Catalog Description

Practice and principles of fundamentals and stylistic characteristics common to ballet, jazz and modern dance.
(H) 3 credits

Fundamentals of Dance is designed to provide accessibility to the world of dance for all students, novice or pre-professional. Along with learning the rudiments of the dance techniques, with a focus on dance styles common to Western culture, you will discover the rich heritage, challenging discipline, fertile aesthetic, as well as your place in the vast spectrum of dance. There is truth in advertising – as once you are successful in this class, these fundamentals become the basis for achieving excellence in higher levels and making informed connections with how this art interacts with your life. The following objectives provide the direction for the course:

Objectives:

- To provide a student with the history, basic techniques, and contemporary references relevant to accessing a basic understanding of ballet, jazz and modern dance
- Enhance the mind/body connection through the application of sound biomechanical principles as they relate to dance, such as practicing proper alignment, learning basic human anatomy, and learning of alternative approaches to movement study. This knowledge will be directly applied to the various styles of dance learned in class
- Practice elements of performing and explore performance quality, discovering your own potential and personal style while developing your kinesthetic memory
- Experience, discuss and write about live dance performances

Dance Etiquette and Attire:

Dance is an art and requires personal discipline and motivation. Respect for other students and the instructor is of the utmost importance. When in class you will be attentive and active. Be aware of the appropriate times to talk and/or sit.

Attire should be form fitting, allowing the line of the body to be seen. Leotards and tights (leggings or

jazz pants) are suitable for female students. *Dance* shorts can be worn, but only with tights.

For male students, form fitting shorts (compression shorts) or athletic pants with a form fitting T-shirt are suitable.

Form fitting warmers can be worn and should be removed after warm-up. Dance shoes are not required for this course, but socks are recommended. **No baggy sweats, shirts, pants or shorts. No street clothes or street shoes. No large jewelry, no chewing gum, no hats, and no loose hair.** Personal hygiene is expected and is its own reward. **You may lose points for improper attire, hair or attitude.**

Attendance Guide:

SoTD Dance Attendance:

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at:

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

- Mindful participation is the only way to meet the objectives of this course.
- Attendance, which is mandatory, means that when you enter the classroom, you are present, alert, and contributing to the progress of the class every second.
- If you are not present when attendance is taken or class begins this will count as an absence.
- For extended health issues refer to the Injury and Illness Policy in the current SoTD Handbook (SoTD website)

Information on make-up work: Any make-up work requires proper and official documentation from professional sources and presented to the instructor in a timely fashion. To earn credit for an absence you must do two things:

- 1) Immediately after your return to class, turn in approved/legal documentation to instructor
- 2) Make-up the class with an approved assignment. All Make-up assignments for excused absences must be completed by the last day of classes of the semester.

There are no makeup classes for unexcused absences.

Attendance Policy:

MANDATORY. Participation is the only way to meet the objectives of this class. This requires you to be in class on time in the proper attire and with your attention focused on dance. Once in the studio, you should be warming up and stretching to prepare yourself for class.

- You must be present for all scheduled classes, plus required concerts, auditions, and events.
- It is your responsibility to know your schedule. Check your UF email & the dance studio bulletin boards. The instructor will only respond to UF email (ufl.edu)
- Each unexcused absence will result in a loss of ten (10) points.

- You are responsible for all material covered in class during your absence. You are advised to ask other students for material missed in class. It is not the teacher's responsibility to re-teach you when you are absent.
- Prolonged illness or injury may result in dropping the class. (An incomplete is rare.). • AN INCOMPLETE WILL NOT BE GIVEN WITHOUT MEDICAL DOCUMENTATION. If approved, College of Fine Arts Incomplete Contract must be signed by the Director, Instructor, and Student.
- You are tardy if you are not present for roll call. When late you must clear entry into class – it is at the instructor's discretion whether you will be allowed to participate in class if you are more than ten minutes late. This is for your own safety.
- Six (6) points will be deducted for being late or leaving early (for any reason)
- Other classes that schedule events during this class will be considered an absence and are not excused. Field trips with school events must be documented by the school and documentation must be sent directly to me. UF approved religious days are excused and do not need to be made-up. (Travel time not included.) Student is still responsible for material covered during their absence.
- If unable to dance, with instructor permission, you may 'actively' observe one time for full credit.
- You will complete an observation paper due at the end of class. Check with instructor for instructions. You may not receive credit for attendance if you arrive ten minutes into the scheduled class time.
- You may not use this time for napping or "study hall", otherwise it will be considered an absence.
- Absences without proper documentation from exams result in a **zero**. If you miss the final exam you cannot pass this course.
- You may not pass the course with 5 or more absences (excused or unexcused)

UF Absence Policy

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

- Students are responsible for satisfying all academic objectives as defined by the instructor. Absences count from the first class meeting.
- In general, acceptable reasons for absence from or failure to participate in class include illness, serious family emergencies, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions, religious holidays and participation in official university activities such as music performances, athletic competition or debate. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. Other reasons also may be approved.
- You cannot participate in classes unless you are registered officially or approved to audit with evidence of having paid audit fees. The Office of the University Registrar provides official class rolls to instructors.
- If you do not participate in at least one of the first two class meetings of a course or laboratory in which you are registered, and you have not contacted the department to indicate your intent, you can be dropped from the course. You must not assume that you will be dropped, however.
- The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors can prohibit further attendance and subsequently assign a failing grade for excessive absences.

Summary results of these assessments are available to students at <https://evaluations.ufl.edu/results/>

Text:

The DAA1000 Handbook was prepared especially for this class and will be available online on Canvas. **Communication is very important. Please come to me with all questions and concerns throughout the semester. You can make an appointment or talk to me immediately before or after class about your progress or if you have any questions. If questions pertain to the information in this syllabus, I ask that you read your syllabus thoroughly before asking an intelligent question on clarification. You are encouraged to ask questions during class and if you need or want more feedback from the instructor, please do not be afraid to ask. Remember, unless you communicate and come to me directly, I will assume that you are satisfied and happy. I want you to have a great dance experience.**
