This class will be offered with a HyFlex option. HyFlex means that the faculty member is present in the classroom, while some of the students are present in the classroom and some are attending remotely through Zoom. You may choose which mode of delivery you prefer. The class will be taught to the face-to-face and remote students simultaneously, so you must still be present at all set class times whether you attend through zoom or in person. Guidelines for zoom etiquette can be found below.
Course Description
This course is an overview of Western art and architecture in Europe, the Mediterranean basin, and the Near East, from prehistory through the Middle Ages. We will pay special attention to the particular cultural circumstances in which works of art and architecture were created, viewed, and otherwise experienced. This course aims to introduce students to key concepts and concerns within the discipline of art history, equipping them with the tools to relate works of art to specific historical, religious, and political contexts, in order to better understand and reflect on the significance of objects and images in the world around us. This course also aims to develop critical thinking skills, visual literacy, visual memory, and verbal and written analysis of images.

Course Objectives
- Provide an overview of the history of art from prehistory to circa 1300 CE in Europe, the Mediterranean Basin, and the Near East. Students will develop the ability to recognize major artistic traditions from the periods and cultures reviewed in class.
- Introduce students to the concepts, methods, issues, and vocabulary of the discipline of art history through both verbal and written exercises.
- Inform students about the variety of social, cultural, and economic contexts in which art was produced and used in order to explain how these contexts affect each object’s form and function.
- Heighten visual acuity and increase facility in analyzing works of art and architecture, as well as other aspects of the visual environment.

Requirements:
This course has information available through UF’s e-learning website called “Canvas.” The syllabus, handouts, assignments, and images for exams will be available on Canvas. A passing grade requires completion all of the requirements of the course listed below. The scheduled lectures and reading assignments are subject to change upon the discretion of the instructor. It is the students’ responsibility to check their UF email, their Canvas email, and listen to announcements in class pertaining to those potential changes to ensure they are up to date on assignments. The final grade is comprised of the following elements:

Attendance 5%
Participation 10%
Quiz 1 10%
Quiz 2 10%
Midterm Exam 20%
Take-Home Comparison 20%
Final Exam 25%

Attendance (5%)
Attendance is required. You will be asked to sign in at each session. If you attend via You’re your attendance will be recorded. Extreme tardiness (15+ minutes) and early departures will be considered absences. Excused absences include religious holidays, illness with appropriate documentation, etc. In these cases, please see the TA or instructor (in advance when possible) to clear your absence, schedule an extension, and/or discuss the possibility of a make-up quiz or exam. If technical difficulties prevent your connecting or you lose connection, send me an email, cc’ing your TA, to let me know about your difficulties. I will excuse absences for technical difficulties as long as you work to resolve them before they become a chronic problem. Please also see the UF attendance policy: https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/.

Participation (10%)
Students are expected to have read the assigned material before coming to class and to remain engaged. Being “engaged” means active participation through questions, comments, and daily reflection exercises in lecture and section, and passive participation by taking notes and paying attention. While both lecture and section allow for questions, comments, and written reflection, section is focused on student-led discussion aimed at talking about art in constructive, meaningful ways.

• Electronic devices: Computers and tablets are permitted ONLY for note taking. The TA will monitor computer usage from a seat in the back of the classroom. All other electronic devices—especially cell phones—should be turned off and packed away for the duration of class. Inappropriate usage of devices will result in a deduction of the participation grade. Students are expected to assist in maintaining a classroom setting that is conducive to learning. Be aware that you are not the only person who can see your screen. Respect your classmates and the learning environment by not offering a distraction.

Quizzes (10% each)
The quizzes are in-class assignments. They are timed at 15 minutes and comprised of 15 image identifications. The instructor will provide a list of study images from which the quiz ID’s will be drawn. This information will be posted along with more details on expectations and grading on Canvas under the Quiz 1 and Quiz 2 tabs on the “Assignments” page. Quiz 1 will be September 16/17 and Quiz 2 will be November 18/19.

Take-Home Comparison (20%)
You will compare and contrast the visual qualities of two works of art and what effect you think those qualities have on the meaning or interpretation of the works. You will choose from a list
of possible works provided by the instructor. That list can be found under the assignment tab on Canvas along with more detailed instructions, requirements, and helpful tips. The paper will be due through canvas on **November 3 at 11:59 PM**. Plagiarism will result in a failing grade.

