### **Course Description**

Practice and principles of fundamentals and stylistic characteristics common to ballet, jazz and modern dance. (H) 3 credits. *Fundamentals of Dance* is designed to provide accessibility to the world of dance for all students, novice or pre-professional. Along with learning the rudiments of the dance techniques, with a focus on dance styles common to Western culture, you will discover the rich heritage, challenging discipline, fertile aesthetic, as well as your place in the vast spectrum of dance. There is truth in advertising – as once you are successful in this class, these fundamentals become the basis for achieving excellence in higher levels and making informed connections with how this art interacts with your life. The following objectives provide the direction for the course:

### **Course Objectives**

- To provide a student with the history, basic techniques, and contemporary references relevant to accessing a basic understanding of ballet, jazz and modern dance.
- Enhance the mind/body connection through the application of sound biomechanical principles as they relate to dance, such as practicing proper alignment, learning basic human anatomy, and learning of alternative approaches to movement study. This knowledge will be directly applied to the various styles of dance learned in class.
- Practice elements of performing and explore performance quality, discovering your own potential and personal style while developing your kinesthetic memory
- Experience, discuss and write about live dance performances

## **Course Requirements**

### **SOTD DANCE ATTENDANCE:**

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

### **Dance Technique Class Attendance Guide:**

- Mindful participation in each class meeting is the only way to meet the objectives of this course.
- Attendance, which is mandatory, means that when you enter the classroom, you are present, alert, and contributing to the progress of the class every second.
- If you are not present when attendance is taken or class begins you are marked absent.
- In the case of extended health issues, refer to the Injury and Illness Policy in the SoTD 2018–19 Handbook (SoTD website) and included in this syllabus.

### **Dance Technique Class Absence Policy**

- Five (5) or more absences (excused or unexcused) result in automatic failure.
- All undocumented absences are unexcused: each unexcused absence = 5 point deduction. Excused absences may include those related to illness/injury which are documented by a medical professional. Events related to family emergencies or professional obligations should be discussed with your instructor. (See *Make-up Policy* for more information on excused absences.)
- For your safety and the focus of the class, you may not join class if it has already started. You are late and counted absent; with instructor permission, you may observe.
- If you should leave class early, 3 points are deducted from your grade.
- If unable to dance but still attend, with instructor permission, you may ‘actively’ observe for full class credit, onetime. You will complete an assignment as assigned by the instructor due at the end of class.
- UF approved religious days are excused and do not need to be made-up. (Travel time not included.) You are responsible for material covered during your absence.
- A MEDICAL WITHDRAWAL will not be supported without approved documentation. An Incomplete is only considered by UF Dance in extreme cases and is not available in technique classes.

### **UF Absence Policy** <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

- Students are responsible for satisfying all academic objectives as defined by the instructor. Absences count from the first class meeting.

- In general, acceptable reasons for absence from or failure to participate in class include illness, serious family emergencies, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions, religious holidays and participation in official university activities such as music performances, athletic competition or debate. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. Other reasons also may be approved.
- You cannot participate in classes unless you are registered officially or approved to audit with evidence of having paid audit fees. The Office of the University Registrar provides official class rolls to instructors.
- If you do not participate in at least one of the first two class meetings of a course or laboratory in which you are registered, and you have not contacted the department to indicate your intent, you can be dropped from the course. You must not assume that you will be dropped, however.
- The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors can prohibit further attendance and subsequently assign a failing grade for excessive absences.

## **MAKE-UP POLICY:**

### **Dance Technique Class – Makeup Policy**

- You are responsible for all material covered during any absence
- There are no makeup options for unexcused absences
- Absences from Written Exams, Quizzes, Mid-Terms, and/or Finals may only be made up with approved documentation
- To earn credit (amount of credit determined by the instructor) for an excused absence you must do two things:
  - 1) Immediately after your return to class, turn in approved/legal documentation to instructor. If you need the original documentation, the instructor will accept copies.
  - 2) Make-up the class with an approved assignment submitted on the required date. If the assignment is to attend another class as a make-up, it must be the same technical level, or lower; student must request permission of that instructor.

In the UF Dance Program, three unexcused absences will reduce your grade one-letter grade (i.e., from B to C). Each subsequent unexcused absence lowers your grade by half letter grade (i.e., from C to C-). After five unexcused absences the student may not return to class and result in automatic failure of the course. A student with medical documentation may apply to UF for Medical Withdrawal.

### **Participation (45 points)**

Participation is a demonstration of involvement and commitment to learning, a willingness to be on time and present in class, and to contribute in group discussions. If a student is disruptive during class (talking, providing negative energy, or simply not participating) he/ she will lose participation points. These points can be deducted at the teacher's discretion. Note: Each absence will result in a loss of participation points.

### **Tardiness**

If a student arrives to class after the start time, the student will be considered tardy. It is the students' responsibility to inform the instructor (after class) that they arrived late. Otherwise they will be considered absent. **Each tardy will result in a 1 point deduction.** If a student is more than ten minutes late for a movement-based class, they must receive instructor permission to observe class. The student will write a one-page observation paper due at the beginning of the next class to receive attendance credit.

### **Observation Papers**

Observing class is only acceptable if the student is ill, injured, or tardy and gets instructor permission. If the student is observing class, they must take observation notes, which will be due by the end of the week via Canvas. These notes should not be a regurgitation of the steps performed in class but rather **observations of what you learned as a witness to dance.**

Observation papers must be submitted via Canvas in the "Participation/ Observation Papers" module by Sunday (midnight) the same week. The student is only permitted to observe class up to TWO times during the semester.

### **Dance Attire**

Dance is an art and requires personal discipline and motivation. Respect for other students and the instructor is of the utmost importance. When in class you will be attentive and active. Be aware of the appropriate times to talk and/or sit. Attire should be form fitting, allowing the line of the body to be seen. Leotards and tights (leggings, bike or jazz pants) are suitable. Form fitting warmers are recommended and should be removed after warm-up. Men **must** wear a **dance belt**. No shoes are required for this course. **No large jewelry, no chewing gum, no hats, and no loose hair.** Personal hygiene is expected and is its own reward. You may lose points for improper attire, hair or attitude.
