**CLASS PREPARATION**

Success in this course will be achieved by preparing weekly exercises. The assignment for each week is comprised of two components: readings and practical exercises. These practical exercises shall be recorded and must be submitted by 5PM each Friday. Complete details in the tentative course schedule below. We will plan to meet as a class via UFZoom to discuss readings and exercises. Meeting time will be set during the first week of classes. Requirements for class attendance and make-up exams (if applicable), assignments, and other work in this course are consistent with university policies: [https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/](https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/)

**REALIZATION PROJECT**

The culminating written project for this course will be an original, publishable, realization of a continuo part of a movement or section of a work from the Baroque period. Using the figured bass indications in the original score or manuscript, the student will present their version of a continuo part that utilizes the techniques discussed in the course. If at all possible, the work will be performed, with appropriate instrumentation. **PROJECT DUE no later than Wednesday, December 9th at 5PM.**

**NOTEBOOK**

The student will be required prepare a digital course notebook. This notebook should contain handouts, definitions, annotated bibliographies, etc. The purpose of the notebook is to serve as a resource for the future. **NOTEBOOK DUE during final exam week, no later than Wednesday, December 16th at 5PM.**
