Course Description:
Practical experience in repertory theatre with direct skills application in all areas of theatre production.

Textbooks:
There are no required textbooks. Playscripts will be provided based on assignments.

Weekly Course Schedule:
The weekly schedule is determined by the project supervisor. Some projects allow for flexible scheduling to be arranged in advance with the supervisor. For many projects, individual time management is the responsibility of the student. Students must start or confirm their work shifts by the start of the term, May 13, 2019.

Attendance:
Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx

Disability Accommodation:
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate
documentation. Once registered, students will receive an accommodation letter, which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

**Grading**

THE 4945 requires a minimum of 240 hours of rehearsal and/or laboratory assignment. Each student will have a minimum of two assignments. 140 hours will be credited through the performance of a role in a Summer Repertory Theatre production. A minimum of 100 hours will be required in a second assignment. For students completing both assignments in one or more shop areas, a minimum of 240 hours is required.

THE 6955 requires a minimum of 240 hours of laboratory assignment. Graduate students enrolled in THE 6955 will be given roles and assignments of greater complexity and responsibility than undergraduates enrolled in THE 4945. The expectations for project leadership are also greater for graduate students.

*Note that the responsibilities for the successful completion of THE 6955 are separate from GTA .5 FTE (20 hours/week) contracts.*

Though the design process is complex and unique tasks for each production differ in the amount of time needed to successfully complete a design, the weekly hour breakdown for THE 6955 may look like the following:

- 10 hours design coordination (outside of GTA shop hours but between 8am-5pm) for THE 6955
  - Time for shopping/sourcing/paperwork or any other strictly designer related coordination tasks
- 10 hours of design work (on your own time) for THE 6955
  - Time for work at home or outside of the shop to research/render/prep design package for shop/attend rehearsals

Specific tasks for each bullet point listed above to be provided by area supervisors and posted to the THE 6955 e-learning site by Monday, May 13, 2019.

THE 4945/THE 6955 is graded with the awarding of a letter grade. Project supervisors and shop TAs will provide input for the final grading based on direct observation of student performance. Information on current UF grading policies for assigning grade points may be found at: [https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx](https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx)

Grading evaluation is based upon the following: attitude, professionalism, promptness, attendance, effort, ability to complete assigned tasks, adherence to safety procedures, positive collaborations with the repertory theatre ensemble, arriving in appropriate attire for rehearsals or shops, and overall quality of work. Each rehearsal or shop may establish ground rules for expected demeanor and work performance. Failure to arrive on time for a crew call, strike,
performances or rehearsals, as well as unexcused absences, will significantly impact the final grade.

A = Excellent. Demonstrates a desire to learn and develop skills. Takes interest and initiative in planning, executing, and completing assignments. Displays an interest and ability to work with minimal supervision. Consistently available for job assignments that require performance above and beyond the minimum requirements.

B = Above Average. Learns from job assignments. Demonstrates knowledge of rehearsal techniques and/or shop equipment and facilities procedures. Takes interest and initiative in participating in rehearsal or lab activities. Displays a cooperative and positive demeanor.

C = Average. Attends all scheduled rehearsals, labs and performances on time. Is properly dressed for the work environment. Observes all safety rules and completes assignments satisfactorily.

D = Not available. Does not constitute a passing grade for School of Theatre and Dance majors.

E = Failure. Failure to complete the minimum number of required hours. Pattern of tardiness and lack of preparation. Disregard for other collaborators. Negligence in regard to safety procedures. Failure to meet established project deadlines. Work completed in an unacceptable manner. Failure to complete the minimum number of require hours will result in failure of the course, regardless of whether or not other criteria have been met.

Graduate Teaching Assistantships (GTA)
Graduate students should note that THE 6955 assignments are separate from GTA responsibilities. For example a costume design graduate student might be assigned two summer design assignments for THE 6955 with separate GTA responsibilities of working in the costume shop. The weekly hour breakdown that includes BOTH GTA hours and THE 6955 hours may look like the following:

- 20 hours in costume shop for GTA Assignment
- Minimum 10 hours design coordination (outside of the shop hours listed above but between 8am-5pm) for THE 6955
  - Time for shopping/sourcing/paperwork or any other strictly designer related coordination tasks
- Minimum 10 hours of design work (on your own time) for THE 6955
  - Time for work at home or outside of the shop to research/render/prep design package for shop/attend rehearsals
