DIG4306 ADVANCED DIGITAL ANIMATION TECHNIQUES

Instructor
Aaron C. Karlson

Phone
(352) 294-2000

Email
Canvas Mail

Office Location
NRG

Office Hours
Wednesdays 1 – 3 PM

Course Number
DIG4306

Semester/Year
Spring 2020

Course Credits
3 credits

Course Location
NRG 0120 (ORC)

Course Meeting Times
MON Period 4
WEDS Periods 4/5

Course Description
This course focuses on advanced work in the practical principles and techniques of 3D software animation environments. Includes quad mesh design and editing for complex motions, shading techniques and lighting, various camera projection models, rendering techniques, and efficient use of GPU resources for photorealistic real-time 3D animation.

Pre-Requisites
DAS major and DIG 3305C with minimum grade of C or written permission of Instructor.

Objectives: By the end of this course, students will be able to:

- Demonstrate a complete workflow for 3D character animation in the film and game industries
- Articulate the differences between animation pipelines for films and those for video games
- Create a simple dynamic simulation in Maya
- Create a key framed animation with a complex body motion
- Export game-biped animation for video games

Required Materials
- Autodesk Maya 2019  (Educational version is free for students) [DOWNLOAD]
- Adobe Photoshop CC
- Adobe After Effects CC
- Two-monitor setup for software instruction (ONLINE students only)
- 3 Button Mouse

Recommended Materials
- The Animator’s Survival Kit – Revised Edition: A Manual of Methods, Principles and Formulas for Classical, Computer, Games, Stop Motion and Internet
- Williams, Richard
- 2012, 2nd
- 978-0865478978
# Course Schedule

This schedule is only a guide and is subject to change. Unless otherwise indicated, assignments and readings are due the day they are listed on the syllabus, not the following day.

<table>
<thead>
<tr>
<th>Week</th>
<th>Subject</th>
<th>Assignment/Quizzes</th>
<th>Assignments Due</th>
</tr>
</thead>
</table>
| Week 1 | Course Objectives  
 Overview of course and objectives  
 Reviews from the introduction to 3D animation course  
 ● Maya 2019  
 ● Recommended reading  
 ● Online Help | Review the class lecture | Be familiar with the Maya interface  
 Getting ready for the first assignment |
| Week 2 | Reviews on animation principles  
 ● Timing  
 ● Spacing  
 ● Breakdowns  
 ● In-betweens | Assignment 1: Motion Practice |
| Week 3 | Game Biped Animation Part I  
 ● Animations in game development  
 ● Looped animation | Assignment 2: Create a looping stationary animation  
 Assignment 1: Motion Practice |
| Week 4 | Game Biped Animation Part II  
 ● Actions for interactions | Assignment 3: Create an action move  
 Assignment 2: Create a looping stationary animation |
| Week 5 | Reviews on Lip Sync  
 ● Dialogue Animation  
 ● Face controls  
 ● Emotion study | Assignment 4: Short Dialogue  
 Assignment 3: Create an action move |
| Week 6 | Animation with Paint Effects  
 ● Organic Plant Animation | Assignment 5: Time Lapse  
 Assignment 4: Short Dialogue |
| Week 7 | Liquid simulation Part I  
 ● Basic fluid effects in Maya  
 ● Working with particles | Assignment 6: Dynamic Simulation Part 1  
 Assignment 5: Time Lapse |

More information on grades and grading policies is here: [https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies/](https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies/)

**Materials and Supply Fees**

Material and supply and equipment use fee information is available from the academic departments or from the schedule of courses (Florida Statutes 1009.24). The total course fee for this class is $0.00.

The total course fee for each course is listed on the UF Schedule of Courses. ([https://registrar.ufl.edu/soc/](https://registrar.ufl.edu/soc/)).

**Course Polices**

**Attendance Policy, Class Expectations, and Make-Up Policy**
We value participation more than mere attendance. The instructor is responsible for communicating the specific details of what percentage of your grade (if any) will be assigned to participation, and how class participation will be measured and graded. Interaction with your peers and the instructor will empower you to greater achievement.

Three unexcused absences will result in the drop of one letter grade (i.e. the student will now only be able to obtain a maximum grade of 'B' for the course). Students should contact the Instructor 24 hours before class time (If possible) if they wish to be considered for an excused absence. Upon return to class, students must provide documentation for their absence. Students should communicate with the instructor about their absences and be proactive about their course work.

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/

Course Technology
The students will be required to have access to and use a personal computer with the access to the Internet. Word editing software will be required for written assignments.

The University of Florida and Digital Worlds requires that students have access to and on-going use of a laptop/mobile computer for DIG courses in order to be able to function in the current learning environment. Digital Worlds requires each student’s laptop computer to meet certain minimum specs for heavy graphics use, the requirements documented below must be met.

DW Technology Requirements: https://digitalworlds.ufl.edu/programs/ba-in-digital-arts-sciences/technology-requirements/

Course Communications
Students can communicate directly with the instructor regarding the course material through the course management system (CANVAS) using “Canvas Mail”.

Course Technology Support

The Technology Support Center provides computer support for Digital Worlds students who access Zoom, lecture recordings, student equipment, facilities and other technology-based resources. http://digitalworlds.ufl.edu/support

For computer assistance related to Zoon, lecture recordings, student equipment, and facilities request please Submit a Help Ticket or email support@digitalworlds.ufl.edu.

For support related to account services, technical consulting, mobile device services, software services, administrative support, application support center, and learning support services, please contact the UF Computing Help Desk available 24 hours a day, 7 days a week at 352-392-4357 or helpdesk@ufl.edu.

UF Policies
University Honesty Policy
UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (https://www.dso.ufl.edu/sscr/process/student-conduct-honor-code/) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Class Demeanor
Students are expected to arrive to class on time and behave in a manner that is respectful to the instructor and to fellow students. Please avoid the use of cell phones and restrict eating to outside of the classroom. Opinions held by other students should be respected in discussion, and conversations that do not contribute to the discussion should be held at minimum, if at all.

Students Requiring Accommodations
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, https://www.dso.ufl.edu/drc) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Netiquette Communication Courtesy
All members of the class are expected to follow rules of common courtesy in all email messages, threaded discussions and chats, more information can be found at: http://teach.ufl.edu/wp-content/uploads/2012/08/NetiquetteGuideforOnlineCourses.pdf

Software Use
All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Student Privacy
There are federal laws protecting your privacy with regards to grades earned in courses and on individual assignments. For more information, please see: http://registrar.ufl.edu/catalog0910/policies/regulationferpa.html

Course Evaluation
Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at https://gatorevals.aa.ufl.edu/students/. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via https://ufl.bluera.com/ufl/. Summaries of course evaluation results are available to students at https://gatorevals.aa.ufl.edu/public-results/.
