Course Description:

The class is a physical process that offers actors an alternative way of thinking about character embodiment. The class drops in the basic physical language and awareness that will benefit actors in a training program, as well as a cast throughout the rehearsal period.

Based on the premise that each body holds the potential to experience every human condition, the class trains not just the physical body but also the mental and emotional body as well... without this self-dissection every character will look and feel the same. By first looking at the emotional and physical habits that limit the actor, this process ensures a healthier actor with a wider range of character choices.

The class begins with the yoga and modern based Lucid Body Warm-Up. The students are then taken through a variety of physical exercises designed to open awareness of their alignment and personality habits; exercising the areas that most challenge them - whether they be unknown, or over-used aspects of personality. This process is individually catered to the needs of each student. Lastly, the students apply their new-found avenues of expression toward creating deep, revealed characters, and connecting more fully and impulsively to their scene partners.
**Course Goals:**

- Learning about Self and the physical Body and connecting it to acting
- Develop internal and external awareness
- Discover the efficiency of alignment, body

Physical contact may range from simple touch, to correcting alignment and/or relaxation massage. **Class Attendance and Make-Up Policy**

Class attendance is expected. Each unexcused absence will result in a 10 point reduction in the final grade. Excused absences are consistent with university policies in the undergraduate catalog (https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx) and require appropriate documentation. Late essay response papers will not be accepted. A makeup midterm and makeup final exam will be provided for students who miss either exam due to extreme, documented circumstances. A cumulative make-up quiz will be provided at the end of the semester for any and all quizzes missed. This score will replace all missing quiz grades. Students should arrange with the instructor for makeup material, and the student will receive one week to prepare for any makeup assignment, if circumstances allow it.
**Students Requiring Accommodations**

Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, [https://www.dso.ufl.edu/drc](https://www.dso.ufl.edu/drc)) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

**Course Evaluation**

Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at [https://evaluations.ufl.edu/evals](https://evaluations.ufl.edu/evals). Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at [https://evaluations.ufl.edu/results/](https://evaluations.ufl.edu/results/).
