COURSE DESCRIPTION

GRA 2208c is a studio course, introducing the art of visual communication: the visual realization of a most basic element of communication — the word. The history of typographic forms, principles of composition, and the expressive potential of type will be explored through readings, research, workshops, and projects. Design challenges will be approached through exploration, experimentation, critique and refinement.

COURSE OBJECTIVES

- Develop a keen sensitivity to the aesthetics of typography.
- Articulate the history and antecedents of typography and written language through time.
- Identify letterform anatomy, and choose & mix typefaces effectively.
- Gain technical skills for type compositions with a strong narrative.
- Develop effective compositions of text, information, and visuals to enhance concept.
- Use the appropriate typographic vocabulary (ie: leading, point size, kerning).
- Experiment with variety of tools and methods to produce work.

COURSE TOPICS

History of typography	Punctuation
Anatomy of letterforms	Grid
Numerals	Hierarchy
Type as image	Spacing
Type as narrative	Alignment

TYPOGRAPHY JOURNAL

Over the course of the semester, collect samples of typography. You may sketch, photograph, cut items from magazines, find scraps of paper on the street, or cut out bits of packaging. Create a two-inch-square sample of each specimen that you find. Arrange your specimens in a simple grid (2 columns, 4 rows, all cells touching.) Complete at least one diary entry per week. You will present your visual journey at the end of the semester.

GRADING + EVALUATION

Your final grade will be based on an overall evaluation of the following:

Project 1	20 %	Typography Journal	10 %
Project 2	20 %	Exercises	10%
Project 3	25 %	Participation	15%

Overall, your project grades will be based on your ability to provide an innovative concept, a powerful narrative, a well-thought solution, a well-crafted output, a documented process, your presentation skills and your weekly journal. Participation means attending the class, being punctual and professional, providing constructive feedback during critiques, actively discussing readings, acting professionally, meeting project deadlines, as well as attending recommended talks/events and reflecting in writing on them.

A	100 – 94	Exceptional or excellent work, process to production. Research is appropriate; process demonstrates design thinking and development of a range of solutions that are plausible. (Multiple iterations and there has been a range of design explorations and solutions). Realization is excellent and supports an exceptional concept. You have come to class with new work, are highly engaged in discussions and critiques, and know the materials well. Your final submission has no errors or changes necessary (no typos, craft is excellent).
A -	93 – 90	Excellent; surpassed all criteria but still some room for improvement.
B +	89 – 87	Very good; surpassed all criteria
B	86 – 84	Good; surpassed all criteria
B -	83 – 80	Above average; surpassed all criteria
C +	79 – 77	Average; met criteria
C	76 – 74	Average; improvement needed
C -	73 – 70	Slightly below average; further improvement needed
D +	69 – 67	Below average; much improvement needed
D	66 – 64	Below average; poor and/or incomplete work
D -	63 – 60	Below average; very poor and/or incomplete work; work well below level of study
E	59 or below	Failing; work did not meet any criteria or you submitted no work

The purpose of grading and evaluation is to pinpoint the strengths and weaknesses of your work . To this end, we can only respond to what is observable in your work and in-class performance. Expectations for grades were listed above. Meeting criteria merits a C+, if you want to earn higher you must surpass minimum criteria and expectations for work at your level of study. Please Note: A grade of C- or below will not count toward major requirements. Students pursuing their Certificate in Graphic Design need at least a B.

ATTENDANCE POLICY

Attendance is mandatory. If you are sick or have any other exceptional circumstances meriting consideration as an excused absence, please contact me as soon as possible. You are permitted **3** unexcused absences during the semester without affecting your final grade.

Late arrivals (8:31am) will be marked tardy; leaving early will also be noted (**three tardies = 1 absence**). If you are **30 minutes** late to class, you will be counted absent. Missing more than 6 unexcused class meetings will result in an automatic failing grade for the course.

Requirements for class attendance, make-up exams, assignments, and other work in this course are consistent with university policies that can be found at:

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

LATE WORK

Late work will only be accepted if contact was made with the instructor prior to the due date with an explanation justifying why the work will be late. If the reason for lateness falls under the excused absence list (illness, family emergencies, religious holiday, university sponsored trips, etc.), there will be no penalty as long as work is completed by the new agreed upon date. If the reason is an unexcused one, work will be lowered one letter grade. An assignment more than 3 days late will receive an E. Any assignment not completed by the end of the semester will result in course failure.

COMMUNICATION

It is the student's responsibility to frequently check their UFL e-mail, as this is my primary method of reaching students outside of class.

CLASS POLICIES

- Cell phones should be silenced at the beginning of class. No social media is allowed.
- Critique ideas and work, not people. Be honest with yourself and your peers.
- Exit quietly if you need to visit the restroom during class – no need to ask.
- You can eat in FAC 112 (not the lab). Please clean up after yourself. Alcohol is forbidden.
- Please, do not use spray adhesive in the studios or in the building. There is a professional and safe paint spray booth in FAC-211A for this purpose.
- Be advised that you can and will be dismissed from class if you engage in disruptive behavior. Students who intentionally act to impair, interfere with, or obstruct the mission, purposes, order, operations, processes, and functions of the University shall be subject to appropriate disciplinary action.

Students with disabilities should first register with the Disability Resource Center at **352-392 8565** or www.dso.ufl.edu/drc by providing appropriate documentation. Once registered, students will receive an accommodation letter. Please, present this letter to me. Students with disabilities should follow this procedure as early as possible in the semester.
