

ART 2757C - Ceramics: 3D Concepts

University of Florida, School of Art and Art History

**Meeting Time:**

Monday/Wednesday 3:00-6:00pm

Instructor: Carin Sankus

E-mail: c.sankus@ufl.edu

Ceramics kiln room phone: 392-0201 x 232

Office Hours: Monday 2:00-3:00 or by appointment

Office Location: FAC B12

Classroom: FAC B14

Credit Hours: 03

Prerequisite: ART 1803C, "Workshop in Art Research and Practices" WARP.

Ceramics Department Information:

Please see PDF file in Canvas Resources

Course Description:

This course is an introduction to three dimensional design concepts using Ceramic materials and processes. The projects investigate three dimensions and visual dynamics in three dimensions including a study of form, space, color and light, texture, composition, and structure. Low fire technology, hand forming techniques, an introduction to glazing, and electric kiln firing processes support the development of an understanding of 3D fundamentals. Actual hands-on experience with loading, firing, unloading kilns will be offered and participation expected.

Objectives:

- To understand and develop a working knowledge of 3D design concepts
- To effectively generate, organize and communicate ideas in full 3D space.
- To explore form, the meaning of structure, spatial design, surface, color and light, proportion and composition, function and content.
- To learn to use ceramics to express 3D problems.
- Increased knowledge of technical skills, processes and materials relating to ceramics or sculpture

Studio and Class Procedures:

Please read *Welcome to UF Ceramics* and follow shop procedures. This information can be found in the file section on our class Canvas page. Canvas will be our official form of class communication. Please check it daily for class updates and scheduling changes. Website: <http://elearning.ufl.edu/>

All students are required to clean up after themselves. This keeps our studios healthier and more pleasant work places. Failure to clean up the studio after a work period can result in a lowered participation grade; this includes weekend use of the studio.

Clay: Red earthenware or buff sculpture clay is used in this course. Clay Tickets must be purchased at the bookstore in the Reitz Union (at the register). Clay prices are subject to change (currently \$12.50/bag). Most students use between, 5 – 9 bags of clay for the course. **I recommend that you buy four bags of clay to start the semester. This will insure that you do not come to class without clay.** Bring the material slip and receipt to me during class and I will give you clay. Glazes and miscellaneous shop materials are included in the costs of the materials fee.

Fee: Students are required to pay a ceramics materials fee of \$45 to cover the cost of glaze materials used recently an (ORANGE ticket from the UF Bookstore.) This is separate from the lab fee assessed with your tuition. The lab fee covers consumable supplies such as cones for firing, replacement elements, kiln shelves, wax resist, etc.

Required Textbook:

The Ceramics Bible: The Complete Guide to Materials and Techniques, by *Louisa Taylor* ©2011 ISBN-10: 1452101620 (Required)

Other Resources: (On Course Reserve in Architecture and Art History Library)

Make It in Clay: A Beginner's Guide to Ceramics, 2nd Edition by Charlotte F. Speight and John Toki Mayfield ISBN: ©2001, ISBN-13 9780767417013 (Optional)

Launching the Imagination: Comprehensive (2D, 3D, and 4D) with CD-ROM, by Mary Stewart (Optional)

Understanding Three Dimensions, authors Block and Leisure. Prentice Hall Publishers. ISBN 0-13-937202-4 (Optional)

Required Tools: Bound sketchbook 8"x11", toolbox or caddie w/your name on it, lock for locker, sponge, needle tool, cut-off wire, fettling knife, ribs: flexible metal, serrated, rubber kidney, fork or other scoring tool, carving tools, ruler, assorted brushes, **plastic** to cover work in progress (2-5 soft garbage bags will work), spray bottle, wooden paddle. **Please have TOOLS and clay tickets by the second-class meeting; working on the first assignment will begin immediately.**

Note:

The New Supply store in town is soMAart HUB. Try there for tools first. Other suppliers can be found at ceramicsupply.com or Amazon.

Optional Tools (not required but strongly suggested): Apron or large shirt, binder for handouts, N95 dust mask (disposable type, pharmacies and the hardware store carries them). Please see the SA+AH Health and Safety Sheet), small bucket, Sur-form Plane (hardware store), scissors, shop towel, 2 pieces of 36" x 36" canvas for rolling slabs, small containers with lids (e.g. recycled yogurt containers, etc.)

