COURSE DESCRIPTION
This course emphasizes design processes, methodologies, and communication theories in order to foster the relationship between content and meaning. Students will learn the fundamental processes that explore complex problems in art and design. This course will also teach fundamental principles of design and its application.

COURSE OBJECTIVES
• Effectively manipulate the elements and principles of two-dimensional design
• Develop inventive concepts using various problem-solving strategies
• Research an idea and develop an extended series of related images
• Create strong compositions and craft
• Speak and write critically about personal and peer artworks and propose alternatives

COURSE TOPICS
Visual Analysis
Brainstorming
Symbol conceptualization
Compositional dynamics
Project development
Research

Convergent and divergent thinking
Craft
Critical thinking
Collaboration
Idea maps

RECOMMENDED TEXTS
There are no required texts, however, the following are recommended for successful completion of this course:
• Graphic Design: The New Basics by Ellen Lupton and Jennifer Cole Phillips
• A Design Manual by Shirl Brainard

We will use the UF e-Learning site, Canvas, to access other course materials. I will also provide resources—websites, articles and scanned book chapters—as PDF documents.

REQUIRED MATERIALS
Blank notebook (no smaller than 5x7)
18 inch or longer metal ruler
Drawing pencils (a variety such as HB, 2B, 6B)
Micro pigment ink pen (0.8, 0.5, 0.1)
Black sharpie markers (at least one ultra fine and one thick)
Scissors / other cutting tools
X-Acto knife and #11 blades
Self-healing cutting mat, 9x12 or larger
Drafting tape
Adhesive spray
Black Crescent board for mounting (as needed)
Adobe Suite

Note: Additional items may be needed throughout the semester
**PROCESS BOOK**

This is a collection of your progress both in and out of class. You are encouraged to record anything that takes part of your creative process in your notebook. These entries can include sketches, photographs, inspirations, designers, thoughts, ideas, maps, and much more. This notebook will help you build ideas, improve your concepts, or revisit past ideas. I will be checking it to help observe your process and concepts. Please make sure to have a separate sketch book for this class, as I will be collecting them after each project as a part of your project grades.

**STRUCTURE & ASSIGNMENTS**

The majority of class time will be spent working activities including lectures, exercises, brainstorming, presentations, critiques, and time to work on projects. There will be several class exercises and 4 projects for this course which will reflect the concepts covered in previous lectures.

**GRADING & EVALUATION**

Your final grade will be based on an overall evaluation of the following:

- Project 1: 20%
- Project 2: 20%
- Project 3: 20%
- Project 4: 20%
- Presentations: 10%
- Participation/Progress: 10%

The project grade will result from: concept/idea(including process notebook), solution, participation, and craft.

Participation means attending the class, bring requested supplies to class, completing out-of-class assignments, contribution of constructive feedback during critiques, actively discussing assigned readings, acting professionally, being punctual, and meeting project deadlines.

There will be no rounding of grades. A 79.5 is a C+ and will not be rounded to a 80 at the end of the semester.

A 100-94 Exceptional or excellent work from process to production. Research is appropriate; process demonstrates design thinking and development of a range of solutions (not just 1–3) that are plausible. Proposal[s] are built on consistently and support an iterative process. Realization is excellent and supports an exceptional concept. You have come to class with new work, are highly engaged in discussions and critiques, and know the materials well. Your final submission is portfolio-ready, with no errors or changes necessary (no typos, craft is excellent).

A- 93-90 Excellent; surpassed all criteria but still room for improvement
The purpose of grading and evaluation is to pinpoint the strengths and weaknesses of your work. To this end, we can only respond to what is observable in your work and in-class performance. Expectations for grades were listed above. Meeting criteria merits a C+, if you want to earn higher you must surpass minimum criteria and expectations for work at your level of study.

UF grading policy:
https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx

Please Note: A grade of C- or below will not count toward major requirements
ATTENDANCE POLICY

Please email me in advance if you know you are going to miss class for any reason.

