**Purpose and Objectives of the Course:** The overall aim of this course is to help art students seeking Florida PreK-12 Art Teacher Certification in developing their knowledge and skills in the theory and practice of teaching Art. The following course objectives identify the knowledge, skills, and attitudes prospective art teachers should acquire in order to provide children of varied ages and abilities with appropriate art-learning experiences. These objectives are aligned with the six (6) Florida Educator Accomplished Practices (FEAPs), which the State of Florida expects all beginning teachers demonstrate at the pre-professional level. At the completion of this course, pre-service art education students will be able to:

- link art learning experiences to the New Generation Sunshine State Standards in the Visual Arts (FEAP 1a).
- identify and implement effective art teaching practices in preK-12 classrooms and other educational settings. (FEAP 1-6).
- plan comprehensive art curricula that effectively engage all children (preK-12) in doing independent and group work (FEAP 1b, 1c, If, 3e).
- identify and apply a variety of methods, strategies and resources to maintain children’s interest and focus on learning (FEAP 2a, 2b, 2c, 2g 2h, 2i, 3g).
- demonstrate the ability to present instructions, directions, and expectations clearly and effectively (FEAP 2e, 3a).
- identify incentives and consequences that establish and maintain a positive environment focused on learning (FEAP 2b).
- demonstrate proficiency with art tools and materials appropriate for classroom use (FEAP 1c, 1f, 3b, 5e).
- select develop and use tasks and instruments for assessing student learning and performance in art (FEAP 1d, 1e, 3c, 3d, 3h, 3i, 4a-f).
- select and develop strategies to promote student’s critical, creative and higher-order thinking skills through art (FEAP 2c, 3f).
- identify potential hazards in the art classroom (FEAP 6).
- integrate art content and skills with other subject areas and real life situations. (FEAP 2g).
- select and develop practical procedures for organizing and managing the art room (FEAP 2a, 2b).
- use art education literature and print resources to facilitate teaching and learning in art (FEAP 5d, 5e).
- use electronic technologies to gather information for planning and improving art instruction and learning (FEAP 2i, 4f).

**Methods of Instruction:** The primary instructional methods of this class include instructor modeling, lectures, and group discussions of course topics. To assist students in developing their knowledge of the course content and their pedagogical skills, additional learning strategies (i.e., reading, writing, making, collaborating, field experiences, practice teaching, etc..) will be employed. In all, students will be expected to
be actively involved in the learning process and to take primary responsibility for their own professional
development.

Text and Materials: No required textbook. Readings and resources will be available online through UF's
eLearning CANVAS (LMS), and the Livetext™ portal (COE) https://education.ufl.edu/student-
services/experience-and-internships/. Additional readings may be assigned at the discretion of the instructor.

Finger Printing: The 2004 Florida legislature passed Senate Bill 2986 amending Sections 1012.32 and
1012.56, Florida Statutes. Effective June 10, 2004, all students in educator preparation programs who are
engaged in field experiences and who have direct contact with PreK-12 students are required to supply the
school district with fingerprints for the purpose of completing a criminal background check. Directions for
fingerprinting and background checks and cost https://education.ufl.edu/school-teaching-

Suggested Text: While there are NO required textbooks for ARE4242, the following are some
recommended for anyone building a personal art education reference library and may prove useful in your
independent growth as an art educator.

Art education textbooks and journals (i.e., Art Education Journal, Studies in Art Education, School Arts, and
Arts and Activities) are housed in the Education Library in Normal Hall. All materials used to complete in-
class assignments will be furnished through a lab fee. Students are expected to have a GATORLINK email
account and to check it regularly.

Deadlines for all assignments are listed in the course calendar which will be available in class and on
CANVAS.

Course Requirements: To achieve the objectives of this course, the student will:
• document his/her professional development and experiences during the semester, for inclusion in a final
teaching portfolio.
• complete 18+ hours volunteering and practice teaching in an art classroom and/or community art events,
plus document and reflect upon these experiences in a field experience journal.
• develop an original unit plan consisting of two (2) art lessons, along with a supporting print and digital
materials. *
• plan and teach a micro-lesson related to the course content to the rest of the class.
• participate in class discussions and complete all in-class activities.
• Read and review assigned readings in writing and be prepared to discuss in class.