Grading Format:

Grading Scale:

A 94-100, A- 93-90, B+ 89-87, B 86-84, B- 83-80, C+ 79-77, C 76-74, C- 73-30, D+ 69-67, D 66-64, D- 63-60, E 59-0

A = 4.0-3.67 Excellent work, work meets the requirements and goes above and beyond expectations.

B = 3.66-2.67: Work meets all requirements to a high degree, and is presented in a meaningful fashion.

C = 2.66-1.67: Work is average, meets all requirements minimally, presentation is "satisfactory."

D = 1.66-0.67: Work is below average, concepts are missing or not fulfilled, presentation lacks quality.

F = 0.66-0.00: "F" Work receives a failing grade, unacceptable and insufficient work.

(*Please Note: A grade of C- or below will not count toward major requirements.)

Final Grades will be compiled by the following:

Assignment	Weight
Project 1 – Form: Weight and Balance	15%
Project 2 – Minimalism: Connection and Multiplicity	20%
Project 3 – Shelter: Internal Volume and External Form	20%
Project 4 – International Designs of Function-Tea Ware	20%
Test – Materials, process, ceramic art history	5%
Participation - In shop activities (clean-up, firings, etc.)	10%
Attendance - Class participation, discussion, use of work time, etc.	10%

Critique Presentation Expectations:

All work should be presented for critique in a professional fashion. All cracks and flaws should be repaired with a filler like spackling compound or epoxy and painted to the best of your ability. DAP vinyl spackling compound, PC 11, and PC7 epoxies work well for repairing small hairline and larger cracks in ceramic. These materials can be sanded and then painted over when dry. See instructor for recommendations should a piece need repair.

Late Work:

All projects, reading responses, and research projects must be completed on time for full credit. Specific **due** dates are stated on each project sheet and are announced in class. Failure to complete any project on time will result in a drop of 5 points to your final project grade, and failure to complete any other assignment, such as response papers, in-class exercises, or other class work, on time will result in a drop of 5 points for each day it is late. If the time line states that a project is due at the beginning of class, turning it in at the end or after class is considered late. You must have work finished and installed before the start of class on critique days or your work will not be critiqued and your project grade will be lowered. It is the student's responsibility to turn in all work on time.

The ceramic process requires that green ware be completely fabricated and detailed, then dried for 3-10 days, depending upon scale and complexity. Clay is a wonderful material, but requires your regular attention to achieve good results. It cannot be rushed or neglected. Please finish building all wet work on time for green ware due dates and manage the careful drying of your work so that you can meet all deadlines.

Full participation by showing completed work during all critiques is required along with active participation through shared ideas and commentary.

Evaluation:

In addition to specific criteria defined by individual project goals, all projects will be graded on their success in the following areas: concept development, use of design decisions to support your concepts, craftsmanship, and meeting deadlines for building, firing and critique. As previously mentioned, a sketchbook is required for recording notes and ideas and the work must be finished within the specified deadlines.

Concept / Idea: This pertains to the ability to discover and define design problems and issues in a clear and consistent language.

Solution: This pertains to the quality of your Visual and Conceptual Solution. Factors such as composition, inventiveness, originality, layout and craft will be considered in grading.

Class Work:

You are required to keep all information related to this class in your sketch book. Quantity (yes, sometimes over quality) and innovation are important factors. The more you do, the better your design will be. I will not accept work that does not meet the required presentation standards (which are listed on each individual project sheet). Also important in considering project grades: Failure to meet process deadlines will result in a zero. For situations that are called to my attention in advance, something can be arranged. You should always plan ahead.

Grades will also be influenced by the following criteria: evolution from proposal to finished work, aesthetic concerns, and adherence to assignments, craftsmanship, skills development, conceptual rigor, experimentation, inventiveness, risk-taking, personal investment, and critical discussions.

