It is expected that you will exhibit ethical behavior concerning your work in this class. Students are expected to do their own work, use their own words in papers, and to reference outside sources appropriately. Failure to uphold the standards of academic honesty will result in the appropriate disciplinary action.

As a result of completing the registration form at the University of Florida, every student has signed the following statement:

"I understand that the University of Florida expects its students to be honest in all their academic work. I agree to adhere to this commitment to academic honesty and understand that my failure to comply with this commitment may result in disciplinary action up to and including expulsion from the University."

We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity.

Furthermore, on work submitted for credit by UF students, the following pledge is either required or implied:

"On my honor, I have neither given nor received unauthorized aid in doing this assignment."
