know assigned materials, and does not meet overall course requirements.

MAKE-UP WORK

You may be eligible for make-up work in the event of an excused absence. Work may be different from what is originally assigned. It is your responsibility to find out what you missed and ask for make-up work within a week of the absence. Student may be given the option to re-work a project for a higher grade at the discretion of the instructor and if sufficient preliminary sketches and process work have been done beforehand.

DEADLINES

All interim and final deadlines will be announced in advance. Work is due on the day and time given and will be considered late after work has been called for. Projects are accepted late at the instructor’s discretion and usually only because of extenuating circumstances.
ATTENDANCE POLICY
- Attendance to final project presentations/critiques is mandatory.
- Two (2) unexcused absences are permitted. Every unexcused absence beyond this may lower your grade by 10 points.
- Late arrivals (more than 15 minutes after class start time) will be marked tardy.
- Three tardies will be counted as one unexcused absence
- Excused absences follow university guidelines and include religious holidays, a verifiable death in the immediate family, illness with a doctor’s note, a court or legal obligation, or participation in official university activities. Please notify the instructor in advance if you know you will be absent. Students observing a religious holy day of their faith must notify the instructor in advance.
- Leaving early without permission will be considered an absence.
- Arriving more than 45 minutes after the start of class is no longer considered tardy and will count as an absence.
- A total of seven absences, excused or unexcused, may result in failing the course.
- It is your responsibility to see that the instructor’s attendance record is corrected from an absence to a tardy if you are late.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES
www.dso.ufl.edu/drc
Anyone requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide you, the student, with the necessary documentation, which you must then provide to me, the instructor, when requesting accommodation.

Includes personal, academic, crisis and career services.

ACADEMIC HONESTY POLICY
The university’s policies regarding academic honesty, the honor code, and student conduct related to the honor code will be strictly enforced. Full information regarding these policies is available at the following links:

DISRUPTIVE BEHAVIOR
regulations.ufl.edu/chapter1

Be advised that you can and will be dismissed from class if you engage in disruptive behavior.

ABSENCES & ABSENCES FOR RELIGIOUS HOLIDAYS
The course absence policy is described in the body of the syllabus. The university policy is here: www.registrar.ufl.edu/catalog/policies/regulationattendance.html. Because instructors are allowed to require attendance and attendance and participation are critical to learning there is a strict absence policy. The Florida Board of Education and state law govern university policy regarding observance of religious holidays, available at the link above.
SA+AH HEALTH & SAFETY
The School of Art + Art History Safety Manual will be reviewed in class. Students and instructors are responsible for following policy and procedures for making art safely at all times. The entire document is available online http://saahhealthandsafety.weebly.com/handbook.html. All students are required to sign and turn in the signature page to the instructor on the first day of class. All users of the studio classrooms are expected to follow studio guidelines at all times. If you have any questions, ask your instructor.

- Dial 911 for medical + police emergencies.

AREA RULES
All users of the studio classrooms are expected to follow studio guidelines at all times. If you have any questions, ask your instructor.
- Follow all SA+AH Health and Safety handbook guidelines.
- Alcohol is not permitted (open or closed containers)
- No eating or drinking in the lab.
- Shoes must be worn at all times.
- Protective equipment must be worn for hazardous work.
- Do not block aisles, halls or doors with stored items or when working. This is a violation of fire codes.
- Do not store anything on the floor. This impedes cleaning & creates a hazard.
- Do not park bikes in the building.
- Clean up spills immediately.
- Take items which do not fit into the trash to the dumpster, follow dumpster guidelines.
- All users must follow the SA+AH Container Policy (see below).

HEALTH AND SAFETY POLICY
There are 2 types of labels used in the SA+AH-YELLOW & WHITE. Both labels are found at the red MSDS box and are supplied by the SA+AH. Each is used for a different purpose.

WHITE
All new and or used product in containers (hazardous or what might be perceived as hazardous, i.e. watered down gesso, graphite solutions, satellite containers of solvents, powders, spray paints, fixatives, oils, solvents, etc...) must be labeled within the SA+AH to identify their contents. Labels can be found at the MSDS box in each studio and work area. All containers must be marked with your name, contents and date opened. All secondary/satellite containers for hazardous materials must be marked with content, your name and the date opened. All unmarked containers will be disposed of with no notice.

YELLOW
When hazardous items are designated as waste. All containers must have a yellow label identifying the contents that are designated as trash for weekly EHS pick up.
- Flammable solid containers (red flip top) must have a yellow hazardous waste label on the outside.
- 5-gallon jugs must have a yellow hazardous waste label on the outside.
- Fibrous containers must have a yellow hazardous waste label on the outside.
- Each item in the blue bin must have a yellow hazardous waste label.

NOTE: Hazardous Waste labels should include all constituents in the waste mixture as well as an approximate percentage of the total for that item and must add up to 100%. Labels should also include the Bldg & room # of the shop generating the waste along with the Waste Manager for your area; this is located on the SWMA sign posted at the sink or at the Waste Management Area.