Studio Participation Guidelines:

The use of clay as a medium comes with many responsibilities beyond simply creating the work. Included in your construction of your projects, loading, unloading, and maintenance of kiln furniture is included in your class participation grade. Each student must participate in 2 kiln loading (this includes unloading) shifts as part of your responsibility and participation in the class. This participation also insures that you are familiar with and competent in the kiln loading and firing process of ceramics. Additionally, included in your class participation grade is a **mandatory class clean-up at the end of the semester. Failure to attend this clean-up will result in a lowered participation grade.** Included in this, the instructor reserves the right to deduct points from a student's participation grade at any point

he/she fails to comply with instructors instructions regarding studio cleanliness. This includes class ware carts located in the kiln room and glaze runs on kiln furniture.

Ceramics Program Attendance Policies:

Plan to arrive promptly at 3:00 pm and set up to begin working. Attendance will be taken right at the beginning of each class; lateness will be noted and will affect your grade. If you arrive after 3 pm, you are tardy. Early departures are not permitted. If you need to leave class early please inform me and offer a reason for an early departure. Otherwise not attending class for the full time will be noted and will adversely affect your participation grade.

Tardiness, leaving early and absences will result in a grade reduction. Three late arrivals/departures will equal one absence. After the third absence, your participation/energy grade will be lowered one full letter grade.

Class attendance is central to the learning process and to your success in the course. It is expected that you will attend regularly and be punctual. Everyone will value this courtesy to the group. In addition, group demonstrations and lectures, roving critiques, individual tutorials, and discussions will be scheduled for most class periods. Students who are absent due to illness should contact me via email as and if possible bring me a doctor's note.

*UF's attendance rules state: **The University recognizes the right of the individual professor to make attendance mandatory.** After due warning, professors may prohibit further attendance and subsequently assign a failing grade for excessive absences. Students are responsible for satisfying all academic objectives as defined by the instructor. Students who do not attend at least one of the first two class meetings of a course or laboratory in which they are registered, and who have not contacted the department to indicate their intent, may be dropped from the course.*

Cell Phones:

Students in the School of Art and Art History are now permitted to have beepers & cell phones turned on in class to receive campus safety warnings. However, cell phones are not allowed to be used during class. Cell phones are a distraction to me and your fellow classmates. Use of cell phones in class without permission will affect your participation grade for the course.

University Policy for Religious Holidays:

The Board of Regents and state law govern university policy regarding observance of religious holidays: Students, upon prior notification of their instructors, shall be excused from class or other scheduled academic activity to observe a religious holy day of their faith. Students shall be permitted a reasonable amount of time to make up the material or activities covered in their absence. Students shall not be penalized due to absence from class or other scheduled academic activity because of religious observances. Further, a student who is to be excused from class for a religious holy day is not required to provide a second party certification of the reasons for the absence.

University Illness Policy:

Students who are absent from classes or examinations because of illness should contact their professors. If you're unable to attend class due to illness, please email the teacher prior to class meeting time. Please state your name, class, as well as the reason you will not be attending class that day.

The Health and Safety Policy Statement:

This course will adhere to the School of Art and Art History's Health and Safety Policy which will be reviewed in class. All students are required to sign and submit to the office the SAAH Health and Safety Student Signature page. You may find the handbook and signature page in the file section on Canvas.

Appendix G: Health & Safety Area Specific Information: Ceramics

1. Hazards of the Materials

Ceramic Dust is a potential irritant and prolonged exposure may result in chronic conditions. Many substances in the glaze room are marked as toxic or hazardous materials. Ingestion and inhalation of these materials could be hazardous or fatal.

2. Best Practices

Use gloves to avoid exposure to hazardous materials.

3. Links for Safety

<http://www.lagunaclay.com/msds/>

4. Area Rules

All users of the studio classrooms are expected to follow studio area rules at all times. If you have any questions, ask your instructor.