All students are expected to include examples of assessment strategies in their unit plan (e.g. rubrics) along with a 10-
slide PowerPoint presentation and Pinterest board to support the teaching of their unit plan.

Students enrolled in ARE 6247c will complete an additional assignment based on the above options and mutual
agreement between the student and instructor.
Reading Reviews. Reading, summarizing, and reflecting upon the literature of your field is an important part of becoming a professional art educator. In this class, written reading reviews must be typed and between 1000-1200 words (or 2-3 pages) in length, unless otherwise indicated in the assignment. In general, you should use 1-inch borders, 1.5 line spacing, and a 10-pt or 12-pt typeface such as Times Roman or Arial. Place your name and date with a title for the reading in the top left hand corner of the first page. Then, organize your written response under three sub-headings: Summary, Key Points, and Personal Reflection, unless otherwise indicated in the lesson instructions. Lastly, cite the articles you read at the end of your review under a sub-heading of References. Additional guiding questions and instructions are given for each lesson’s readings.

The following criteria will be used to assess your written reviews: (a) clarity, (b) critical analysis, (c) completeness, and (d) presentation. 10 points are possible for each written review for a total of 100 possible points at the end of the term, or 30% of your final course grade. Note that a “10” is not the default score for a reading review grade.

Field Experiences: Students in this course are required to complete 18+ hours volunteering and practice teaching in an art classroom and/or community art setting, plus to reflect upon these experiences in a field experience journal. Students who are absent from or unable to participate in their assigned field experiences must arrange and complete comparable field experiences by the end of the term. As part of this course as well as FLDOE requirement for eligibility for teacher licensing there is a minimum of 18+ hours of guided field experiences that will be made available to you this semester. Field Experience enables you as a student to integrate your academic studies with periods of practice related to your career goals. It is a program of educational enrichment designed to enhance your academic and personal development in preparation for a career in art education. The experience is designed to provide you with individual practical field experience with a mentor while giving employers access to resourceful students preparing for professional positions. During that time, you will reflect through a series of questions and journal/blog entries.

Unit Plan: You will design an art unit plan consisting of two original lesson plans using art learning standards for the appropriate age level you plan to teach in the future. A detailed rubric and lesson plan template will be provided on CANVAS, and time will be built into our class meetings schedule to assist you on this assignment.

Grading policy: Learning and teaching will occur concurrently through the structure of the class and offers many opportunities for evaluation. Assignments are listed below and will be reflective of the project(s) and professional experiences developed by you as a class member. Education is an ongoing process of self-reflective synthesis of course content, individual research, and future paths. You should take every opportunity to take advantage of this and extend the class in a direction that is most valuable to your unique needs in pursue and art educational career. Final grades will be based on the timely completion of all requirements for the course. Final grades will be determined according to the following scale:

Grading Scale:
95-100 A; 92-94 A-; 88-91 B+; 85-87 B; 80-84 B-; 77-79 C+; 74-76 C; 70-73 C-; 67-69 D+; 63-66 D; 60-62 D-; 0-59 E.

To determine the impact of grades on GPAs: www.registrar.ufl.edu/catalog/policies/regulationgrades.html. See https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx for additional information on UF grading policies.

Please Note: A grade of C- or below will not count toward major requirements.
In addition, students must pass all three of the FTCEs before they are eligible for the Art Education Certificate.

**Evaluation**: Final grades will be calculated according to the following percentages:

**Professionalism** (10% / 50 pts.): The professionalism score will be determined based on the following factors:

- Attendance and Punctuality Policy: 2 absences will be excused. Every subsequent absence will take 3 points off the final grade. 3 tardies count as 1 absence. If a student wishes to have an absence excused they must provide the instructor with a written explanation of absence and/or appropriate verification when necessary (e.g., letter from doctor or parent) is required the week following the absence.

- Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx

- Professional Behavior in Class and During Field Experiences. Teacher professionalism contains three essential characteristics, competence, performance, and conduct, all of which directly impact the teacher’s effectiveness. You will receive a score on professionalism in this class based on your engagement in class discussions and project work, as well as your demonstrated interest in learning, preparedness each week, completion of all in-class and out-of-class assignments in a timely manner, dependability, consideration of others, attendance, and contributions to our learning community. Inappropriate cell phone use, excessive socializing, inappropriate dress during field experiences, lack of attentiveness are some examples of behaviors that can impact this score.

- Participation in Class: Asking questions and moving class discussion forward, giving your best effort to class activities, doing your part to contribute to group work, and speaking up when you are confused are all aspects of this score.

**Key Tasks** (Part of Course Assignments): The State of Florida requires all entry-level educator candidates to demonstrate mastery of six (6) Florida Educator Accomplished Practices (FEAPs) at the pre-professional level. In this course, we will cover all the FEAPs. Four course assignments have been selected as “Key
Tasks” that will assess your mastery of knowledge, skills, and/or dispositions that the State of Florida requires of all entry-level educators. These assignments were specifically selected as Key Tasks because they align with the 6 Florida Educator Accomplished Practices (FEAPs).

Your mastery of each Indicator will be measured by your performance on a Key Task. To pass this course, you must successfully complete all Key Tasks and receive a rating of “Developing” or higher. No exceptions will be made to this rule, even if you do not plan to practice in Florida after graduation or do not apply for state certification.

Students who receive an “Unsatisfactory” rating will be offered a chance to redo the Key Task or, in some cases, to complete a comparable task assigned by the instructor. Students who do not complete their makeup work satisfactorily will receive a failing grade at the instructor’s discretion. For more information, please visit the Educator Assessment System Student Portal at: https://my.education.ufl.edu/ (Links to an external site.).

State of Florida requires all entry-level educators to demonstrate mastery of six (6) Florida Educator Accomplished Practices (FEAPs) at the pre-professional level. In this course, we will cover several FEAPs. We will pay particular attention to the following Accomplished Practices and indicators of your mastery of those practices.

### Online Teaching Portfolio

**Online Teaching Portfolio:** You will curate and assemble an online portfolio (ARE2045, ARE4242, ARE4243) over the course of your professional development here at UF that reflects your accomplishments. You can link your lesson Plan and Pinterest board to the profession components of ARE4242.

**Electronic Device Policy:** A note on cell phones, texting, and checking one’s email during class: Research has shown us that even having our cell phones on the table in front of us diminishes our ability to learn well; further, taking notes via computer diminishes one’s ability to process information. Checking texts, emails, and messages is also unprofessional and disrespectful to our class community. Please put your phones on vibrate, do not check email, Facebook etc. via computer during class; I will do so as well. I appreciate your cooperation with this important aspect of creating a class of which we all want to be a part.

**Late Work and Make-Up Work Policy:** Late assignments lose 10% of their value for being late and will not be accepted beyond 7 days of the due date. Being absent from class does not excuse a student from meeting deadlines. Students will have the opportunity to make up work missed only when absence is excused and permission is requested and given through email.

**Online Resources:** A few of the many online resources available to you as you prepare to become an art educator:
- FLDOE ARTS [http://www.fldoe.org/academics/standards/subject-areas/fine-arts.shtml](http://www.fldoe.org/academics/standards/subject-areas/fine-arts.shtml)

**Student Conduct and Honesty Codes:** Students are expected to abide by the UF Academic Honesty Policy, which defines an academic honesty offense as "the act of lying, cheating, or stealing academic information so that one gains academic advantage." In the context of this class, this includes properly citing sources for any materials (both printed and online) used in completing course assignments.

Online Course Evaluation Process: Students are expected to provide feedback on the quality of instruction in this course based on 10 criteria. Faculty does not receive the results until after the grades have been finalized. These evaluations are conducted online at https://evaluations.ufl.edu. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at https://evaluations.ufl.edu/results/
