TPP 2110 – Acting 1: Instrument and Discipline is the foundation for all performance majors and students seeking entrance into the program. This course introduces basic physical, vocal and analytical concepts; methods; vocabulary; and discipline required of the beginning actor. Students will explore the creative process through exercises in observation and awareness.

COURSE OBJECTIVE:

- A) To establish a common vocabulary that serves as a foundation for the entire acting sequence.
- B) To increase observational skills and develop self-awareness through exercise and improvisation.
- C) To develop in the student an understanding of the discipline of the art and to refine concentration skills necessary within that discipline.
- D) To introduce the student to the basic methods of relaxation as well as physical and vocal freedom and control.
- E) To develop in the student a sense of the ensemble nature of the discipline through exercise in trust and communication.

REQUIRED TEXT:

An Actor's Work. Stanislavski, Konstantine. trans. Benedetti, Jean.

Published plays and reference materials, both of which may be obtained from the campus libraries, will be utilized by the student in class. Handouts may be distributed as well.

COURSE CONTENT:

Through the use of exercises, both structured and unstructured, the student will explore the basic skills of acting, which include: a repertoire of relaxation and warm-up exercises from which to build upon for use in the study of the entire acting sequence, and the development of self-awareness, imagination, the mechanics of staging, character-process, and foundational work in script analysis.

Students will be required to memorize the general vocabulary of acting through the use of the addendum to the texts and in-class exercises and explorations. A comprehensive, written vocabulary exam will be given at the end of the semester.

Execution of the basic acting skills will be demonstrated by the student in the form of in-class performances of monologues and in scene work with partners. Students are expected to be fully memorized for these performances, and will be required to submit written analysis for each performance, the content of which will vary according to the student's development of skills.

This is a performance class, therefore, attendance is MANDATORY. You must be present to perform. If you miss class, the work cannot be made up. We learn from each other—your presence, whether or not a “performance” is involved that day, is important to the collective learning process that is engaged in this class.

Attendance will be taken at the beginning of each class. Please note that it is your responsibility to notify the instructor after class that you came in late, if you come in after attendance has been taken.

***You are allowed 2 excused or unexcused absence.** Your final grade participation grade will be lowered 1 letter grade for each additional absence.

You are allowed 2 tardies. Your final grade will be lowered 1/2 letter grade for each additional tardy.

LATE ASSIGNMENT POLICY:

Late assignments will not be accepted.

**** THERE ARE NO MAKE UP DAYS FOR WORKSHOPS OR PERFORMANCE DAYS!****

If you miss your assigned workshop or performance day, you forfeit the points for that day. Make-up performances will only be performed for the sake of your partner's grade.

4 In cases of emergency, it is up to the discretion of the instructor to allow for rescheduling of a performance.

GRADING:

Students may have varying degrees of talent and experience in acting: therefore, the students cannot be graded solely on the basis of the skills and talents they bring to the class. Consideration will be given to the student's improvements and efforts that are demonstrated.

Participation is also a key factor in grading. Criteria for this grade include attentiveness, participation in and/or leadership of exercises, willingness to participate in class discussions, etc... in general, the TIME, EFFORT, and COMMITMENT the student displays toward this class.

Each assignment will be awarded a specific point value. Points will be tallied at the end of the semester to determine the student's final grade.