- Follow all SA+AH Health and Safety handbook guidelines (the handbook should be reviewed by your instructor and can be found here: www.arts.ufl.edu/art/healthandsafety)
- Follow the SA+AH Satellite Waste Management Chart in the classroom and other health & safety guidelines posted for your media.
- In case of emergency, call campus police at 392-1111
- File an incident report (forms may be found in the SAAH H&S handbook, the SAAH faculty handbook and in the main office.) Turn completed forms into the SAAH Director of Operations within 48 hours of the event.
- Alcohol is forbidden in studios
- No eating or drinking in the glaze or mixing areas
- Familiarize yourself with the closest eyewash unit
- Shoes must be worn at all times
- It is recommended that Protective equipment be worn at all times: safety glasses when grinding, chipping shelves, etc., protective lenses for kiln viewing, gloves for hot objects, heat-resistant aprons for raku, ear protection for grinding and sawing, rubber gloves for mixing hazardous materials
- Do not block aisles, halls, or doors
- Do not bring children or pets into the studios
- Do not store things on the floor
- Clean up spills immediately
- Scoop up dry materials, mop up liquids, do not spilled materials to original source as they are contaminated now
- Carry heavy or large trash to the dumpster
- Place materials containing barium or chrome in the hazardous waste disposal area
- Do not sweep. This puts hazardous materials in the air. Rather scrape up chunks and wet-clean.
- Report any safety issues IMMEDIATELY to your instructor.
- All courses must engage in an end of the semester clean up.
- Follow the **SA+AH CONTAINER POLICY** (see policy below)

There are 2 types of labels used in the SA+AH-- yellow and white. Both labels are found at the red MSDS box and are supplied by the SA+AH. Each is used for a different purpose.

White:

All new and or used product in containers (hazardous or what might be perceived as hazardous -i.e. watered down gesso, graphite solutions, satellite containers of solvents, powders, spray paints, fixatives, oils, solvents, etc...) must be labeled within the SA+AH to identify their contents. Labels can be found at the MSDS box in each studio and work area. All containers must be marked with your name, contents and date opened. All secondary/satellite containers for hazardous materials must be marked with content, your name and the date opened. All unmarked containers will be disposed of with no notice.

Yellow:

WHEN HAZARDOUS ITEMS ARE DESIGNATED AS WASTE.

All containers must have a yellow label identifying the contents that are designated as trash for weekly EHS pick up.

- Flammable solid containers (red flip top) must have a yellow hazardous waste label on the outside (top).
- 5 gallon jugs must have a yellow hazardous waste label on the outside.
- Fibrous containers must have a yellow hazardous waste label on the outside (top).
- Each item in the blue bin must have a yellow hazardous waste label.

Note: Hazardous Waste labels should include all constituents in the waste mixture as well as an approximate percentage of the total for that item and must add up to 100%.

Labels should also include the Bldg and room number of the shop generating the waste along with the Waste Manager for your area, this is located on the SWMA sign posted at the sink or at the Waste Management Area.

Respiratory Protection

University of Florida Environmental Health and Safety (EH&S) has determined that the use of respiratory protection is not required for projects and activities typically performed in the School of Art + Art History. It is against the School of Art + Art History policy for any instructor to require students to wear respiratory protection however, you may recommend it, and you may voluntarily choose to wear respiratory protection: either an N95 filtering face piece, commonly known as a dust mask, or a tight fitting half or full-face respirator. Any user who chooses to wear such respiratory protection is therefore said to be a voluntary user.

Environmental Health and Safety follows or exceeds OSHA 29CFR1910.132-137 standards for Personal Protective Equipment. Any voluntary user: student, faculty, or staff is required to follow all Environmental Health and Safety policy which can be found at: <http://www.ehs.ufl.edu/General/resppol.pdf>.

For simplicity, the regulations are outlined below. You must follow each step in order:

1. I want to wear an N95 dust mask.

- a. Complete "Request for Respirator Use" form (<http://www.ehs.ufl.edu/OCCMED/respreq.pdf>).
- b. Complete "Medical History Questionnaire for N95 Filtering Face piece Respirators" form (<http://www.ehs.ufl.edu/OCCMED/N95.pdf>) and "UF Voluntary Use Respirator Supplementary Information Memo"
- c. Include Payment: There is a \$5 charge for the review and processing of this form.

2. I want to wear a tight fitting respirator

- a. complete the "Request for Respirator Use" form (<http://www.ehs.ufl.edu/OCCMED/respreq.pdf>).
- b. Complete the "Initial Medical Questionnaire for Respirator Use" (<http://www.ehs.ufl.edu/OCCMED/initial.pdf>) and "UF Voluntary Use Respirator Supplementary Information Memo"
- c. Include Payment: i. There is a charge for the review and processing of this form.

