

Gatorland Band & Instrumental Music Camps

SAT JUNE 23 – SAT JUNE 30

Gatorland Band & Instrumental Music Camps are designed to offer student musicians the ability to experience the beautiful **University of Florida** campus, live and learn in our facilities, and get to know the wind and percussion faculty while participating in exciting music learning experiences. All campers are under constant supervision by DCF-certified camp counselors who are also licensed educators.

The three-day **Instrumental Music Camp** gives students the opportunity to study with UF Studio Faculty and Alumni on individual instrument-specific masterclasses, literature, solo and ensemble and All-State audition music.

The **UF Total Musician Band Camp** provides an excellent opportunity for musicians with a minimum of one year of study on their chosen instrument to improve their individual performance skills while participating in full-band rehearsals, masterclasses, sectionals, chamber winds, music electives and optional private lessons—all under the guidance of the professional faculty, staff, and distinguished alumni of the **University of Florida**. Both camps will conclude with a performance in the beautiful University Auditorium.

All Camp attendees will stay in University of Florida dormitories and eat at the fabulous UF dining facilities. This is a wonderful and rare opportunity to make new friends and perform great music in a beautiful venue while receiving world-class instruction at a world-class institution.

For more information, contact Prof. Jay Watkins at watkins@ufl.edu, or visit: ufbandcamps.com.
