## ATTENDANCE

Prompt and regular attendance is required at all class meetings. Any class conflicts must be cleared with the director a minimum of one week in advance unless it is an emergency. The determination of unexcused absence will be made at the discretion of the director.

### **Attendance Policy**

All class meetings are required. Any unexcused absences will lower the final grade automatically 1/2 a letter grade, i.e. ...1 unexcused = A to A-, 2 unexcused = A- to B, etc. All excused absences will require the proper written documentation that the student has been excused from school during the time in question. Without this approval we cannot excuse an absence.

It is required to check the platform and announcements online 3 times a week. This is critical to minimize e-mail traffic, student questions, to lower student anxiety, and it helps to inform students of concerts they can attend. NOTE: Students often have the same questions that need to be. With that in mind, the “Announcements” will be the medium that the instructor communicates all answers to basic questions. In some cases, a student’s question will require a personal response, and in those cases, a personal response will be issued to the student. Please note that you may be penalized -5 points for not reading the Announcements or for not being aware of their content. This ensures scholarly activity from our talented students in terms of being accountable to read instructor communication during the course.

## ANNOUNCEMENTS THAT ARE

# PREPROGRAMMED INTO THE PLATFORM

## **Title: STEP 1. Purchase the book and online testing platform.**

You can get a hard copy of the book in the Reitz Union Bookstore or you can order directly from Kendall Hunt and save a little money. See Canvas' home page for this class for our current ISBN numbers and ordering links.

Remember to save your confirmation code (you will enter this code into to access the interactive online platform).

---

## **Title: Announcements must be checked 3 times a week**

You are required to check your CANVAS platform and announcements a minimum of 3 times a week and very frequently. You are responsible for all announcements posted and responsible for all e-mails sent to you from your instructor. If you miss an announcement during the week you will miss the points associated with that announcement. This is the most important rule for this course to function smoothly for both students and instructors.

---

## **Title: FLEXIBLE SCHEDULE / MISSED ASSIGNMENTS**

All assignment deadlines are listed in the syllabus and/or announcements.

**SPORTS:** Students enrolled in sports must keep your schedule and take tests early if you are unavailable during testing week. Assignments have multiple days for submissions to accommodate everyone's busy schedules so please plan ahead if you are busy during the final days that an assignment is open.

**SPECIAL OCCASIONS:** If you are getting married, are keeping a work schedule, have an athletic event, are leaving the country, etc., you are still responsible for all the due dates listed in the announcements (please plan ahead because there are no exceptions). We have given students ample time to complete all assignments and accommodate their schedules.

---

## **Title: RULES FOR EXAMS AND ALL ASSIGNMENTS**

1. You must do all your work independently.
  2. You may not work on any assignment or exam together.
  3. In this online class you may not share any information from exams, quizzes, assignments, etc.
  4. You may not copy in any way the content in this course.
  5. Distribution of course content by any student will be reported to the proper offices and action will be taken based on the offense.
  6. To keep the playing field level for all students, if you receive answers to quizzes or exams from any student or source you should report it to your teacher immediately or you may be held responsible for possessing the materials.
  7. You may not use outside internet sources during the assignments or exams unless instructed to do so (read instructions carefully on quizzes and exams).
  8. You may use all your personal notes.
-

**Title: Students who have not participated on the online platform by the first day of week 5 may be dropped from the course.**

Students who have not participated in the online platform by week 5 may be dropped from the course unless proper documentation is provided. This rule is necessary to ensure students are complying with posted announcements and quizzes and to ensure the students are not overwhelmed from starting the course late. It is also important to remember that all students are held accountable for all deadlines regardless of when they decide to purchase the materials.

---

**Make-ups for Exams or Other Work**

In order to remain fair to all students enrolled in this course who are held to the same academic standard, make-ups for any assignment will require written documentation that the student has been excused from school during the time in question. Without this approval we cannot issue a make-up. This includes all requests for permission to grant a make-up for personal issues involving family, work, deaths, hardships, marriages, pregnancies, illnesses, financial problems, etc. We do apologize for this inconvenience, however, in order to be ethically in good standing, this documentation is needed to ensure the accuracy of all claims made.

**Covid Requirements**

We will have face-to-face instructional sessions to accomplish the student learning objectives of this course. In response to COVID-19, the following policies and requirements are in place to maintain your learning environment and to enhance the safety of our in-classroom interactions.

- You are required to wear approved face coverings at all times during class and within buildings. Following and enforcing these policies and requirements are all of our responsibility. Failure to do so will lead to a report to the Office of Student Conduct and Conflict Resolution.
- This course has been assigned a physical classroom with enough capacity to maintain physical distancing (6 feet between individuals) requirements. Please utilize designated seats and maintain appropriate spacing between students. Please do not move desks or stations.
- Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
- Follow your instructor's guidance on how to enter and exit the classroom. Practice physical distancing to the extent possible when entering and exiting the classroom.
- If you are experiencing COVID-19 symptoms ([Click here for guidance from the CDC on symptoms of coronavirus](#)), please use the UF Health screening system and follow the instructions on whether you are able to attend class. [Click here for UF Health guidance on what to do if you have been exposed to or are experiencing Covid-19 symptoms.](#)
- Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work. [Find more information in the university attendance policies.](#)

**Recording of Masterclasses and Online Meetings**

Our class sessions may be audio visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments

live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.