2. Undergraduates must make payment in person. Go to:

Health Science Center
Dental tower, second floor Room D2-49
On the corner of Archer Road and center drive
West entrance

- d. Call SHCC OCCMED at 352.392.0627 to make appointment for Pulmonary Function Test (PFT.)
- e. You must now see Bill Burton for fit testing. Call Bill Burton (in EH&S) 352.392.3393 to make an appointment for fit testing.
- f. Contact SHCC OCCMED at 352.392.0627 with questions.

Lockers: Sign up for a locker to be used as storage for tools and clay. The list will be given to you to sign up during the first class meeting. Lockers must be cleaned out and locks removed by the end of finals or the contents

will be considered abandoned. However, if you are returning please note this on the locker door and your belongings will not be disturbed.

Studio Courtesy: Please leave the studio clean regardless of the condition you find it in – it is expected that you leave it clean for the next person. Remember to place all work in progress on the storage shelves. Leave the work tables clear and clean. This is a shared studio and we all need to work together to keep it a clean, safe, and productive environment.

Academic Honesty: As a result of completing the registration form at the University of Florida, every student has signed the following statement: "I understand that the University of Florida expects its students to be honest in all of their academic endeavors and understand that my failure to comply with this commitment may result in disciplinary action up to and including expulsion from the University. Detailed academic honesty guidelines may be found at <http://www.dso.ufl.edu/studentguide/studentrights.php> Cheating and illegal use of copyrighted material is not tolerated.

Accommodations for Students with Disabilities: Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this document to the instructor. The instructor will make appropriate accommodations for any student with a disability. The Dean of Students Office can be contacted at: 352-392-1261. Information is also available on their website, at <http://www.dso.ufl.edu/drp>. Please speak with the instructor about any concerns.

Other Guidelines: The instructor, the School of Art and Art History, and the Ceramics Department are not responsible for student work left in workspaces, installation spaces, the critique space, the shops, or the classrooms. Projects/materials are not to be stored in the group working space. **Each student is responsible for ensuring that his/her projects and materials are safely stored, displayed, installed, and removed from the classroom and critique space. Projects must be set up and removed from the critique space at the times and spaces designated for each project.** Students must check their school email accounts regularly. Students are responsible for any information, deadlines, and updates emailed to their webmail accounts.

Students should check with the instructor or another student outside of class time when they miss a class (prior to missing the class if possible), as in- and out-of-class exercises are spontaneously assigned. Students should bring a doctor's note for any class from which they expect to be excused. Please address any concerns, problems, and questions regarding this class to the instructor as they arise. Outside class, the instructor is available during office hours, by making an appointment for another time, or through email. Students can expect a response to email within 24 hours. Always be open-minded when considering new ideas and constructive criticism. Critique ideas; not people. It is disrespectful to your instructor and classmates to enter into side conversations during presentations or critiques.

School of Art and Art History Policies Regarding Behavior in Lectures, Classrooms, Studios & Other Instructional Spaces

"Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation."

Student Conduct Code; Violations, Penalties and Procedures for Adjudication. <http://www.aa.ufl.edu/aa/Rules/4016.htm>

Philosophy

The University of Florida is an institution which encourages the intellectual and personal growth of its students as scholars and citizens. As an educational institution, the University recognizes that the transmission of knowledge, the pursuit of truth, and the development of individuals requires the free exchange of ideas, self-expression, and the challenging of beliefs and customs.

In order to maintain an environment where these goals can be achieved safely and equitably, the University promotes civility, respect and integrity among all members of the community. As stated in the Standard of Ethical Conduct, students are expected to exhibit high standards of behavior and concern for others.

Academic Honesty

As a result of completing the registration form at the University of Florida, every student has signed the following statement: " I understand that the University of Florida expects its students to be honest in all of their academic endeavors and understand that my failure to comply with this commitment may result in disciplinary action to and including expulsion from the University.

