- create sequential lesson plans that integrate music and music skills at a developmentally appropriate level for the identified elementary grade.
- design curriculum based on the Florida standards for music, language arts, science, math, and social studies.

Communications

Students are expected to check their UF email account daily for course announcements. All communication is expected to be professional and courteous. When contacting a professor, TA, or classmate, begin your email with a greeting and sign your name at the conclusion of the message. If you send an email to Dr. Sheridan or one of the TA's during the week (M-F), you can expect a reply within 24 hours (barring any extenuating circumstances). We will reply on weekends as we are able.

Electronic Use Policy

Laptops and tablets may be used for taking notes during class at the discretion of the instructor. Cell phones must be silenced and put away in a pocket or bag. Students found to be using electronics for purposes not related to the class (e.g. checking Instagram or texting) will no longer be permitted to use it during class time.

Attendance

Class attendance is expected and reflective of professional interest and commitment. **For each unexcused absence, a student's course grade will be lowered by five percentage points.** Absences may be excused when accompanied by a doctor's note, in the event of a documented emergency or death in the family, or for other events when arranged in advance with the instructor. **You must notify the instructor of your absence prior to the start of class.** *Extenuating circumstances will be considered on an individual basis.*

Students are expected to be prompt and ready to begin at the designated start time. Attendance will be taken at the beginning of class and those arriving after the start of class will be marked late. **Three late arrivals will equal one unexcused absence.**
