COURSE DESCRIPTION
MUN1110 or MUN 3113 is a performance based course designed to improve individual marching and playing skills, to develop sight-reading skills, to improve the individual’s grasp of the essential elements of music and to assist the student in the personal and professional growth and development necessary for successful post-baccalaureate life. Additionally, this course will provide weekly live performance opportunities. It is the focus of this course to make these performances represent the highest level of artistic and aesthetic experience. Further, it is the goal of the Gator Band to provide entertaining halftime shows, and to provide energy and spirit at all events at which the Gator Band performs. Due to the highly visible nature of these performances, active participation in all rehearsals and performances is mandatory to the success of the ensemble. Any Non-Degree students must be able to produce evidence of current registration status from their primary college upon demand. Failure to do so will result in immediately removal from all activities at UF.

PREREQUISITES: Successful Audition and Permission of Instructor

ATTENDANCE AND GRADING
Prompt and regular attendance is required at all rehearsals and performances. Any class conflicts must be cleared with the director prior to the start of classes. The determination of unexcused absence will be made at the discretion of the director.

Absences/Late Arrival/Early Departure
- Attendance at rehearsal: to be considered present and participating in rehearsal a student MUST have lyre, flip folder, music being rehearsed, pencil, gloves (brass), valve oil/reeds/sticks/mallets/equipment, appropriate attire (tennis shoes/socks, shirts at all times - 'tank' tops are acceptable), and be actively engaged.
- A tardy is defined as not being in your spot when rehearsal begins (4:05 p.m. for regular rehearsals). Members who arrive more than 15 minutes late to a rehearsal or leave early from a rehearsal will be considered absent. Members who are more than 5 minutes late to a game day rehearsal may be considered absent and may have their performance assignment changed. Members who arrive late to two (2) consecutive game day rehearsals may lose the privilege of being in the Gator Band.
- Two instances of being late equal one absence.
- The attendance list for the previous week can be viewed by contacting the Teaching Assistant assigned to attendance.
- An unexcused absence from a performance will result in the lowering of the member’s grade and removal from the performance block for the next and/or subsequent performances, depending on the schedule.
- If you are absent from 1 rehearsal during a one-week show, or 2 rehearsals during a two-week show, you may be removed from the performance block.
- Students may not be allowed to attend performances if they have unexcused absences from two rehearsals in one week and/or lose their position for two consecutive performance blocks.
- If extenuating circumstances affect your attendance, you must meet with a director within one week of your absence.

**Class/Examination/Professional Conflicts**
- University classes/examinations that conflict with rehearsals or performances must be reported at least two weeks prior to the class/examination using a Class Conflict Form, which may be obtained from Sakai. Complete the entire form, staple a copy of the class syllabus to the form, and place it in the “Class Conflict Forms” box in the Band Office. While it is not our policy to penalize a student’s grade for attending a class/examination, it may be necessary to replace him/her in that week’s performance block.

**Rain Policy for Rehearsal**
- Any changes to normal rehearsal schedule will be relayed via the Gator Band's "Twitter" account at @GatorBandInfo.

**Post-season Rehearsals and Performances**
- Participation in associated rehearsals and performances for Conference Championships and Bowl Games is a **requirement** in order to receive credit for this course.

**Pep Band/Volunteer Events**
- Each Gator Band Member must participate in **at least two** volunteer events during the Fall semester in order to earn an "A." Pep Band/Volunteer events will be announced and assigned as they become available.
  - Examples of Volunteer Events: Quarterback Club Pep Rallies, GatorWalk, Cystic Fibrosis Fundraiser, etc.

**Grading Procedure**
- 3 unexcused rehearsal absences/partial attendance = maximum semester grade of B
- 4 unexcused rehearsal absences/partial attendance = maximum semester grade of C
- 5 unexcused rehearsal absences/partial attendance = maximum semester grade of D
POLICY ON HAZING

The following is excerpted directly from the University of Florida Student Code of Conduct:

(1) Hazing Policy — Actions or statements which by design or intent amount to intimidation or hazing are prohibited, and shall be prevented and adjudicated by the University whenever possible.

