COURSE DESCRIPTION

This course will explore the creative production of time-based media using digital video and effects. Emphasis on advanced video concepts, techniques, and compositing. This course will focus on advanced video techniques using the Adobe Creative Suite. We will study concepts in cinematography, editing theory and sound; Compositing - live action and 2d/3d elements with green screen and motion tracking; and more abstract techniques such as rotoscoping and motion graphics.

PREREQUISITE KNOWLEDGE AND SKILLS

DAR or DAS major and DIG 3525C with minimum grade of C or written permission of instructor.

PURPOSE OF COURSE

To introduce students to digital audio and video production tools as well as the fundamentals of effective visual storytelling with time-based media. The students will learn industry standard practices in applied creativity.

COURSE GOALS AND/OR OBJECTIVES:

1. Use non-linear editing software to organize and sequence images efficiently.
2. Use 2D/3D compositing software to develop visual effects.
3. Apply cinematic composition techniques to advance and compliment a story.
4. Learn basic color correction and audio techniques for video production.
5. Identify and effectively utilize lighting instruments for cinematic effect.
6. Describe characteristics of well-designed and executed production.
7. Demonstrate skills in the use of industry standard tools.

COURSE SCHEDULE:

The course incorporates lectures, in-class exercises, quizzes, exams, and assignments to apply and reinforce skills learned. Additionally, students will be asked to participate in weekly online critiques to strengthen their skills in analysis and critical thinking. Individual assignments will be explained in detail as the course progresses. The class will incorporate a Final Exam and a Final Group Project. The Final Group Project will be due on the Final Class day.

The final exam time scheduled for this course will be announced in advance of each semester by the University of Florida Registrar’s Office at <http://www.registrar.ufl.edu/soc/>

COURSE POLICIES:

PARTICIPATION / ATTENDANCE

We value participation more than mere attendance. Each Instructor is responsible for communicating the specific details of what percentage of your grade (if any) will be assigned to participation, and how class participation will be measured and graded. Real Time [RT] interaction with your peers and the Instructor will empower you to greater achievement.

For this class, 3 unexcused absences will be allowed per student. Each following unexcused absence will result in a letter grade deduction.

In our course, attendance for On-Campus and RT On-Line students is mandatory. Students are allowed **three unexcused absences**. If you miss more than **three classes** during the semester, each additional absence will lower your overall grade by **100 points**. If you miss more than **six classes**, you will fail the course. Exempt from this policy are only those absences involving university-sponsored events, such as athletics and band, and religious holidays, family emergencies, and health issues for which **you must provide appropriate documentation in advance of the absence**.

MAKE-UP POLICY

Every assignment has a 4-day grace period. Anything late beyond 4 days after the due date will result in a 0. No resubmits. Excluded from this policy are any assignments missed due to medical emergencies.

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at:

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

COURSE TECHNOLOGY

The University of Florida and Digital Worlds requires that students have access to and on-going use of a laptop/mobile computer for DIG courses in order to be able to function in the current learning environment. Students are required to access electronic forms of information, submit assignments and communicate with other students and faculty electronically. DW requires each student's mobile

computer to meet certain minimum specs for heavy graphics use, the requirements documented below must be met.

DW Computer Requirements

LECTURE RECORDINGS

High-quality video lecture recordings of this course are available only for enrolled students. These video recordings are edited and posted within 24-48 hours of the class meeting for the benefit of the Your Own Time students and to offer the potential for review by on-campus and Real-Time students. For campus and Real-Time students, watching lectures in lieu of attending and participating in class is NOT acceptable.

All video lectures are uploaded within 24-48 hours to the students Canvas, and are available for students to view by logging into [e-Learning](#).

COURSE COMMUNICATIONS

Students can communicate directly with the Instructor regarding the course material through UF e-Learning. <http://elearning.ufl.edu/>

COURSE TECHNOLOGY SUPPORT:

The [Technology Support Center](#) provides computer support for Digital Worlds students who access Visimeet, lecture recordings, student equipment, facilities and other technology-based resources. <http://digitalworlds.ufl.edu/support>

For computer assistance related to Visimeet, lecture recordings, student equipment, and facilities request please [Submit a Help Ticket](#) or email support@digitalworlds.ufl.edu.

For support related to account services, technical consulting, mobile device services, software services, administrative support, application support center, and learning support services, please contact the [UF Computer Help Desk](#) available 24 hours a day, 7 days a week at 352-392-4357 or helpdesk@ufl.edu.

UF POLICIES:

UNIVERSITY HONESTY POLICY

UF students are bound by The Honor Pledge that states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida,

the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The [Honor Code](#) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

CLASS DEMEANOR

Students are expected to arrive to class on time and behave in a manner that is respectful to the instructor and to fellow students. Please avoid the use of cell phones and restrict eating to outside of the classroom. Opinions held by other students should be respected in discussion, and conversations that do not contribute to the discussion should be held at minimum, if at all.

STUDENTS REQUIRING ACCOMMODATIONS

Students with disabilities requesting accommodations should first register with the [Disability Resource Center](#) (352-392-8565) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

NETIQUETTE COMMUNICATION COURTESY

All members of the class are expected to follow rules of common courtesy in all email messages, threaded discussions and chats, more information can be found at: <http://teach.ufl.edu/wp-content/uploads/2012/08/NetiquetteGuideforOnlineCourses.pdf>

ONLINE COURSE EVALUATIONS

Students are expected to provide feedback on the quality of instruction in this course by completing [online evaluations](#). Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at [evaluation results](#).
