ART 2757C - Ceramics: 3D Concepts
University of Florida, School of Art and Art History

Meeting Time: Monday/Wednesday 3:00pm-6:00pm
Instructor: David Bogus
E-mail: davidbogus@ufl.edu
Phone: 352-273-3083
Office Hours: M/W 2-3 or by appointment
Office Location: FAC B15

Classroom: FAC B14
Credit Hours: 03
Prerequisite: ART 1803C,"Workshop in Art Research and Practices" WARP.
Ceramics Department Information: Please see PDF file in Canvas Resources

Course Description:
This course is an introduction to three dimensional design concepts using Ceramic materials and processes. The projects investigate three dimensions and visual dynamics in three dimensions including a study of form, space, color and light, texture, composition, and structure. Low fire technology, hand forming techniques, an introduction to glazing, and electric kiln firing processes support the development of an understanding of 3D fundamentals. Actual hands-on experience with loading, firing, unloading kilns will be offered and participation expected.

Objectives:
● To understand and develop a working knowledge of 3D design concepts
● To effectively generate, organize and communicate ideas in full 3D space.
● To explore form, the meaning of structure, spatial design, surface, color and light, proportion and composition, function and content.
● To learn to use ceramics to express 3D problems.
● Increased knowledge of technical skills, processes and materials relating to ceramics or sculpture

Introductions:
Name preferences and preferred pro-nouns will be respected in this class, and all area asked to be patient with the occasional error.
https://lgbtq.vassar.edu/transandnon-binaryresources/gender-pronouns.html
https://www.youtube.com/watch?v=Fb_We13_QTA
Studio and Class Procedures:
Please read Welcome to UF Ceramics and follow shop procedures. This information can be found in the file section on our class Canvas page. Canvas will be our official form of class communication. Please check it daily for class updates and schedule changes. Website: http://elearning.ufl.edu

Clay:
Red earthenware and buff sculpture clay will be used in this course. We will use a minimum of 4 bags of clay in this course. Clay is $15.50 per 25 lb. bag (1 ticket = 1 bag). Students will buy a clay ticket in the office SA+AH Office (cash or check only). Please fill out a material slip to purchase the ticket, once you have obtained a receipt you may receive clay from your instructor. I recommend purchasing at least 4 tickets at the start of the course to ensure you always have access to clay. You will also have the opportunity to recycle class reclaim clay on your own time for free use.

Required Textbook:

Other Resources: (On Course Reserve in Architecture and Art History Library)

Launching the Imagination: Comprehensive (2D, 3D, and 4D) with CD-ROM, by Mary Stewart (Optional)

Required Tools: Bound sketchbook 8”x11,” toolbox or caddie w/your name on it, lock for locker, sponge, needle tool, cut-off wire, fettling knife, ribs: flexible metal, serrated, rubber kidney, fork or other scoring tool, carving tools, ruler, assorted brushes, plastic to cover work in progress (2-5 soft garbage bags will work), spray bottle, wooden paddle. Please have TOOLS and clay receipts by the second-class meeting; working on the first assignment will begin immediately.

Note: *Basic clay tool kit can be purchased at the Reitz Union Bookstore.

CERAMIC SUPPLIERS:

Options in Gainesville:
Reitz Union Bookstore
Michaels, for a basic tool kit 3644 SW Archer Rd
Frazier Ceramics Shop http://frazierceramicshop.com/ Only has some tools.

Ceramic Supplies in Florida:
Online options include:

Optional Tools (not required but strongly recommended):
Apron or large shirt, binder for handouts, small bucket, Surform Plane (hardware store), scissors, shop towel, small containers with lids (e.g. recycled yogurt containers, etc.)

UF Grading scale and policies
Please keep in mind that an excellent student attends class regularly, is on time, keeps the course work schedule, and participates fully and produces superior artwork.
A = excellent, distinguished use of concepts, materials, and execution
B = good use of concepts, materials, execution
C = average
D = marginal
F = unacceptable, failure. No credit.

