COURSE OBJECTIVES:

Working both individually and communally, we will learn and practice:

- The development and performance of a final composition project. After being adjudicated, some projects will be performed in the Spring Dance Showcase. Class showings will include sectional demonstrations, design, music, and/or other collaborative materials, and scores. Choreographers will practice verbally defining their work in these showings. Rehearsals will be the responsibility of the choreographer, as will all aspects of the final performance including design and production.
- The development of strong choreographic voices that can speak and write about work that is still in development.
- To create an atmosphere open and encouraging for students to tap into their creativity/individuality, to speak / explore with freedom and to take risks.
- To recognize the limitless potential that dance making has as a life-enriching form.
- Develop analytical and critical perception and skills in choreographic processes.
- Identify aesthetics issues in choreographic process and repertory and in various genres of art making.

DRESS POLICY:

Attire in class should be neat, clean and allow for clear execution and observation of alignment and movement. Hair should be secured to allow for full and vigorous moving. Please do not wear watches or jewelry that might be harmful or inhibit movement.

COURSE POLICIES:

ATTENDANCE:

Dance Technique Class Attendance Guide:

- Mindful participation in each class meeting is the only way to meet the objectives of this course.
- Attendance, which is mandatory, means that when you enter the classroom, you are present, alert, and contributing to the progress of the class every second.
- If you are not present when attendance is taken or class begins you are marked absent.
- In the case of extended health issues, refer to the Injury and Illness Policy in the SoTD 2014-15 Handbook (SoTD website) and included in this syllabus.

Dance Technique Class Absence Policy

- Five (5) or more absences (excused or unexcused) result in automatic failure.
- All undocumented absences are unexcused: each unexcused absence = 5 point deduction. Excused absences may include those related to illness/injury which are documented by a medical professional. Events related to family emergencies or professional obligations should be discussed with your instructor. (See Make-up Policy for more information on excused absences.)
- For your safety and the focus of the class, you may not join class if it has already started. You are late and counted absent; with instructor permission, you may observe.
- If you should leave class early, 3 points are deducted from your grade.
- If unable to dance but still attend, with instructor permission, you may 'actively' observe for full class credit, onetime. You will complete an assignment as assigned by the instructor due at the end of class.
- UF approved religious days are excused and do not need to be made-up. (Travel time not included.) You are responsible for material covered during your absence.
- A MEDICAL WITHDRAWAL will not be supported without approved documentation. An Incomplete is only considered by UF Dance in extreme cases and is not available in technique classes.

MAKE-UP POLICY:

Dance Technique Class – Makeup Policy

- You are responsible for all material covered during any absence
- There are no makeup options for unexcused absences
- Absences from Written Exams, Quizzes, Mid-Terms, and/or Finals may only be made up with approved documentation
- To earn credit (amount of credit determined by the instructor) for an excused absence you must do two things:
 - 1) Immediately after your return to class, turn in approved/legal documentation to instructor. If you need the original documentation, the instructor will accept copies.
 - 2) Make-up the class with an approved assignment submitted on the required date. If the assignment is to attend another class as a make-up, it must be the same technical level, or lower; student must request permission of that instructor.

In the UF Dance Program, three unexcused absences will reduce your grade one-letter grade (i.e., from B to C). Each subsequent unexcused absence lowers your grade by half letter grade (i.e., from C to C-). After five

unexcused absences the student may not return to class and result in automatic failure of the course. A student with medical documentation may apply to UF for Medical Withdrawal.

General Information

Student Injury and Illness Policy:

The Dance Area of SoTD believes that dance student's physical and mental well-being is paramount to success in all arenas of their dance training, from class to the stage. In the case of injury, fostering a productive and holistic response insures a speedy and effective recovery.

If the dance student becomes ill or injured to the degree that they cannot attend and participate in dance classes, SoTD sponsored rehearsals, or performances, the 5 steps of the dance student injury and illness policy are to be followed:

1. The student is required to see a health care professional immediately.
2. If the illness or injury prevents the student from participation in dance class, rehearsal, or performance, the student is to request documentation from the health care professional that explicitly projects the duration of the injury, and/or the amount and type of activity recommended for the welfare of the student.

3. Following the appointment with the health care professional, the student is required to bring medical recommendations and related documentation to the attention of his or her instructor(s), choreographer(s), or director(s) as the basis for discussion.
4. Unless otherwise medically advised, the student is prohibited from active participation in all related UF dance activities, classes, events, performances, etc. The student may not personally select one activity as having a higher priority over another. The student is not to dance in any events, activities, performances or rehearsals if the student is not in dance class. If the infirmity culminates in a medical withdrawal, this is also a withdrawal from all performance related activities.
5. The student is never allowed to sacrifice classroom participation for the demands of a performance. The student will not be allowed to participate in a performance if they miss dance class due to an injury. The student is expected to follow the student injury and illness policy even if performances take place beyond the scope of SoTD, as with another UF, professional, or community performing group, etc.

If involved in a SoTD produced production (with or without credit), there is required attendance at the production's Strike (as stated in the current SoTD Production Handbook):

Strike

- Strike is the restoring of the stage to its original condition. This mainly consists of the breakdown of technical components of the production.
- Strike typically takes place immediately following the final performance of the production.
- Strike is run by the Technical Director or Scenic Studio Supervisor.
- Safety is of the utmost importance! Proper footwear and clothing must be worn. Additional Safety Equipment may be required depending on the task.
- The Strike requires the presence of all undergraduate performers involved in the show and crew, Props Master, Master Electrician, and Technical Director or Scenic Studio Supervisor.
- Only the Technical Director, Master Electrician and Costume Supervisor can release anyone from Strike.
- Additionally, all cast members and crew must sign out with the Stage Manager.
- All undergraduate students involved in the production are REQUIRED to attend.
- Graduate Actors are released after 1 hour of participation at Strike due to their GTA responsibilities. Grad Actors must sign out with the Stage Manager before leaving.
- Only the Technical Director may approve an absence from Strike. Under extenuating circumstances may a student be "excused" from or permitted to leave early from Strike. If the student is "excused" from a REQUIRED strike or leaves early from Strike, the Strike must be "made up" by one of the 3 following options:
 - The student must participate in two Strikes within the current academic semester.
 - or--
 - The student must participate in one strike and serve 6 hours in the shop within the current academic semester.

--or--

- The student must serve 12 hours in the shop within the current academic semester.
- If a student does not adhere to the above penalties for missing Strike or leaving early from Strike, or if the student misses or leaves Strike early without approval of the Technical Director the student will be:
 - Ineligible for Theatre and Dance Scholarships.
 - Ineligible to be cast in School of Theatre and Dance productions for the upcoming semester.
 - Ineligible to register for classes.
 - If enrolled in any section of P&P the student's grade will be lowered.
 - If enrolled in Senior Project the student's grade will be lowered.
 - If enrolled in Dancers for Choreographers or Dance Ensemble the student's grade will be lowered.
 - If enrolled in West African Dance or World Dance (Agbedidi) the student's grade will be lowered.

Please Note: Our work in the studios is designed to be challenging; physically, intellectually, and emotionally. Dance classes often involve touching. Physical contact may range from simple touch, to correcting alignment and/or relaxation massage. Students may also be asked to experiment with exercises that involve weight exchange. If you have a related medical consideration or touch makes you uncomfortable, it is your responsibility to notify the instructor at the start of the semester.
