Policies

Attendance: Attendance is mandatory and will be taken at the beginning of each class. Course objectives will be met by attending and actively participating in each class session. Students are expected to arrive to class on time, stay the entire class period and be prepared to participate in all class discussions and activities. Arriving 30 minutes late or leaving 30 minutes early will receive a 50% deduction in attendance points for that class. Every 2 late arrivals or early departures will result in an absence. Students are accountable for materials covered in lectures and discussions. If a student misses a class, it is their

responsibility to contact other students to find out what was missed. Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

- If you have personal issues that prohibit you from joining freely in class discussion, (e.g., shyness, language barriers, etc.) see the instructor as soon as possible to discuss alternative modes of participation.
- **COVID-19:** If you are experiencing COVID-19 symptoms, please use the UF Health screening system and follow the instructions on whether you are able to attend class.
 - Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.

Courtesy Policy: Students are expected to behave in a manner that is respectful to the instructor and fellow students. Opinions held by other students should be respected in discussion and conversations that do not contribute to the discussion should be minimal. Inappropriate behavior will result in a request to leave class.

- **Recording classroom sessions:** Our class sessions may be audio visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.

Assignments: All written assignments should be submitted via Canvas unless other arrangements have been made with the instructor.

- **Late Assignment Policy:** Students will be given three days after the due date to make up any missed material, but there will be a grade reduction of 5% per day. In the case of extenuating circumstances, arrangements will be made on a case-by-case basis through written documentation between the student and the instructor.
- **Source Citations:** All assignments should be formatted in APA style, double spaced and 12 point font, such as Times New Roman or Cambria. Research must include a bibliography citing all sources used.
- **Grading Feedback from Instructor:** It is the instructor's intention to grade all assignments within 1 week of their submission. Assignments will have a rubric that the instructor will use to evaluate students' grades. Rubrics for assignments can be found directly under the assignment instructions. The instructor will potentially leave grading feedback in three places:
 - Assignment Rubrics
 - Submission Comments
 - In-text annotated feedback in the text of the document submittedStudents are responsible for checking all of these places to benefit from instructor feedback. Your grades may be dependent on reading this feedback and making appropriate adjustments to future assignments.
- **COVID-19:** In the event that practicum hours cannot be completed due to extenuating circumstances, students will have the opportunity to complete alternative assignments in

fulfillment of course learning objectives. When students are unable to complete hours due to external/policy-based circumstances, missing hours will not be held against them, and assignments may be suspended as appropriate.

Communication: Each student is issued a University email address upon admittance. Students are expected to read email sent to this account on a regular basis. Failure to read and react to University communications in a timely manner does not absolve the student from knowing and complying with the content of the communication.

- **Email:** Email through Canvas is the preferred communication method. The instructor will attempt to respond to all emails within 48 hours, excluding weekends or holidays where the time might be slightly longer.

Attire: Follow the dress code requirements of the placement site. If there are no dress code requirements, follow the dress code for UF Health Shands Arts in Medicine. An AIM t-shirt can be purchased for \$10 at the UF Health Shands Arts in Medicine administration office located in the UF Health Shands Cancer Hospital. If the placement site is UF Health, Volunteer Services will provide a name tag that which should be worn. Otherwise, the UF Gator One card can be worn as identification.

Academic Honesty: The university's policies regarding academic honesty, the honor code, and student conduct related to the honor code will be strictly enforced.

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment." The Honor Code specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.
