

FREE MODERN BAND METHODS WORKSHOP!

Professional Development in launching a Modern Band program

NO EXPERIENCE NECESSARY!

WHAT IS MODERN BAND?

Modern Band music programs teach the popular musical styles of the past 60 years, from rock and reggae to Latin and R&B, among other genres, with a heavy focus on improvisation, composition, and getting kids to play on day one. Modern Band complements existing programs such as jazz band, choral programs, concert band, and orchestra!