**Midterm and Final Examinations (20% and 25%)**
The midterm and the final will consist of three timed sections: three extended ID responses (9 minutes total), a short essay comparing two images (two on the midterm and three on the final exam; 10 minutes each), and a longer essay question (15 minutes on the midterm and 30 minutes). The midterm will be 44 minutes total and the final exam will be 75 minutes total. Exam content will be drawn from readings, terms, and examples discussed in class. A list of study images will be provided. This information will be posted along with more details on expectations and grading on Canvas under the Midterm and Final Exam tabs on the “Assignments” page. The midterm is scheduled during class on **October 13** and the final is scheduled on **December 16 (12:30-2:30 PM)**.

**Deadlines and Making-Up Missed Materials**
Make-up or early exams can only be offered in exceptional circumstances, including those required by the DRC or Registrar’s office. Please make note of the midterm and final exam dates and times and plan to be in attendance. Extensions to deadlines will not be given except under exceptional circumstances. Please request any extension in advance of the due date. Each day late for any assignment will result in a lowered 1/3 letter grade for that assignment (A to A- for example).

**Grading Scale**

Academic Honesty
UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (https://sccr.dso.ufl.edu/process/student-conduct-code/) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Accommodation. Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting https://disability.ufl.edu/students/get-started/. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

Email. Each student is issued a University e-mail address (username@ufl.edu) upon admittance. This e-mail address may be used by the University for official communication with students. Students are expected to read e-mail sent to this account on a regular basis. Failure to read and react to University communications in a timely manner does not absolve the student from knowing and complying with the content of the communications.

UF grades and grading policies. Information on UF grading policy may be found at: https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx

Online Course Evaluation Policy. Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. **Covid-19 Related Policy**

In response to COVID-19, the following practices are in place to maintain your learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of ourselves, our neighbors, and our loved ones.
• If you are not vaccinated, get vaccinated. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus. Visit this link for details on where to get your shot, including options that do not require an appointment: https://coronavirus.ufhealth.org/vaccinations/vaccine-availability/. Students who receive the first dose of the vaccine somewhere off-campus and/or outside of Gainesville can still receive their second dose on campus.

• You are expected to wear approved face coverings at all times during class and within buildings even if you are vaccinated. Please continue to follow healthy habits, including best practices like frequent hand washing. Following these practices is our responsibility as Gators.
  o Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
  o Hand sanitizing stations will be located in every classroom.

• If you are sick, stay home and self-quarantine. Please visit the UF Health Screen, Test & Protect website about next steps, retake the questionnaire and schedule your test for no sooner than 24 hours after your symptoms began. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161 (or email covid@shcc.ufl.edu) to be evaluated for testing and to receive further instructions about returning to campus. UF Health Screen, Test & Protect offers guidance when you are sick, have been exposed to someone who has tested positive or have tested positive yourself. Visit the UF Health Screen, Test & Protect website for more information.
  o Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.
  o If you are withheld from campus by the Department of Health through Screen, Test & Protect you are not permitted to use any on campus facilities. Students attempting to attend campus activities when withheld from campus will be referred to the Dean of Students Office.

• Continue to regularly visit coronavirus.UFHealth.org and coronavirus.ufl.edu for up-to-date information about COVID-19 and vaccination.

Zoom Etiquette
1. Turn on your camera, if at all possible. My lecturing to a screen of black boxes gets boring for everybody. It lowers my energy and engagement, which lowers yours, which lowers mine... And let’s face it, when you turn off the camera, you’re free to do other things while you listen. With the cameras on, we can create a more active and interactive class. If you have extenuating circumstances or you’re concerned about your privacy, let’s talk and work something out.
2. What if I need to move around, talk to my mom, shoo my cat, etc? Turn your video off for a few moments and then turn it back on when you’re done.
3. Feel free to use a virtual background. A virtual background can give you privacy, or it can just be fun.
4. No political or offensive messaging in your virtual background. There are few limits to your freedom of speech in class discussion or messages on clothing. Just don’t use your virtual background as a platform. It’s distracting for me and the rest of the class.
5. No shirt, no service. Please wear what you would wear to a live class. Shoes optional.
6. Mute your audio when you’re not speaking.
7. Try to log into class from a distraction-free, quiet environment. I realize this might not always be possible. With a virtual background and mute, you can prevent your environment from spilling over into the class.
8. If you want to speak, try raising your actual hand on camera or using the “Raise Hand” feature. If you take yourself off mute, that is also a cue that you are getting ready to say something. If I see that, I’ll call on you.
9. Feel free to use the chat, too.
10. No screen shots. Respect everyone’s privacy and refrain from recording or photographing your classmates and me without permission—which also means no distributing screenshots by, say, posting them on social media.
