Description of Course: This course is designed to introduce graduate art students to the teaching of art at the post-secondary level.

“Time for reflection and interaction is a casualty of the digital age, and one of the primary goals of higher education should be to reclaim this time.”
— José Antonio Bowen, Teaching Naked: How Moving Technology Out of Your College Classroom Will Improve Student Learning

Purpose and Objectives of the Course: Graduate MFA students are required to enroll in ARE 6386 either prior to or during their first semester of teaching in the School of Art and Art History. At the conclusion of this course, students will able to identify and respond to the following:

- the nature and needs of college students and adult learners,
- approaches to studio art instruction at the post-secondary level,
- selected literature on teaching art at the post-secondary level,
- the characteristics of "effective" teaching at the post-secondary level,
- procedures for critiquing and grading student art work,
- academic, curricular, legal, social and ethical issues related to teaching art at the post-secondary level, and
- hiring, tenure, and promotion practices in higher education.

Methods of Instruction: The primary methods used in this course include lectures and discussions centered on topics related to post-secondary art teaching. Readings, guest speakers, and co-facilitated sessions will be used to initiate and expand on the course topics. Opportunities for direct classroom observation and teaching are provided. A portion of this course is completed through an individualized program of study that includes readings, curricular development, observations, and teaching related to the student’s specific area of concentration. E-Learning (LMS- CANVAS) Internet-based systems will be used as an extension of this course. I use minimal paper and never collect paper assignment in class with the exception of the final portfolio.

Students enrolled in ARE 2045 must have a GATORLINK email account and check it regularly. Students are also encouraged to join the National Art Education Association at the student rate, and attend University of Florida NAEA Student Chapter meetings, as part of their professional development as art teachers. Additional readings may be assigned at the discretion of the instructor. Art materials required for this course will be provided through the lab fee.

Text and Materials: No required textbook. All readings for the course are listed on the reading handout and will be made available on the library course ereserves ARES http://www.uflib.ufl.edu. There is no required text book. It is recommended that students purchase a notebook for note taking, class handouts, and journal-keeping purposes. To facilitate advisement and peer support, students are required to get and use a GATORLINK account. The course has an eLearning in CANVAS cite https://lss.at.ufl.edu/ for posting of all assignments, attendance, grades, and written reading responses.

Suggested Text: While there are NO required textbooks for ARE6386, the following are some recommended for anyone building a personal teaching reference library and may prove useful in your independent growth as an art educator.

Professionalism (10% / 50pts.): The professionalism grade will be determined based on the following factors:

Attendance and Punctuality Policy: 15 points. 2 absences will be excused. Every subsequent absence will take 3 points off the final grade. 3 tardys count as 1 absence. A student wishes to have an absence excused they must provide the instructor with a written explanation of absence and/or appropriate verification when necessary (e.g., letter from doctor or parent) is required the week following the absence. Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx

Professional Behavior in Class and During Field Experiences: 15 points. Inappropriate cell phone use, excessive socializing, inappropriate dress during field experiences, lack of attentiveness are some examples of behaviors that can impact this score.

Participation in Class: 20 Points. Asking questions and moving class discussion forward, giving your best effort to class activities, doing your part to contribute to group work, and speaking up when you are confused are all aspects of this score.

ARE6386 Academic Policies and Procedures:

“There are two aspects of providing occasions for wonderful ideas. One is being prepared to accept children’s ideas. The other is providing a setting which suggests wonderful ideas to children.” (Duckworth, E., 1987 pg. 224)

Electronic Device Policy: A note on cell phones, texting, and checking one’s email during class: Research has shown us that even having our cell phones on the table in front of us diminishes our ability to learn well; further, taking notes via computer diminishes one’s ability to process information. Checking texts, emails, and messages is also unprofessional and disrespectful to our class community. Please put your phones on vibrate, do not check email, Facebook etc. via computer during class; I will do so as well. I appreciate your cooperation with this important aspect of creating a class of which we all want to be a part.

Late Work and Make-Up Work Policy:
Late assignments lose 10% of their value for being late and will not be accepted beyond 7 days of the due date. Being absent from class does not excuse a student from meeting deadlines. Students will have the opportunity to make up work missed only when absence is excused and permission is requested and given through email.

Student Conduct and Honesty Codes: Students are expected to abide by the UF Academic Honesty Policy, which defines an academic honesty offense as “the act of lying, cheating, or stealing academic information so that one gains academic advantage.” In the context of this class, this includes properly citing sources for any materials (both printed and online) used in completing course assignments. https://sccr.dso.ufl.edu/students/student-conduct-code/

Proper citation formats of APA or MLA. All images and text from the Internet, journals, or books must have full APA citation to be used in your work. APA Style | Electronic References http://www.apastyle.org/eleceref.html

Students with Disabilities: Individuals with disabilities must register with the Office for Students with Disabilities and submit to this instructor the memorandum from that office concerning necessary accommodations. The ADA office is located in Room 232 Stadium (phone: 392-7056). All course materials are available in alternative format upon request. UF Disabilities Resource Center https://drc.dso.ufl.edu/

Counseling Services: The Counseling and Wellness Center http://www.counseling.ufl.edu/cwc/ provides counseling and consultation services to currently enrolled undergraduate and graduate students and their spouses/partners. The Center offers brief counseling and therapy to help students confront personal, academic, and career concerns. The primary goal of counseling is to help students develop the personal awareness and skills necessary to overcome problems and to grow and develop in ways that will allow them to take advantage of the educational opportunities at the university.

Online Course Evaluation Process: Students are expected to provide feedback on the quality of instruction in this course based on 10 criteria. Faculty does not receive the results until after the grades have been finalized. These evaluations are conducted online at https://evaluations.ufl.edu. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at https://evaluations.ufl.edu/results/