(2) Definition of Hazing — In accordance with Section 1006.63, F.S., "hazing" means any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the university. Under the statute, “hazing” includes, but is not limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or other forced physical activity which could adversely affect the physical health or safety of the student, and any activity which would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the student. Any activity as described above upon which the initiation or admission into or affiliation with a university organization is directly or indirectly conditioned shall be presumed to be "forced" activity, the willingness of an individual to participate in such activity notwithstanding.

(3) Procedures for Implementation — Any person having knowledge of any activity or statement which may constitute hazing should contact the University office or agency with jurisdiction over the students or organization involved. Such office or agency shall take appropriate University action as necessary to enforce the prohibition. Actions shall be conducted pursuant to the Student Conduct Code, Rules 6C1-4.013 through 6C1-4.026, F.A.C. Penalties for violations of the prohibition shall be administered by the Vice President for Student Affairs through the appropriate University office or agency.

(4) Penalties — Under Section 1006.63, F.S., the University is authorized to impose the penalties described below for violation of the prohibition, regardless of whether the violation occurred on or off campus, and such penalties shall be in addition to any other penalty to which the student may be subject for violations of the criminal laws of Florida or any other applicable University rule.

(a) Penalties for individuals subject to University jurisdiction found guilty of hazing violations include the imposition of fines, the withholding of diplomas or transcripts pending compliance with the rules or pending payment of fines, and the imposition of reprimand, probation, suspension, or dismissal.

(b) Organizations subject to University jurisdiction which authorize hazing in blatant disregard of these rules may be penalized by revocation of permission for the organization to be registered, to meet on campus and to use campus facilities, and, in the case of fraternities and sororities, the right to exist at the University of Florida.

(5) Copies of this policy, and rules concerning violations, penalties, and process for enforcement will be distributed to students enrolled in the University, and shall be incorporated in the bylaws of every organization operating under the sanction of the University.
CODE OF CONDUCT

The Gator Band is one of the most important goodwill ambassadors for the University, and is one of the most respected and visible performing groups on campus. Membership in the Gator Band is a privilege and must not be abused. The following guidelines are designed to establish a code of conduct for all members of the Gator Band. Violation of this code may result in the loss of privilege of membership in the Gator Band. **It is neither the intent nor the purpose of this code to list every possible rule infringement. It is assumed that members of the Gator Band are responsible adults, and will be treated as such.**

1. University Rules of Conduct are in effect at all times during rehearsal, performance and travel by the Gator Band. The University Student Conduct Code can be found at [www.dso.ufl.edu/studentguide/studentconductcode.php](http://www.dso.ufl.edu/studentguide/studentconductcode.php).

2. Consumption of alcohol and/or drug use is expressly prohibited during all Gator Band rehearsal, travel and performance. Smoking or drinking in uniform is prohibited. Evidence of drug or alcohol use may result in automatic suspension from band activities, possible dismissal from the band, and a failing grade. Any evidence of drug or alcohol use may result in automatic referral to the Dean of Students.

3. Band members should remain in full uniform at all times unless otherwise directed. Alternate uniforms may be designated on specific occasions.

4. Individual playing in the halls, on the way to rehearsal or outside busses is not permitted. Instruments should only be played in the band hall, practice rooms, or designated rehearsal sites.