Final Grades will be compiled by the following:

<table>
<thead>
<tr>
<th>Assignment</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Project 1 – Form: Weight and Balance</td>
<td>15%</td>
</tr>
<tr>
<td>Project 2 – Minimalism: Connection and Multiplicity</td>
<td>20%</td>
</tr>
<tr>
<td>Project 3 – Shelter: Internal Volume and External Form</td>
<td>20%</td>
</tr>
<tr>
<td>Project 4 – International Designs of Function-Tea Ware</td>
<td>20%</td>
</tr>
<tr>
<td>Test – Materials, process, ceramic art history</td>
<td>5%</td>
</tr>
<tr>
<td>Participation - In shop activities (cleanup, firings, etc.)</td>
<td>10%</td>
</tr>
<tr>
<td>Attendance - Class participation, discussion, use of work time, etc.</td>
<td>10%</td>
</tr>
</tbody>
</table>
Critique Presentation Expectations:
All work should be presented for critique finished (glazed) and in a professional fashion. All cracks and flaws should be repaired with a filler like spackling compound or epoxy and painted to the best of your ability. DAP vinyl spackling compound, PC 11, and PC7 epoxies work well for repairing small hairline and larger cracks in ceramic. These materials can be sanded and then painted over when dry. See instructor for recommendations should a piece need repair.

Late Work:
All projects, reading responses, and research projects must be completed on time for full credit. Specific due dates are stated on each project sheet and are announced in class. Failure to complete any project on time will result in a drop of 5 points to your final project grade, and failure to complete any other assignment, such as response papers, in-class exercises, or other class work, on time will result in a drop of 5 points for each day it is late. If the time line states that a project is due at the beginning of class, turning it in at the end or after class is considered late. You must have work finished and installed before the start of class on critique days or your work will not be critiqued and your project grade will be lowered. It is the student’s responsibility to turn in all work on time.

The ceramic process requires that greenware be completely fabricated and detailed, then dried for 3-10 days, depending upon scale and complexity. Clay is a wonderful material, but requires your regular attention to achieve good results. It cannot be rushed or neglected. Please finish building all wet work on time for greenware due dates and manage the careful drying of your work so that you can meet all deadlines.

Full participation by showing completed work during all critiques is required along with active participation through shared ideas and commentary.

Evaluation:
In addition to specific criteria defined by individual project goals, all projects will be graded on their success in the following areas: concept development, use of design decisions to support your concepts, craftsmanship, and meeting deadlines for building, firing and critique. As previously mentioned, a sketchbook is required for recording notes and ideas and the work must be finished within the specified deadlines.

Concept / Idea: This pertains to the ability to discover and define design problems and issues in a clear and consistent language.

Solution: This pertains to the quality of your Visual and Conceptual Solution. Factors such as composition, inventiveness, originality, layout and craft will be considered in grading.

Class Work:
You are required to keep all information related to this class in your sketch book. Quantity (yes, sometimes over quality) and innovation are important factors. The more you do, the better your design will be. I will not accept work that does not meet the required presentation standards (which are listed on each individual project sheet). Also important in considering project grades: Failure to meet process deadlines will result in a zero. For situations that are called to my attention in advance, something can be arranged. You should always plan ahead.

Grades will also be influenced by the following criteria: evolution from proposal to finished work, aesthetic concerns, and adherence to assignments, craftsmanship, skills development, conceptual rigor, experimentation, inventiveness, risk-taking, personal investment, and critical discussions.

Studio Participation Guidelines:
The use of clay as a medium comes with many responsibilities beyond simply creating the work. Included in your construction of your projects, loading, unloading, and maintenance of kiln furniture is
included in your class participation grade. Each student must participate in 2 kiln loading (this includes unloading) shifts as part of your responsibility and participation in the class. This participation also insures that you are familiar with and competent in the kiln loading and firing process of ceramics. Additionally, included in your class participation grade is a mandatory class clean-up at the end of the semester. Failure to attend this clean-up will result in a lowered participation grade. Included in this, the instructor reserves the right to deduct points from a student’s participation grade at any point he/she fails to comply with instructors instructions regarding studio cleanliness. This includes class ware carts located in the kiln room and glaze runs on kiln furniture.

Ceramics Program Attendance Policies:
Plan to arrive promptly at 8:30 am and set up to begin working. Attendance will be taken right at the beginning of each class; lateness will be noted and will affect your grade. If you arrive after 8:30 am, you are tardy. Early departures are not permitted. If you need to leave class early please inform me and offer a reason for an early departure. Otherwise not attending class for the full time will be noted and will adversely affect your participation grade.

Absences: On the 4th unexcused absence the participation grade drops by 50% (5 pts), the 5th at 100% (10pts) and 6th is failure of the course.

