Description of the Course

This course addresses various problems and issues associated with student teaching with an emphasis on teaching methods, classroom management and assessment as they arise from actual classroom practice. In addition to attending periodic seminar meetings, students are expected to compile a teaching portfolio that demonstrates accomplishment of the six (6) Florida Educator Accomplished Practices. Coreq: ARE 4940(11 credit)

Purpose and Objectives of the Course

This course is taught in conjunction with ARE 4940 Student Teaching. The practical problems and immediate concerns of the students determine to a large extent the actual topical content of the course. Emphasis is placed on sharing, constructive criticism, and mutual support during the student teaching experience.

In addition to dealing with practical issues and problems associated with student teaching, this course also involves preparation for seeking employment as an art teacher in the public schools. This aspect of the course covers such matters as writing a resume, letter of application, and preparing for the FTCE exam as well as the job interview experience. At the completion of the course, students will be able to:

- Demonstrate the six (6) Educator Accomplished Practices at the pre-professional level as indicated in a personal teaching portfolio.(**FEAPS 1 Instructional Design and Lesson Planning; FEAPS 2 The Learning Environment; FEAPS 3 Instructional Delivery and Facilitation; FEAPS 4 Assessment; FEAPS 5 Continuous Professional Improvement; and FEAPS 6 Professional Responsibility & Ethical Conduct**)
- Reflect on the successes of his/her instructional decisions based on assessments of individual and group performance (**FEAP 4 Assessment**).
- Prepare a letter of application and resume for seeking employment as a public school art teacher (**FEAP 5 Continuous Professional Improvement**).
- Document and assess student work and achievements through written records as well as with photographic and digital devices (**FEAP 1 Instructional Design and Lesson Planning**).
- Reflect on a field experience in teaching through an electronic weekly log/journal (**FEAPS 1-6**)
- Construct a resume, teaching philosophy, and a generic letter of application (**FEAPS 5 Continuous Professional Improvement**)

Schedule for the Course

Students planning to student teach must attend an orientation seminar during the last week of the semester preceding their student teaching semester. Approximately four meetings are scheduled during the student teaching period in which all student teachers return to campus for group seminar. Following student teaching, weekly seminar sessions focus on resume construction, job-seeking strategies, preparation for the FTCE exam, and portfolio construction.

Requirements of the Course

Students enrolled in this course are required to: (1) successfully complete student teaching (ARE 4940); (2) attend all seminar meetings; (3) complete a student-teaching orientation module; (4) keep an electronic log/journal during student teaching, (5) document their students' work and performance through photographic and digital

means; (6) maintain an archive of self-generated lesson plans; (7) construct a resume generic letter of application; and (8) construct a teaching portfolio that demonstrates their accomplishment of the six (6) Florida Educator Accomplished Practices (FEAPs).

See <https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx> for additional information on UF grading policies. **Please Note:** A grade of C- or below will not count toward major requirements.

Students must successfully pass a review of their teaching portfolios to receive a passing grade for the course.

Attendance: Students are responsible for satisfying all academic objectives as defined by the instructor. Absences count from the first class meeting. Attendance is mandatory. Please refer to the UF policy on attendance. <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx#absences>

Assignment Late and make-up policy: Other than medical or personal emergencies, no extensions will be given for class assignments. Work turned in beyond a deadline will lose 10% of its full point value and **MUST** be submitted within one week of deadline for any credit. Students should inform the instructor beforehand, if circumstances prevent work from being turned in on time and reach an agreement in writing for any extensions.

Professionalism: Teacher professionalism contains three essential characteristics; competence, performance, and conduct—all of which directly impact the teacher's effectiveness. You will receive a grade on *professionalism* in this class based on your engagement in class discussions and project work, as well as your demonstrated interest in learning, preparedness each lesson, completion of all class assignments, dependability, consideration of others, and contributions to our learning community.

Professionalism is the expectation to demonstrate behaviors that reflect a commitment to continuous professional abilities and development, ethical practice, and a responsible attitude toward recipients, the profession, and society. It becomes especially critical in the internship context, and it includes respect, compassion, integrity and altruism in relationships with students, colleagues and other stakeholders. Professionalism includes a sensitivity and responsiveness to gender, age, culture, religion, sexual preference, socioeconomic status, and beliefs. With teaching comes responsibility to adhere to principles of confidentiality, scientific/academic integrity, and accountability. Finally, no one has all the answers, so it is important to recognize and identify limitations as well as possibilities in deficiencies in personal and peer performance and assist when possible.

Academic Honesty Policy: Students are expected to abide by the UF Academic Honesty Policy, which defines an academic honesty offense as “the act of lying, cheating, or stealing academic information so that one gains academic advantage.” In the context of this class, this includes properly citing sources for any materials (both printed and online) used in completing course assignments.