Attendance will be taken exactly at 8:30 am on Tuesday and Thursday. If you arrive at 8:31 you will be marked late. Late arrivals will be marked tardy, leaving early will also be noted. (Three tardies = one absence) Requirements for class attendance, make-up exams, assignments, and other work in this course are consistent with university policies that can be found at:
https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx

Missing more than six (6) unexcused class meetings, for any reason, will result in an automatic failing grade for the course. A doctor’s note for an illness/emergency, religious holidays, and university sponsored trips will be considered excused absences and will not affect the attendance grade (proper documentation of these events are necessary). Any absences beyond 3 will drop the student’s final participation grade by one letter. If you have a specific event planned that will prevent you from attending class please speak with the instructor ahead of time to discuss missed assignments. If you do miss a class you are required to reach out to other students for material missed.

LATEWORK

A missed class does not constitute an extension of an assignment. Missing critique makes the assignment under critique grade be reviewed for 50% of its original grade. If a student is late to critique, it will result in 1/2 a letter grade deduction from the project grade.

Late work will only be accepted if contact was made with the instructor prior to the due date with an explanation for why the work will be late. If the reason for lateness falls under the excused absence list (illness, death in the family, doctor’s note, religious holiday, and university sponsored trips), there will be no penalty as long as work is completed by the new agreed upon date. If the reason is an unexcused one, work will be lowered one letter grade.

An assignment more than 3 days late will receive an E.
Any assignment not completed by the end of the semester will result in course failure.

Late work will not be accepted if there was no prior contact with the instructor.

CLASS POLICIES

• Cell phones should be silenced at the beginning of class.
• Critique ideas and work, not people.
• Exit quietly if you need to visit the restroom during class – you don’t need to ask.
• Clean up after each class.
• Always contribute constructive criticism during discussions and critiques.
• Do not use spray adhesive in the studios or in the building. There is a professional and safe paint spray booth in FAC-211A for this purpose.
• Alcohol is forbidden.
• Inappropriate behavior in the classroom shall result, minimally, in a request to leave class.
DISRUPTIVE BEHAVIOR
Please be aware that you can and will be dismissed from class if you engage in disruptive behavior. Students who intentionally act to impair, interfere with, or obstruct the mission, purposes, order, operations, processes, and functions of the university shall be subject to appropriate disciplinary action.
The Dean of Students Office http://www.dso.ufl.edu/

HEALTH & SAFETY
This course is following the School of Art + Art History’s Health and Safety Policy. Please check the following link to do so:
http://saahhealthandsafety.weebly.com/handbook.html

Please follow the SA+AH Satellite Waste Management Chart in the classroom and other health & safety guidelines posted for your media. In case of emergency, call campus police at 352-392-1111 or 911.

All students are required to sign and turn in the signature page to the instructor on the first day of class.

ACADEMIC HONESTY POLICY
The university’s policies regarding academic honesty, the honor code, and student conduct related to the honor code will be strictly enforced. Full information regarding these policies is available at www.registrar.ufl.edu and www.dso.ufl.edu.

DISABILITIES
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation.
Students with disabilities should follow this procedure as early as possible in the semester.

COUNSELING & WELLNESS
Resources are available on campus for students who experience personal problems or lack clear career and academic goals, which interfere with their academic performance. Find out more information at http://www.counseling.ufl.edu/cwc/Default.aspx. You can also call the office at 352-392-1575.

SOFTWARE USE
All faculty, staff and students of the university are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against university policies and rules, disciplinary action will be taken as appropriate.

THE INSTRUCTOR RESERVES THE RIGHT TO MAKE CHANGES TO THE COURSE SYLLABUS AND COURSE SCHEDULE TO HELP STUDENTS SUCCEED IN THE COURSE. THE EVENT THAT CHANGES BECOME NECESSARY, STUDENTS WILL RECEIVE AN ADEQUATE NOTIFICATION.