Class attendance is central to the learning process and to your success in the course. It is expected that you will attend regularly and be punctual. Everyone will value this courtesy to the group. In addition, group demonstrations and lectures, roving critiques, individual tutorials, and discussions will be scheduled for most class periods. Students who are absent due to illness should contact me via email as and if possible bring me a doctor’s note.

UF’s attendance rules state: The University recognizes the right of the individual professor to make attendance mandatory. After due warning, professors may prohibit further attendance and subsequently assign a failing grade for excessive absences. Students are responsible for satisfying all academic objectives as defined by the instructor. Students who do not attend at least one of the first two class meetings of a course or laboratory in which they are registered, and who have not contacted the department to indicate their intent, may be dropped from the course.

Cell Phones:
Students in the School of Art and Art History are now permitted to have beepers & cell phones turned on in class to receive campus safety warnings. Please turn them on silent of vibrate, However, cell phones are not allowed to be used during class. Cell phones are a distraction to me and your fellow classmates. Use of cell phones in class without permission will affect your participation grade for the course.

University Policy for Religious Holidays:
The Board of Regents and state law govern university policy regarding observance of religious holidays: Students, upon prior notification of their instructors, shall be excused from class or other scheduled academic activity to observe a religious holy day of their faith. Students shall be permitted a reasonable amount of time to make up the material or activities covered in their absence. Students shall not be penalized due to absence from class or other scheduled academic activity because of religious observances. Further, a student who is to be excused from class for a religious holy day is not required to provide a second party certification of the reasons for the absence.

University Illness Policy:
Students who are absent from classes or examinations because of illness should contact their professors. If you’re unable to attend class due to illness, please email the teacher prior to class meeting time. Please state your name, class, as well as the reason you will not be attending class that day.
The Health and Safety Policy Statement:
This course will adhere to the School of Art and Art History’s Health and Safety Policy which will be reviewed in class. All students are required to sign and submit to the office the SAAH Health and Safety Student Signature page. You may find the handbook and signature page in the file section on Canvas.

Health and Safety:

Appendix G:
Health & Safety Area Specific Information: Ceramics, found at this link:
http://arts.ufl.edu/site/assets/files/37319/saahhealthandsafetyhandbook.pdf

PLEASE NOTE: There will be an orientation on Safety the first day of class by our Teaching Lab Specialist. Should you miss this orientation, you will have to arrange for another session at the convenience of the Teaching Lab Specialist.

Respiratory Protection

University of Florida Environmental Health and Safety (EH&S) has determined that the use of respiratory protection is not required for projects and activities typically performed in the School of Art + Art History. It is against the School of Art + Art History policy for any instructor to require students to wear respiratory protection however, you may recommend it, and you may voluntarily choose to wear respiratory protection: either an N95 filtering face piece, commonly known as a dust mask, or a tight fitting half or full-face respirator. Any user who chooses to wear such respiratory protection is therefore said to be a voluntary user.

Please read the entire policy in the SA+AH Health and Safety Handbook (see link above).

Specific Area Information for Ceramics:

Area Rules
All users of the studio classrooms are expected to follow studio area rules at all times. If you have any questions, ask your instructor.

- Follow all SA+AH Health and Safety handbook guidelines
- Follow the SA+AH Satellite Waste Management Chart in the classroom and other health & safety guidelines posted for your media.
- In case of emergency, call campus police at 392-1111
- File an incident report (forms may be found in the SAAH H&S handbook, the SAAH faculty handbook and in the main office.) Turn completed forms into the SAAH Director of Operations within 48 hours of the event.
- Alcohol is forbidden in studios
- No eating or drinking in the glaze or mixing areas
- Familiarize yourself with the closest eyewash unit
- Shoes must be worn at all times
- It is recommended that Protective equipment be worn at all times: safety glasses when grinding, chipping shelves, etc., protective lenses for kiln viewing, gloves for hot objects, heat-resistant aprons for raku, ear protection for grinding and sawing, rubber gloves for mixing hazardous materials
- Do not block aisles, halls, or doors
• Do not bring children or pets into the studios
• Do not store things on the floor
• Clean up spills immediately
• Scoop up dry materials, mop up liquids, do not spilled materials to original source as they are contaminated now
• Carry heavy or large trash to the dumpster
• Place materials containing barium or chrome in the hazardous waste disposal area
• Do not sweep. This puts hazardous materials in the air. Rather scrape up chunks and wet-clean.
• Report any safety issues IMMEDIATELY to your instructor.
• All courses must engage in an end of the semester clean up.

