Course Description
This course is designed to instill an understanding of animation principles and produce quality 2D Digital animations implementing these principles and exploring various techniques. During the course of the semester the students will be assigned 8 weekly projects and two group-based projects focused on principles that utilize key aspects of the required software. For the final project each student will create an animated film, 15-20 seconds in length, through which they will learn the production process of animation including writing a treatment, storyboarding, timing through animatics and final rendered animations.

Pre-Requisites
- DAS major or instructor permission

Objectives: By the end of this course, students will be able to:
- Identify and apply the 12 Animation Principles
- Have an understanding of timing and motion through key-frames, holds and in-betweens
- Relate knowledge of various animation history and techniques
- Describe characteristics of well-designed and executed animation
- Demonstrate skills in the use of industry standard tools

Required Materials
- Richard Williams, “The Animator’s Survival Kit”
- Lynda.com (FREE access to UF students)
- Toon Boom Harmony (essentials, or premium)
- Adobe CC 5. Two-Monitor setup for software instruction (ONLINE students)
- Laptop Computer

Recommended Materials
- 1. Eadweard Muybridge, “The Human Figure in Motion”
- Intuos Pen tablet (or similar) Title

**Materials and Supply Fees**

Material and supply and equipment use fee information is available from the academic departments or from the schedule of courses (Florida Statutes 1009.24). The total course fee for this class is $0.00.

The total course fee for each course is listed on the UF Schedule of Courses. [https://registrar.ufl.edu/soc/](https://registrar.ufl.edu/soc/).

**Course Policies**

**Attendance Policy, Class Expectations, and Make-Up Policy**

The instructor is responsible for communicating the specific details of what percentage of your grade (if any) will be assigned to participation, and how class participation will be measured and graded. Interaction with your peers and the instructor will empower you to greater achievement.

Attendance is not taken in this course. Your participation grade is factored into your final grade through discussion interactions.

This course allows re-submits for weekly assignments only. The re-submitting policy is as follows:

- **Re-submits open for 1 week from the day your grade is posted.** Even if you are not in the critique schedule for that specific week, you will receive individualized feedback. Feedback can be given more thoroughly if the student seeks out the course assistant or instructor. It is the student’s responsibility to seek out additional feedback for one-on-one sessions. Utilize class time and office hours for this purpose.
- **Re-submits can only be completed if the assignment was completed and turned in prior.** If you received a 0 for the first submission due to no submission, you are not permitted to re-submit.
- **Each student receives 3 additional points for re-submitting.** If you go through the process of re-submitting your weekly projects, you will see a positive reflection on your grade.
• **Do not email re-submits.** Emailed projects will not be counted.

Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at: [https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/](https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/)

**Course Technology**
The students will be required to have access to and use a personal computer with the access to the Internet. Word editing software will be required for written assignments.

The University of Florida and Digital Worlds requires that students have access to and on-going use of a laptop/mobile computer for DIG courses in order to be able to function in the current learning environment. Digital Worlds requires each student’s laptop computer to meet certain minimum specs for heavy graphics use, the requirements documented below must be met.

**Course Communications**
Students can communicate directly with the instructor regarding the course material through the course management system (CANVAS) using “Canvas Mail”.

**Course Technology Support**

The [Technology Support Center](http://digitalworlds.ufl.edu/support) provides computer support for Digital Worlds students who access Zoom, lecture recordings, student equipment, facilities and other technology-based resources.

For computer assistance related to Zoon, lecture recordings, student equipment, and facilities request please [Submit a Help Ticket](mailto:helpdesk@ufl.edu) or email support@digitalworlds.ufl.edu.

For support related to account services, technical consulting, mobile device services, software services, administrative support, application support center, and learning support services, please contact the [UF Computing Help Desk](mailto:helpdesk@ufl.edu) available 24 hours a day, 7 days a week at 352-392-4357 or helpdesk@ufl.edu.

**UF Policies**

**University Honesty Policy**
UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code ([https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/](https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/)) specifies a
number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obliged to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Class Demeanor
Students are expected to arrive to class on time and behave in a manner that is respectful to the instructor and to fellow students. Please avoid the use of cell phones and restrict eating to outside of the classroom. Opinions held by other students should be respected in discussion, and conversations that do not contribute to the discussion should be held at minimum, if at all.

Students Requiring Accommodations
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, https://www.dso.ufl.edu/drc) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Netiquette Communication Courtesy
All members of the class are expected to follow rules of common courtesy in all email messages, threaded discussions and chats, more information can be found at: http://teach.ufl.edu/wp-content/uploads/2012/08/NetiquetteGuideforOnlineCourses.pdf

Software Use
All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Student Privacy
There are federal laws protecting your privacy with regards to grades earned in courses and on individual assignments. For more information, please see: http://registrar.ufl.edu/catalog0910/policies/regulationferpa.html

Course Evaluation
Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at https://gatorevals.aa.ufl.edu/students/. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via https://ufl.bluera.com/ufl/. Summaries of course evaluation results are available to students at https://gatorevals.aa.ufl.edu/public-results/.
