Course Description

Applied lessons are comprised of a progressive sequence of learning designed for the individual tuba and euphonium student. Each student has the opportunity to develop the highest level of musicianship and technical proficiency of which he/she/they are capable.

Course Pre-Requisites / Co-Requisites

Students must audition for acceptance into the tuba euphonium studio.

Course Objectives

Each student should be able to demonstrate:

- Knowledge and facilitation of all major and minor scales
- The ability to evaluate performances critically – written and verbal
- An ever-evolving technical skill/ability on their instrument

Required Materials

All text and solo material will be assigned by Dr. VanTuinen on an individual basis.

Please own the following materials:

- Lesson Journal (bring to each lesson)
- A recording device (zoom, iPad, phone or computer)
- Metronome and Tuner
- Required materials for each lesson (assigned individually)

Practice Expectation

Daily diligent and focused practice is directly related to improvement. The goal is to improve your playing and performance ability on a daily and weekly basis. It is expected that if a student is registered to two lesson credits, he/she will practice for a minimum of two hours per day. The same goes for 3 and 4 credits. The semester grade will partially be determined based on the weekly preparation and performance in lessons.

Studio Class

Applied lesson students are required to attend all studio classes (Monday at 12:50pm). Students are expected to participate/perform at least once a semester during studio. Various topics, discussions and excerpts will be assigned and presented within class. Unexcused absences will directly impact the final grade.

Juries

All students are required to perform a jury at the end of each semester unless the student is performing a recital, in which case he/she/they are not required. The jury grade will count for 30% of your final course grade.

Recitals

Each student is required to perform regularly for studio recitals (during studio class – Monday, 12:50pm) and Convocation Recitals. Attendance is mandatory for all tuba/euphonium events. Junior recitals are required of both Music Education and

Music Performance majors. Senior recitals are required of Music Performance majors. Recitals are graded by a committee selected by the student, please see the music catalogue for more information.

Grading

Weekly Lesson Preparation/Performance 50% (Weekly lesson preparation, studio performances, ect.)
Attendance 20% (Studio class, area recitals, tuba/euphonium events)