Follow the **SA+AH CONTAINER POLICY** (see policy)

**All students are required to clean up after themselves. This keeps our studios healthier and more pleasant work places. Failure to clean up the studio after a work period can result in a lowered participation grade; this includes weekend and nighttime use of the studio**

Any questions about Health and Safety? **ASK FIRST** before doing.

**Visitor Policy**
Laboratory and studio spaces in the School of Art and Art History are for educational and research purposes. Use of these spaces is intended for currently enrolled students, faculty and staff only. Occasionally, access may be granted to non-enrolled students, faculty or staff on a case by case situation. Permission is granted through the use of this form you can request from Teaching Lab specialist.

Laboratories and studios are managed and maintained by each SA+AH Area, therefore permission is granted by Teaching Lab Specialist for that lab/studio. If granted permission, all persons using an SA+AH lab/studio must adhere to the policies, procedures and safety measures established in the SA+AH Health and Safety Handbook (www.arts.ufl.edu/art/healthandsafety.com) as well any further instructions given by area Teaching Lab Specialists. Access may be revoked at the discretion of the Area Head, Teaching Lab Specialist, or SA+AH Director, at any time, for any reason, particularly for failure to adhere to verbal or written instructions.

The SA+AH maintains laboratories and studios in art+ technology, ceramics, creative photography, drawing, graphic design, painting, printmaking and sculpture. Access to one lab or studio does not grant access to any other facility within the SA+AH.

**University Policies:**

**Students with disabilities** - I will make every attempt to accommodate students with disabilities. At the same time, anyone requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide you with the necessary documentation, which you must then provide to me when requesting accommodation.

“Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the instructor when requesting accommodation.”

**University Policies:**
The university's policies regarding academic honesty, the honor code, and student conduct related to the honor code will be strictly enforced. Full information regarding these policies is available at the following links:

- **Academic Honesty**: [http://www.registrar.ufl.edu/catalog/policies/students.html#honesty](http://www.registrar.ufl.edu/catalog/policies/students.html#honesty)
- **Student Conduct**: [http://www.dso.ufl.edu/sccr/honorcodes/conductcode.php](http://www.dso.ufl.edu/sccr/honorcodes/conductcode.php)

**Classroom Demeanor**

Students in the School of Art and Art History are permitted to have cell phones turned on in class to receive campus safety warnings. It would be appreciated if you phone is placed on vibrate so that there are no disruptions. Casual use of phones is not allowed in the studio during class.

**Disruptive Behavior**

Faculty, students, administrative, and professional staff members, and other employees (herein referred to as "member(s) of the university), who intentionally act to impair, interfere with, or obstruct the mission, purposes, order, operations, processes, and functions of the university shall be subject to appropriate disciplinary action by University authorities for misconduct, as set forth in the applicable rules of the Board of Regents and the University and state law governing such actions. A detailed list of disruptive conduct may be found at: [http://www.aa.ufl.edu/aa/Rules/1008.html](http://www.aa.ufl.edu/aa/Rules/1008.html)

**Note:** Be advised that a student can and will be dismissed from class if he/she engages in disruptive behavior.

**University Policy for Religious Holidays**

The Board of Regents and state law govern university policy regarding observance of religious holidays: Students, upon prior notification of their instructors, shall be excused from class or other scheduled academic activity to observe a religious holy day of their faith. Students shall be permitted a reasonable amount of time to make up the material or activities covered in their absence. Students shall not be penalized due to absence from class or other scheduled academic activity because of religious observances. Further, a student who is to be excused from class for a religious holy day is not required to provide a second party certification of the reasons for the absence.

**University Counseling Services/ Counseling Center:**

The Center provides counseling and consultation services to currently enrolled undergraduate and graduate students and their spouses/partners. This is a very helpful resource and it is recommend that if you are having difficulties with the class that are not related to course materials consider checking these services out.

## 3-D Concepts Spring '19 Tentative Course Calendar

Calendar date are subject to change. We have a visiting artist arriving in March. For the visiting artist ATTENDANCE IS REQUIRED TO DEMONSTRATION DURING CLASS as well as attendance to the evening lecture. If you cannot attend due to a job or another class that meets at night, you must write a paragraph on their work or gallery by researching on-line.
