Attendance Policy. Attendance is critical to your success in this class. The following policies apply:

1. Your attendance record is based on your signing of the attendance sheet before each class. If you arrive late, you must inform an instructor after class in order to ensure that you are not marked absent, or sign a late sign-in sheet, if provided by your instructor.
2. The student is responsible for all material missed during an absence.
3. It is the student's responsibility to inform the instructor immediately about excused absences.
4. Assignments and class work missed during excused absences must be made up within a timeframe determined by the instructor.
5. Only four unexcused absences will be permitted. Three unexcused tardies constitute an unexcused absence.
6. Each unexcused absence beyond four will lower the student's course grade by 5%.

Cell Phones. The use of cell phones during class is not permitted. It is not only the instructor's right, but their responsibility to remove obstacles to learning. Cell-phone use interrupts the student's concentration, is distracting to other students, and is distracting and disrespectful to the instructor.

Academic Honor Policy. UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment." The Honor Code (<http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Disability Accommodations. Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Course Evaluations. Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at <https://evaluations.ufl.edu>. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at <https://evaluations.ufl.edu/results/>.