Detailed Academic Honesty Guidelines may be found at
<http://www.aa.ufl.edu/aa/Rules/4017.htm>

Disruptive Behavior

Faculty, students, Administrative and Professional staff members, and other employees [hereinafter referred to as "member(s)" of the University], who intentionally act to impair, interfere with, or obstruct the mission, purposes, order, operations, processes, and functions of the University shall be subject to appropriate disciplinary action by University authorities for misconduct, as set forth in the applicable rules of the Board of Regents and the University and state law governing such actions. A detailed list of disruptive conduct may be found at <http://www.aa.ufl.edu/aa/Rules/1008.htm> Be advised that you can and will be dismissed from class if you engage in disruptive behavior.

Counseling Services

Resources are available on campus for students having personal problems or lacking clear career and academic goals which interfere with their academic performance. The Counseling Center provides counseling and consultation services to currently enrolled undergraduate and graduate students and their spouses/partners. The Center offers brief counseling and therapy to help students confront personal, academic, and career concerns. The primary goal of counseling is to help students develop the personal awareness and skills necessary to overcome problems and to grow and develop in ways that will allow them to take advantage of the educational opportunities at the university. Counseling Center Web site:
<http://www.counsel.ufl.edu>

1. University Counseling Center, 301 Peabody Hall, 392-1575, personal counseling.
2. Student Mental Health, Student Health Care Center, 392-1171, personal counseling.
3. Sexual Assault Recovery Services (SARS), Student Health Care Center, 392-1161, sexual assault counseling.
4. Career Resource Center, Reitz Union, 392-1601, career development assistance and counseling.

Academic Calendar Information

<https://catalog.ufl.edu/ugrad/current/Pages/calendar1617.pdf>

Calendar dates (below) are subject to change. We have a visiting artist arriving in February. For the visiting artist ATTENDANCE IS REQUIRED TO DEMONSTRATION DURING CLASS as well as attendance to the evening lecture. If you cannot attend due to a job or another class that meets at night, you must write a paragraph on his work or gallery by researching on-line.

Tentative Course Calendar

Date	Activity	Homework- due by next class
WEEK 1 Mon – Aug. 21	Intro: to the course & syllabus review. Intro Project 1: Form: Weight & Balance Demo: Pinch, coil, slab building	Review Syllabus <i>Buy clay, tools, sketchbook.</i> Read Chapter 7 in Launching the Imagination – Be prepared to participate in a discussion of this chapter – bring notes to class on Aug. 23 <i>Project Proposal for Project 1 due Monday</i>
Wed – Aug. 23	NEED: tools and clay! Facility tour and required safety presentation with teaching lab specialist Derek Reeverts. Students make test tiles during class to be bisque-fired over the weekend. Chapter 7 Discussion of materials presented in Chapter 7	Read Chapter 4 in The Ceramics Bible Study for quiz on Monday Aug. 28
WEEK 2 Mon – Aug. 28	Quiz <i>unload test tiles from bisque</i> Work Day: Project 1 Discuss projects/ Individual meetings	Read Chapter 8 in Launching the Imagination – Group Review on Aug. 23
Wed – Aug. 30	Chapter 8 Review Work Day: Project 1 Demo: Slip/Sig	Greenware deadline for Project 1 beginning of class September 6.
WEEK 3 Mon – Sept. 4	Labor Day No Class	Greenware deadline for Project 1 beginning of class September 6. All wet work must be completed before class begins on Wednesday.
Wed – Sept. 6	Project 1 Greenware Deadline Intro Project 2: Minimalism: Connection and Multiplicity Demo: extruder, hollowing & soft slab techniques	<i>Project Proposal Project 2 due Wednesday</i>
WEEK 4 Mon – Sept. 11	DEMO: GLAZING TEST TILES Approve sketches for Project 2 Load bisque kiln P1 Work Day: Project 2	Read Chapter 9 in Launching the Imagination Glaze test tiles due Wednesday, September 13

