Any discussions, lectures, or critiques will take place after students have set up for the day's assignment. Students are expected to spend as much time on their homework as they spend in-class.

PARTICIPATION – 10%

Participation includes attending class, arriving at studio ready to work, on time, with materials, studio clean up, following Health and Safety guidelines, and participation in critiques and class discussions. Students will come to class early, set up (EARLY!), and work until the end of class.

Grading

LETTER GRADE AND CORRESPONDING GRADE POINTS

A	A-	B+	B	B-	C+	C	C-	D+	D	D-	E	WF	I	NG	S-U
4.0	3.67	3.33	3.0	2.67	2.33	2.0	1.67	1.33	1.0	0.67	0	0	0	0	0

Specific criteria for grading includes: adherence to the assignment parameters, research/studio practice, concept development, formal resolution, and craft/presentation. Late projects will not be accepted.

Students must earn a grade higher than C- to earn credit toward their major.

Generally project grades in this course are considered in the following way:

- **A 4.0** Exceptional work, all criteria of assignment have been surpassed in a distinguished manner and solutions to problems presented exhibit a depth of understanding. In addition, student is engaged in exceptional studio practice, which includes active research, looking up artists recommended, asking relevant questions about other artists' works or ideas, and being thoroughly engaged in the course content.
- **A- 3.67** Well-presented, superior work: all criteria of assignment were surpassed in a distinguished manner (including exceptional studio practice highlighted above). Minimal improvements could be made to the project overall.
- **B+ 3.33** Very good work: all criteria of assignment were surpassed, minor changes could be considered and executed to bring piece together and studio practice was exceptional.
- **B 3.0** Very good work: above average solutions and clear potential. Most criteria of assignment were surpassed with some improvements to be made. Execution was well done. Studio practice during the project was commendable.
- **B- 2.67** Good work: most criteria of assignment were met. Work showed promise with a few significant improvements to be made. Studio practice was adequate.
- **C+ 2.33** Slightly above average: work, most of the criteria of the assignment were met. The work is not yet a unified whole or cohesive statement, yet effort was made. Studio practice was adequate, but could be more reflective and thoughtful.
- **C 2.0** Average work: the assignment directions were followed and the requirements were met in a relatively routine way. Slippage in levels of craft, originality and presentation-studio practice was adequate, but could be more reflective and thoughtful.
- **C- 2.67** Slightly below average work: the assignment directions were followed and the requirements were minimally met, but there is much room for developing assignment's concepts further. The level of craft and breadth and depth of idea development needs to be improved. There is some evidence of studio practice, but the quality and quantity is lacking.
- **D+ 1.33** Below average work: an attempt to solve the problem was made, but there is much room for improving skills and developing your concepts further. The criteria of the assignment are barely met. Basic craftsmanship skills have been neglected and there is a lack of breadth and depth of idea development. There is minimal evidence of studio practice, but the quality and quantity is lacking.
- **D 1.0** Inadequate, below average work: the requirements of the assignment are not addressed. The execution of the work is careless and represents an incomplete effort. Work is substandard. There is little or no evidence of studio practice.
- **D- 0.67** Unacceptable work and effort: the requirements of the assignment are not addressed. The execution of the work is careless and represents an incomplete effort. Work is substandard. There is little or no evidence of studio practice.
- **E 0** Unacceptable work and effort: the work submitted is inadequate; the requirements of the problem are not addressed. The piece represents careless and/ or incomplete effort. No evidence of studio practice. Work is substandard. Or, assignment was not submitted.

Attendance Policy

ATTENDANCE

Students are expected to attend all classes. You are required to work/participate the duration of the scheduled class period. Full participation by showing completed work during all scheduled critiques is required along with active participation through shared ideas and commentary.

Unexcused absences will be cause for a lowered grade, the 3rd of which will count as a 50% decrease towards your participation, and the 4th being a 0% participation grade. Having 6 or more unexcused absences is grounds for failing the course. Absences will be counted from the first class meeting onward. Appropriate documentation from the student health service should be obtained for medical excuses. In general, acceptable reasons for absence from class include illness, serious family emergencies, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions, religious holidays and participation in official university activities such as music performances, athletic competition or debate. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. Other sound reasons may be offered.

If an absence occurs it is the student's responsibility to make up all work. Students should check with the instructor or another student outside of class time when they miss a class (prior to missing the class if possible), as in- and out-of-class exercises are spontaneously assigned. Students should bring a doctor's note for any class from which they expect to be excused. Please address any concerns, problems, and questions regarding this class to the instructor as they arise.

TARDINESS

Arrival to class after start of class will be noted and three such incidences will count as one absence. Leaving early from class will also be considered as tardiness, and will be counted as such.

Students are responsible for satisfying all academic objectives as defined by the instructor. Students who do not attend at least one of the first two class meetings of a course or laboratory in which they are registered, and who have not contacted the department to indicate their intent, may be dropped from the course. The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors may prohibit further attendance and subsequently assign a failing grade for excessive absences.

LATE WORK

All projects, reading responses, and research projects must be completed on time for full credit. Due dates are announced in class. Late work is not accepted. If the time line states that a project is due at the beginning of class, turning it in at the end or after class is considered late. You must have work finished before the start of class on critique days or your work will not be critiqued. It is the student's responsibility to turn in all work on time. Full participation by showing completed work during all critiques is required along with active participation through shared ideas and commentary.

UNIVERSITY POLICY FOR RELIGIOUS HOLIDAYS

The Board of Regents and state law govern university policy regarding observance of religious holidays: Students, upon prior notification of their instructors, shall be excused from class or other scheduled academic activity to observe a religious holy day of their faith. Students shall be permitted a reasonable amount of time to make up the material or activities covered in their absence. Students shall not be penalized due to absence from class or other scheduled academic activity because of religious observances. Further, a student who is to be excused from class for a religious holy day is not required to provide a second party certification of the reasons for the absence.

UNIVERSITY ILLNESS POLICY

Students who are absent from classes or examinations because of illness should contact their professors. If you're unable to attend class due to illness, please email the teacher prior to class meeting time. Please state your name, class, as well as the reason you will not be attending class that day.

More detail on the University Attendance Policy can be found here:

When storing materials it is advisable that you have your name on everything with a black marker, the course you are in, and the instructor's name. Lockers and the attending forms are located on the second floor.

Safety and Studio Use

The studio is for your use outside of class time when other classes are not in session. You will be given the combination to the studio. You are expected to follow studio guidelines at all times. It is suggested that you do not work alone in the rooms at night. Lock the doors when working and do not let anyone into the room that does not know the combination. There is a first-aid kit located in each room.