5. When in the stadium, please observe the following guidelines:
   - Remain in assigned stadium seating until instructed to move by directors or drum major(s).
   - Be alert for time outs and other performance opportunities. Our function in the stands is to support our team. ALL should play, and play well. Careless playing and/or ad-libbing in the stands is unacceptable, and may result in change in performance assignment.
   - Directors reserve the right to limit cell phone usage while in uniform.
   - Cheer WITH the cheerleaders and percussion section. Maintain a high level of support always.
   - Breaks for rest rooms are permissible under the following conditions:
     - Members never leave the stands alone.
     - Leave your shako and instrument with a fellow section member.
   - Remember that we represent the University at all times. Negative comments are not representative of the behavior that is expected from Gator Band members.
   - If we restrict the view of other fans by standing, you may be instructed to remain seated.
6. **Represent your band with pride.** It is your responsibility to maintain our tradition of excellence, and your responsibility to represent the Gator Band and the University of Florida with the highest possible individual standards. **This includes a refrain from posting any electronic images or comments that could be deemed offensive to any other member of the Gator Band, staff, directors, or University of Florida administrators.** Individuals who violate the Code of Conduct may be removed from the performance block or dismissed from the band.

**POLICY ON SEXUAL HARASSMENT AND SEXUAL MISCONDUCT**

It is the policy of the University of Florida to provide an educational and working environment for its students, faculty, and staff that is free from sexual harassment and sexual misconduct. Sexual harassment and sexual misconduct in any form will not be tolerated, and individuals who engage in such conduct will be subject to disciplinary action. The University encourages students, faculty, staff, and visitors to promptly report sexual harassment or sexual misconduct. For more specific information, please see www.aa.ufl.edu/aa/affact/harass and the General Information section of the University Catalog.

**FOR STUDENTS WITH DISABILITIES**

The University of Florida provides upon request appropriate academic accommodations for qualified students with disabilities. For more information, contact the Office of the Dean of Students at 392-1261 ext. 214.

**EQUIPMENT**

**Instrument Issue**

The University of Florida provides instruments to members of the Gator Band in several sections. Instruments are issued by contract at the beginning of each semester and are checked in at the conclusion of each semester. Students must be officially enrolled in marching band for an instrument to be issued. Failure to check in an instrument by the designated date will result in a hold being placed on the student’s academic record.

**Note:** This year, instrument check-out will be handled by Mr. Bajorek. His office is located in the Steinbrenner Band Hall.

**Instrument Repair**

Instruments owned by the University of Florida are repaired on an annual schedule in an effort to keep up with normal wear and use. Problems with university owned instruments should be reported in writing to Mr. Bajorek during office hours so that repairs can be made in a timely fashion. Whenever possible, a replacement instrument will be issued during the repair period.

Damage to instruments caused by misuse, abuse, or neglect will be the responsibility of the student to whom the instrument is issued.

**Each brass player must have synthetic valve oil and gloves at all functions.**
**ALTERNATES/CHALLENGES**
The University of Florida Gator Band will use the following guidelines as a basis for alternates/challenges throughout the 2014 marching season.

**Alternates**
The Gator Band alternate system exists to ensure that there are no holes in rehearsals and performances, while providing an opportunity for all members to develop their performance abilities. Additionally, the alternate system allows for the flexibility of students academic schedules and family responsibilities (i.e. funerals/weddings).

- Alternates will be designated according to music audition scores on the first day of band camp, marching evaluations on the second day of band camp, and attendance during camp.
- In most cases, each section will have at least one alternate to serve as a substitute performer during rehearsals.
- When a member is not present, an alternate should begin learning that spot. In the event of an excused absence, the directors' discretion will be used in deciding who continues in that spot.
- The responsibility of an alternate is significant because he/she must be able to perform the show whenever and wherever a vacancy occurs. Alternates will actively participate in all rehearsals and in all game related activities except for the actual field performance.
- **ANY STUDENT MISSING ANY PORTION OF BAND CAMP MAY BE DESIGNATED AN ALTERNATE FOR PREGAME AND THE FIRST SERIES OF PERFORMANCES.**
- Alternates should "shadow" section leaders first, then others as assigned by section leaders.