Wed – Sept. 13	Review Chapter 9 Work Day: Project 2 Load test tiles in glaze kiln Unload bisque Kiln P1	Glaze project 1 due to be fired end of class Monday
WEEK 5 Mon – Sept. 18	Work Day: Project 2 & Glaze P1 Demo: Glazing Review	<i>Glaze project 1 due to be fired end of class today</i>
Wed – Sept. 20	Work Day: Project 2	
WEEK 6 Mon – Sept. 25	Work Day: Project 2 Load Glaze Kiln P1	Greenware deadline P2 end of class Wednesday
Wed – Sept. 27	Work Day: Project 2 Unload glaze kiln p1 Greenware deadline P2 end of class Visiting Chandra DeBuse ATTEND DEMO in class 3-4:30	Prepare for critique P1 – Review list of terms given to you in class to use during crit REQUIRED: Chandra DeBuse lecture @ 6pm – Location TBA
WEEK 7 Mon – Oct. 2	Critique Project 1 (vocab focus) Load Bisque Kiln P2class	
Wed – Oct. 4	Intro Project 3: Shelter: Internal Volume and External Form Work Day: Glaze Project 2 Unload Bisque Kiln P2	Project 3 proposals due Monday
WEEK 8 Mon – Oct. 9	Approve Project 3 Proposals Complete glaze for P2 Load Glaze P2 at 2:00	Students Required to participate in ART BASH Friday, February 24
Wed – Oct. 11	Unload P2 glaze: Review Glaze projects. Practice assemblage of multiples in class. Work Day: P2	Prepare for critique P2 - Review list of terms given to you in class to use during crit (you will be writing comments) Complete assemblages of P3 for Crit.
WEEK 9 Mon – Oct. 16	Critique Project 2 Work Day: Project 3	Progress critique for P3 Wednesday
Wed – Oct. 18	Progress Critique and Work Day: Project 3 Intro Project 4: Teapots: Pouring Vessels Greenware deadline P3 by Friday	Project 4 proposals due Monday

WEEK 10 Mon – Oct. 23	Work day: Project 4 Load bisque kiln P3 Approve sketches for Project 4 Demo: Vessel glazing Glaze tests (8) due by end of class.	
Wed – Oct. 25	Work Day: Project 4 & Glaze Project 3 Unload bisque kiln P3 Demo: Vessels. Spouts, lids, and handles	<i>Work on Project 4 Glaze Project 3</i>
WEEK 11 Mon – Oct. 30	Work Day: Project 4 & Glaze Project 3 Load glaze kiln P3	
Wed – Nov. 1	Unload glaze kiln P3	Prepare Critique Project 3
WEEK 12 Mon – Nov. 6	Work Day: Project 4 Critique Project 3 Work Day: Project 4	
Wed – Nov. 8	Work Day: Project 4 LAST DAY FOR WET CLAY: November 15.	<i>Bisque will be loaded on Wednesday, no exceptions!</i> LAST DAY FOR WET CLAY: November 15.
WEEK 13 Mon – Nov. 13	Greenware deadline Project 4 due by the beginning of class Wednesday 11/15. Work Day: Project 4	<i>Bisque will be loaded on Wednesday 11/15, no exceptions!</i> LAST DAY FOR WET CLAY: November 15.
Wed – Nov. 15	Review Discussion of ceramic terms for upcoming quiz Load Bisque Kiln P4 Clean shelves and lockers.	
WEEK 14 Mon – Nov. 20	Work Day: Glaze P4 Unload Bisque Kiln P4	
Wed – Nov. 22	No Class Thanksgiving	
WEEK 15 Mon – Nov. 27	Work Day: Glaze P4 Vocabulary Quiz – Ceramic terms Load Glaze Kiln P4	
Wed – Nov. 29	Unload Glaze Kiln P4 Clean your shelves and space Cold finish P4	Final cold finishing of P4 pieces
WEEK 16 Mon – Dec. 4	MANDATORY CLASS AND STUDIO CLEAN-UP	<i>Remember Potluck for critique!</i>
Wed – Dec. 6	Critique/Potluck Project 4	Make sure your shelves are cleared off and wiped.

COURSE SYLLABUS ACKNOWLEDGEMENT

Course	ART2757C: Ceramics: 3D Concepts
Location	FAC B14
Instructor	Carin Sankus
Office	FAC B12
Email	c.sankus@ufl.edu
Office Hours	Monday 2:00-3:00

By signing this form and continuing participation in this course, you acknowledge that you have read and understand these policies. In addition, you agree that you have read and understand this syllabus, attendance, and grading policies. You are aware of the Guidelines for use of the University facilities and grounds for making and exhibiting design (a copy of these guidelines is posted in the School of Art + Art History Office.)
