NEW POLICY:

We will have face-to-face instructional sessions to accomplish the student learning objectives of this course. In response to COVID-19, the following policies and requirements are in place to maintain your learning environment and to enhance the safety of our in-classroom interactions.

- This course has been planned to allow for an 8-foot radius between students. Follow the mapped guidelines in your classroom.
- Hand-sanitizing stations are placed outside of our classroom. Please sanitize your hands before you enter and after your exit the classroom.
- You are required to wear approved face coverings at all times during class and within buildings.
- All borrowed tools must be returned for sanitization at the end of the class.
- Follow your instructor's guidance on how to enter and exit the classroom. Practice physical distancing (6 feet) to the extent possible when entering and exiting the classroom.

If you are experiencing COVID-19 symptoms (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>), please use the UF Health screening system before attending class <https://ufhealth.org/covid-19-symptoms> and follow the instructions on whether you are able to attend class.

- Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work (<https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/>).

Following and enforcing these policies and requirements are all of our responsibility. Failure to do so will result in your removal from the classroom and a report to the Office of Student Conduct and Conflict Resolution.

Site-Specific Painting Studio Course Description

This painting course explores the relationship between painting and architecture as well as other contemporary developments in painting. Working on both a small and large scale, students will evolve traditional painting concerns and techniques into 3D or 4D site-specific painting projects and murals investigating the complexity that this dimensional shift brings both to the work, the viewer and the artist. Students will develop skills in conceptualization, public art proposal development, schematic drawing (physical and digital) and the implementation of site-specific painting based work. Course research will focus on artists whose work engages the expanded field of painting.

This course will include the following

1. The conceptual development, proposal, diagrammatic drawing, installation, execution and documentation of a variety of projects in the expanded field of painting.
2. Research into the relationship between painting and architecture and provisional painting through artist research and reading response papers and classroom discussion of selected essays.
3. Research and presentation of painting installation artists

Objectives:

Through in class exercises, formal assignments, readings, slide lectures and discussion students will

- Develop a practice of painting that expands and explores their individual vision through a wide range of studio projects.
- Develop an approach to painting to translate 2D concerns into 3D environments with an eye towards seamlessly merge form and content.
- To hone critical-thinking, research and verbalization skills through class critique of studio work and discussion of individual research and reading material.
- To research and expand knowledge of art and artists, writers and curators who challenge and champion painting and painting theory in the twenty-first century.

Topics: Space and Architecture, Muralism, Site-Specificity, Temporary or Un-heroic Painting, Painting Theories, Provisional painting, collaboration, Public Art, Modern, Post-Modern theories of painting, and the death of painting, formal concerns, materiality and experimentation,

Evaluation:

700 pts	Four Projects
	60% Installed finished work
	30% Complete Proposal paintings, studies
	10% Research Book including project ideation and supporting research
150 pts	Three Reading response and active participation in class discussion
100 pts	Artist Research Presentation
50 pts	One page response papers to one Visiting Artist Lecture and one Gallery exhibition

Requirements:

Your grade will be determined by the following:

1. Studio work – working every day for the entire class period. This includes studies + collages, process work in the Sketch/Process book, proposal paintings and installed projects.
2. Response papers and active participation in group and reading discussions.
3. Presentations (Artist Research Presentation)

4. Critical thinking and class participation includes: the depth and quality of your reading responses, leading and participating in group discussions, performance in critiques (analyzing the work of your classmates as well as your own), and the ability to accept and digest advice and suggestions. In addition, students are expected to clean up as well as practice safe and thoughtful use of materials, tools, and facilities.
5. Tenacity, in terms of studio work, studio research, and willingness to succeed.

Course Policies

Attendance Policy

Be on time, prepared to work, with the proper materials and research needed for class, there will be no deviations from this policy. Studio courses require intensive work and diligence. Your energy, initiative, attitude, productivity, informed and considered opinions are all vital components of the classroom environment therefore, your attendance is required. Coming to class late or unprepared is an absence. Three or more absences will result in the lowering of the final grade by one letter. Six absences will result in a failing grade. An absence does not constitute an extension of an assignment. Please refer to the University attendance policy for further information <http://www.registrar.ufl.edu/catalog1011/policies/regulationattendance.html>

All work must be complete and installed before the start of critique. Late work is not accepted.

FAC Shop Orientation

If you have not yet attended one of the woodshop orientations, you must do so within the first three weeks of class.

