Policies

**Attendance:** Attendance is mandatory and will be taken at the beginning of each class. Course objectives will be met by attending and actively participating in each class session. Students are expected to arrive to class on time, stay the entire class period and be prepared to participate in all class discussions and activities. Arriving 30 minutes late or leaving 30 minutes early will receive a 50% deduction in attendance points for that class. Every 2 late arrivals or early departures will result in an absence. Students are accountable for materials covered in lectures and discussions. If a student misses a class, it is their responsibility to contact other students to find out what was missed. Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: [https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx](https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx).

- **Courtesy Policy:** Students are expected to behave in a manner that is respectful to the instructor and fellow students. Opinions held by other students should be respected in discussion and conversations that do not contribute to the discussion should be minimal. Please avoid the use of cell phones and other electronic devices and restrict eating to outside of the classroom. Inappropriate behavior will result in a request to leave class.
- **Recording classroom sessions:** To ensure free and open discussion of ideas, students are not allowed to record classroom lectures, discussions or activities without advance written permission of the instructor.

**Assignments:** All written assignments should be submitted via Canvas unless other arrangements have been made with the instructor.

- **Late Assignment Policy:** Students will be given three days after the due date to make up any material missed. In the case of extenuating circumstances, arrangements will be made on a case-by-case basis through written documentation between the student and the instructor.
- **Source Citations:** All assignments should be formatted in APA style, double spaced and 12 point font, such as Times New Roman or Cambria. Research must include a bibliography citing all sources used.

**Communication:** Each student is issued a University email address upon admittance. Students are expected to read email sent to this account on a regular basis. Failure to read and react to University communications in a timely manner does not absolve the student from knowing and complying with the content of the communication.
Email: Email through Canvas is the preferred communication method. The instructor will attempt to respond to all emails within 48 hours, excluding weekends or holidays where the time might be slightly longer.

Academic Honesty: The university’s policies regarding academic honesty, the honor code, and student conduct related to the honor code will be strictly enforced. Full information regarding these policies is available at the following links:
- Academic Honesty: https://catalog.ufl.edu/ugrad/current/advising/info/student-honor-code.aspx#honesty

- Student Conduct: https://catalog.ufl.edu/ugrad/current/advising/info/student-honor-code.aspx#conduct

Disabilities: Students with disabilities requesting accommodations should first register with the Disability Resource Center (352.392.8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.