**Challenge Criteria/Selection Process**

- All alternates will participate in challenges. Failure to do so may result in change in performance assignment.
- Selected members of the performance block will participate in each challenge. Staff members will make selections with input from section leaders.
- Section leader input in the selection process will be in the form of a written evaluation submitted to the staff at the conclusion of the Friday rehearsal, 1 week prior to a challenge date.
- The Directors and Teaching Assistants will make final challenge participant selections based on the section leader evaluations, along with any additional staff input deemed necessary.
- Members will be selected for challenges based on four primary criteria:
  - Marching fundamentals
  - Playing fundamentals
  - Attendance
  - Attitude
- When someone loses a marching spot:
  - They move to the bottom of the alternate list of their instrument.
  - Alternate order will be determined by audition score, attitude, and attendance.
  - The next person on that instrument will go in their spot.
  - If there is no member on that instrument available, a person of like instrument will go in. (low brass, upper brass, sax, pic/cl)

**Challenge List**
- The Challenge List will be distributed to the Section Leaders on the Tuesday prior to the challenges.

**Challenge Material**
- Challenges will consist of:
  - 32 counts of FM (8 to 5) or Box Drill, while playing a section of the music from the current show, which will be announced with the challenge posting.

**POSSIBLE CHALLENGE DATES**
- Possible alternate challenge dates are listed in the calendar and will be held at the discretion of the Directors.
  - September 11
  - October 9
  - October 30

**Challenge Results**
- Results will be sent to Section Leaders and those students who participated in the Challenge prior to the Monday rehearsal following the challenges.
- If someone is marching in a spot in a different section and a spot opens up in their section, that person has the option of taking the spot in his/her section. In this case, the vacated spot goes first to someone on the instrument of that section, and then opens to like instruments.
- When someone is not in a spot because of a pre-approved performance absence:
  - The alternate marches that spot, and will regain their original spot on the alternate list order when the original member returns.

Any challenge/alternate scenario not covered in these rules will be decided upon by the Directors with input from the staff and section leaders.
PUBLIC APPEARANCES AND TRAVEL

UNIFORM POLICY

1. The University of Florida Gator Band maintains an exacting style of uniform wear. Members are required to wear the complete uniform while in public. Unless specifically instructed by a director, the wearing of a partial uniform is not permitted. NEVER wear the uniform outside of a performance.

2. Each member of the Gator Band wind and percussion sections will be provided a full uniform consisting of coat, pants, shako, ball cap and travel attire. Members of the tuba section will be issued a beret in lieu of the shako. Members of the Florida Visual Ensemble and Gatorettes will be issued custom uniforms. Members must provide their own white crew length socks (mid-calf) and white band shoes. Each member will be supplied with two t-shirts to be worn for gameday rehearsals and under the uniform, as well as one band polo to be worn when instructed, and a baseball cap to be worn as directed.

3. Each member of the Gator Band is required to have a clean, pressed uniform for every performance. A uniform inspection will be administered by section leaders prior to every public performance to ensure that each member maintains the high standards of the Gator Band. Students whose uniforms are not in the appropriate condition will fail the inspection and may become an alternate the following week.

4. Members are not to wear sunglasses during any performance or while marching to and from the stadium unless instructed by the director. Sunglasses may be worn in the stands during football games.

5. Bracelets, wristbands, watches, etc. may not be worn with the uniform. Only clear nail polish is acceptable in uniform.

6. All hair must be pulled up and worn under the hat. No bandanas may be worn in a visible manner. Hair color must be of a natural shade. No attention-grabbing hair color or styling (shaving, designs, etc.) will be permitted.

7. Facial hair must be neatly trimmed for performances.

8. Only post earrings (one per ear) may be worn with the uniform. No dangle earrings may be worn with the uniform. No other visible piercing jewelry may be worn with the uniform. Face stickers (previously approved by directors) are the only sticker allowed on a performer. NO STICKERS OF ANY KIND WILL BE WORN ON THE UNIFORM.

9. Make sure any uniform problems are brought to the attention of the section leaders following the Turlington Plaza performance as soon as possible.