Visiting Artists Program

SA+AH runs an extensive Visiting Artists' Program. Internationally and nationally respected artists, curators, collectors, and critics are invited to lectures and provide studio visit, critique sessions, each semester. The schedule for these events is fluid, however you will be given notice of upcoming speakers sponsored by SAAH, the Harn Museum and other programs on campus. Your goal is to attend as many as possible and no less than two lectures.

**Write a one page response paper to one lecture. Due no later than April 7

Galleries

Here on campus, we have University Galleries and the Samuel P. Harn Museum of Art, located in the Cultural Plaza on campus, which has a permanent collection of more than 6,000 original works from around the world. More excellent venues include Sante Fe Community College Gallery and Thomas Center Galleries provide an excellent opportunity to see diverse works of art *directly*, not in the secondary slide or book format. Your goal is to attend as many as possible and no less than two exhibitions.

**Write a one page response paper to one exhibition. Due no later than April 14.

SAAH POLICIES**Lockers/Storage**

SAAH is not responsible for items in lockers. Please watch for posted signs on lockers regarding their use. Each student must share a locker with two students and keep the locker form attached at all times. Lockers will be cleaned out at the end of each semester. When storing materials, it is advisable that you have your name on everything with a black marker, the course number, and the instructors' name. The SAAH is not responsible for items left in the classrooms.

Academic Honesty Policy

The course will follow the University's honesty policy found on-line at: <http://www.dso.ufl.edu/stg/>. Work completed for this class, this includes drawings, process book work or research, may not be turned in for any other class. In addition, work turned in for credit in another class may not be turned in for credit in this class.

Accommodation for Students with Disabilities

Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students will provide documentation to the student who will need to provide this to the instructor when requesting accommodation. The ADA office (www.ada.ufl.edu) is located in Room 232 Stadium 392-7056.

Additional policies for students in the SAAH

Students must turn off cell phones and music devices during class time.

Studio Use

The studio is for your use outside of class time. You will be given the combination to the studio, it is for YOUR use only. Students are expected to follow studio guidelines at all times. The closest telephone is on the second floor/SE corner. There is a first aid kit in each room as well as a sharp container for your use.

SA+AH CONTAINER POLICY

There are 2 types of labels used in the SA+AH-- yellow and white. Both labels are found at the red MSDS box and are supplied by the SA+AH. Each is used for a different purpose.

White:

All new and or used product in containers (hazardous or what might be perceived as hazardous -i.e. watered down gesso, graphite solutions, satellite containers of solvents, powders, spray paints, fixatives, oils, solvents, etc...) must be labeled within the SA+AH to identify their contents. Labels can be found at the MSDS box in each studio and work area. All containers must be marked with your name, contents and date opened. All secondary/satellite containers for hazardous materials must be marked with content, your name and the date opened. All unmarked containers will be disposed of with no notice.

Yellow:

WHEN HAZARDOUS ITEMS ARE DESIGNATED AS WASTE.

All containers must have a yellow label identifying the contents that are designated as trash for weekly EHS pick up.

- Flammable solid containers (red flip top) must have a yellow hazardous waste label on the outside (top).
- 5-gallon jugs must have a yellow hazardous waste label on the outside.
- Fibrous containers must have a yellow hazardous waste label on the outside (top).
- Each item in the blue bin must have a yellow hazardous waste label.

Note: Hazardous Waste labels should include all constituents in the waste mixture as well as an approximate percentage of the total for that item and must add up to 100%. Labels should also include the Bldg and room number of the shop generating the waste along with the Waste Manager for your area; this is located on the SWMA sign posted at the sink or at the Waste Management Area.

Appendix D: Health and Safety Area Specific Information: Painting

4. Area Rules

All users of the studio classrooms are expected to follow studio guidelines at all times. If you have any questions, ask your instructor.

- Follow all SA+AH Health and Safety handbook guidelines.
- Follow the SA+AH Satellite Waste Management Chart in the classroom and other health & safety guidelines posted for your media. Keep the Satellite Waste Management Area (SWMA) clean and organized. Follow the SWMA guidelines posted.
- Do not prop classroom doors. Doors are to remain closed to ensure the building HVAC and ventilation systems work properly.
- FAD 105 and 107 are solvent free rooms. There is no ventilation in these rooms.
- Material Safety Data Sheets (MSDS) are available in each SA+AH work area.
- Keep solvent fumes to a minimum by covering containers in use.
- Clean up after yourself.
