Make-ups for Exams or Other Work
In order to remain fair to all students enrolled in this course who are held to the same academic standard, makes-ups for any assignment will require written documentation that the student has been excused from school during the time in question. Without this approval we cannot issue a make-up. This includes all requests for permission to grant a make-up or excused absence for personal issues involving family, work, deaths, hardships, marriages, pregnancies, illnesses, financial problems, other exams, etc. We do apologize for this inconvenience; however, this documentation is needed to insure the accuracy of all claims made and to insure all students are held to the same standard.