10. Each time a member is issued a uniform, they are responsible for its complete return. They will be charged for any missing or damaged parts. The charges are as follows:

<table>

**UNIFORM CARE**

1. The uniform, unless on your person, must be properly hung on a hanger. There should be no instance in which your uniform is crumpled or folded.
2. **Do not store uniform wet.** Hang in a dry place to allow moisture to escape properly.
3. Examine the uniform after each use for stains, etc. and identify location and type of stain if possible to Uniform Staff on delivery of the garment for cleaning.
4. Abnormally stained uniforms must be cleaned as soon as possible after the staining occurs. Report stains to Uniform Staff immediately.
5. Examine uniform after cleaning to determine whether or not the identified stains have been removed. Follow-up on undesirable variances immediately.
6. Do not attempt to hand clean in any manner. Uniforms must be turned in when instructed.
7. Do not wash the uniform.
8. Do not allow the uniform to come in contact with:
   a) antistatic sprays  
   b) water/oil proofer  
   c) spot cleaning chemicals  
   d) other topical chemicals such as: bleaches, spray deodorants, perfumes, brighteners, make-up, etc.
10. Do not wear the uniform over jeans, coats, or other outer garments. This causes unnecessary stress and strain to the uniform seams, buttons and zippers.
11. Failure to follow the uniform care policies, including scheduled cleanings, may result in lowering of your grade, assigned service hours, and change in performance assignment.

**Shakos:**

1. Keep in dry place to allow sweatband to dry. This prevents mildew and deterioration of the interior.
2. **DO NOT** dry clean, use any spot-cleaning chemicals or bleach on any part of your hat. This will cause a discoloration of your hat and will result in an unprofessional appearance.
3. The shako strap must be worn under the chin (never in performers mouth).

**Plumes:**

Upon issue, plumes are to be handled with extreme care and kept away from any moisture.

For uniform concerns, please email Mr. Garcia at bgg1103@ufl.edu.
Gameday Uniform Procedure

- Starting 3 hours before kick-off, students will change into their uniforms using rooms in the UF Music Building. **Uniform is not to be worn prior to this time.**
- Changing in/out of uniform must take place in designated MUB changing rooms.
- All personal belongings should be stored in lockers (with your personal combination lock) outside of these rooms during the football game.

After the game,
- Following the Turlington Plaza performance, students must change out of uniforms utilizing rooms in the MUB and retrieve personal belongings from lockers. Students are not to wear uniforms after this time.
- **VIOLATIONS AND ASSOCIATED SERVICE HOURS:**
  - Not checking in uniform at required times - Financial hold placed on school record
  - Not turning in uniform at end of fall semester for cleaning - Financial hold placed on school record
  - Not returning borrowed item(s) within one week of the date it was borrowed - Financial hold placed on school record

**TRAVEL**

The Gator Band travels to all away games as full band or pep band in addition to full band trips to SEC Championship games, bowl games, and special guest performances.

In the spring of 1997, the College of Fine Arts put into effect a new travel policy. Any student traveling under the auspices of the College is required to have on file a signed **Waiver of Liability and Hold Harmless Agreement.** Travel is an integral part of participation in the marching band. Without this signed form on file, students cannot travel, thereby making your participation in marching band impossible. This form MUST be turned in the week of band camp, otherwise you will automatically be dropped from marching band.

1. **PER DIEM**
   - Each member will be provided with food or a stipend for meals while traveling with the Gator Band.
   - The per diem sheet must be signed by the individual **in the presence of a staff member** in order to receive the stipend.

2. **TRAVEL ATTIRE**
   - Each member will be provided with travel attire. Directors will determine the exact attire for each trip (i.e. including shirts/shoes).
3. BUS AND ROOMING LISTS:
   - Each student will sign-up for rooms during specified sign-up periods. This applies to all band members on all travel.
   - Once the specific bus and room sign-up has closed, additions, deletions and changes from the lists will not be allowed.
   - Per diem will not be issued to any student who fails to follow the proper procedure.

