PURPOSES AND GOALS

Graduate ensembles in the area of organ and harpsichord provide an opportunity for the student to present collaborative performances with colleagues. This course is intended to prepare the student for a successful presentation of their musical skills. The performance may include realization of figured bass and/or transcription of manuscript scores. The course will culminate with a public performance. The student is responsible for producing program information and notes.

ATTENDANCE

STUDIO AND LESSON ATTENDANCE IS REQUIRED OF ALL STUDENTS. Students preparing for recital are required to perform literature during weekly studio class. This is a time to test out registrations and become comfortable in the performance situation. **If you anticipate a scheduled absence, please consider “trading” lesson times with a colleague in the studio. This will ensure that Dr. Ellis and the UMA organ will be available during the rescheduled time.**

If you must be absent, please contact me prior to lesson or studio time:
Phone: 352-273-3181; E-mail: lrellis@ufl.edu
