Communications

Students are expected to check their UFL email account daily for course announcements. All communication is expected to be professional and courteous. We will reply on weekends as we are able.

Electronic Use Policy

Students found to be using electronics for purposes not related to the class (e.g. checking Instagram or texting) will no longer be permitted to use it during class time.

Students Requesting Accommodations due to Disabilities

Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter that must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Academic Honor Policy

Students are expected to do their own work, use their own words, and provide proper citations when using outside sources. Failure to uphold the standards of academic honesty will result in the appropriate disciplinary action.

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code."

On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment."

The Honor Code (<http://www.dso.ufl.edu/sccr/process/student-conduct-honorcode/>) specifies a number of behaviors that are in violation of this code and the possible sanctions.