4. BUS TRAVEL RESPONSIBILITIES:
   - Section leaders will be responsible for attendance, monitoring bus cleanliness and behavior. UF rules always apply on bus travel.
   - On travel days, be on the bus for roll check 15 minutes before scheduled departure time.
   - In the event that you miss the bus at the beginning of the trip, you will NOT be allowed to join the band by driving yourself to the trip destination. This is a policy handed down directly from the Dean’s Office of the College of Fine Arts.
   - All uniforms must travel in a garment bag.
   - Follow packing instructions. Luggage is generally loaded on one side, instruments on the other side of under-bus storage.
   - Keep the bus clean.
   - Be considerate of the driver and fellow bus passengers (music, movies, language).
   - Do not get off the bus until one of the Directors instructs you to do so.
   - NO student should open or close bay doors.

5. HOTEL RESPONSIBILITIES
   - Pack carefully - remember that nothing happens by accident - it is an intentional act! Make sure you have all your stuff!
   - Have a great time in the hotel, but not at the expense of others. We are not the only guests.
   - Do NOT wander the halls/lobbies/etc in your pajamas or various stages of partial dress.
   - Please travel in groups of three at ALL times; larger groups at night.
   - It takes a long time for a group our size to move from point A to B. Allow extra time for elevators, crowds, etc. to avoid being late.
   - Make sure your entire room is awake and out of bed at the appointed time each day. Take care of each other!!

6. DRIVING YOUR OWN VEHICLE:
   - It is HIGHLY DISCOURAGED to drive your own vehicle to Gator Band events.
   - Prior to any student using transportation other than that provided by the University, there must be a completed form on file in the Band Office signed by the student and a Director.
   - Plan to arrive well in advance of the rehearsal or performance. Parking for personal vehicles is often difficult and expensive, so it is highly recommended that students travel via official university transportation.
   - When following the buses, remain behind the last bus at a safe distance.
   - Problems arising from the use of personal vehicles will not be considered extenuating circumstances for the purposes of attendance.
   - Moving violations, parking citations, or vehicle damage are not the responsibility of the Gator Band, or the University.
Absolutely no profanity in uniform.

Support the team ALWAYS. Refrain from taunting or personal attacks. Don't get baited by other fans into saying or doing something foolish. Please let the Directors or staff deal with these people. Travel, like participation in the marching band, is a privilege, not a right. ANYONE who abuses that privilege will be subject to disciplinary action.

Prior to Game:
- Saturday Gameday rehearsal will be held at the field at announced times.

SERVICE AND LEADERSHIP OPPORTUNITIES

Kappa Kappa Psi and Tau Beta Sigma
Kappa Kappa Psi and Tau Beta Sigma are honorary service organizations whose sole purpose is to serve the college or university band programs through service projects, fundraisers, social events and other projects as determined by the directors. Both of these organizations are dedicated to serving the band, and do so in numerous ways. The variety of experiences in band and chapter activities makes these organizations a great way to serve the band while building lifelong friendships.

Section Leaders
Our student leadership team is vital to the success of our organization. In addition to leading the section and organizing a wide array of communications and logistical issues, our student leaders work hard to ensure that their respective sections have an enjoyable and rewarding experience in Gator Band. Applications, and interviews for these positions will occur during this season for the following Fall. Your audition for a leadership position began when you started camp!

Drum Majors
The Gator Band Drum Majors are selected via a two-round process:
• The preliminary interviews will occur with the Directors during the Fall semester
  o All students with at least one semester of Gator Band experience are eligible to audition. Students with one semester of section leadership are usually more prepared to interview and audition.
• The final auditions will occur during the bowl trip and/or conducting workshops
  o The members of the Gator Band observe the auditions and listen to applicants answer questions from the Directors
  o Directors and teaching staff select the drum majors for the following season
  o Drum Majors enroll in a marching band class during Summer C to aid in preparations for the following Fall.
