Course Components for Evaluation

- **Weekly Singing Assignments (10 TOTAL)**

Students will submit to CANVAS audio recordings of their assigned weekly singing examples. Singing examples will be posted to CANVAS in a weekly assignment module at the beginning of each week. Students will post their audio files to the assignment tab in the corresponding assignment portal for each Weekly Singing Assignment. Students **are required to use the moveable do system (including do-based minor and chromatic solfege) and a metronome** for all assigned examples. If a student does not use the above solfege system and/or a metronome, he/she/they will receive *half credit* on the assignment. Students will not receive credit on the assignment if they utilize a keyboard instrument to play along as they are singing examples. **Video files will not be accepted and will result in a zero being assigned!**

- **Weekly Rhythm Assignments (10 TOTAL)**

Students will submit to CANVAS audio recordings of their assigned weekly rhythm examples. Rhythm examples will be posted to CANVAS in a weekly assignment module at the beginning of each week. Students will post their audio files to the assignment tab in the corresponding assignment portal for each Weekly Rhythmic Assignment. Students **are required to use a metronome** at the assigned tempo during recording and execute the rhythm by “tah-ing,” counting, or other verbal method for all assigned examples. If a student does not use a metronome during the recording, he/she/they will receive *half credit* on the assignment. **Video files will not be accepted and will result in a zero being assigned!**

- **Weekly Dictation Assignments [Auralia and Canvas] (10 TOTAL)**

Students will submit weekly dictation assignments through Auralia and/or Canvas. On the Monday of each week an assignment is due, the instructor will post assignment instructions to Canvas and verbally go over the assignment in class. To be prepared for these assignments, students are strongly encouraged to review practice material set up in the Auralia program, review any supplementary instructional resources posted to Canvas as well as participate in class.

- **Singing and Rhythmic Sight Reading Tests (2 TOTAL)**

During testing weeks (*see course outline*), students will take a singing and rhythmic sight reading test. These tests will assess students’ ability to sing melodies and verbally execute rhythms at sight. Students are required to use moveable do (do based minor included) solfege on the sight singing portion of the test and can transpose the key to better fit their voice, if necessary. For the rhythmic sight reading portion of the test, students can “tah,” count, or use any other verbal method to execute rhythms.

HEALTH INFORMATION (RE: COVID-19)

In response to COVID-19, the following practices are in place to maintain your learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of ourselves, our neighbors, and our loved ones.

- If you are not vaccinated, get vaccinated. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus. Visit this link for details on where to get your shot, including options that do not require an appointment: <https://coronavirus.ufhealth.org/vaccinations/vaccine-availability/>. Students who receive the first dose of the vaccine somewhere off-campus and/or outside of Gainesville can still receive their second dose on campus.
- You are expected to wear approved face coverings at all times during class and within buildings even if you are vaccinated. Please continue to follow healthy habits, including best practices like frequent hand washing. Following these practices is our responsibility as Gators.
 - Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
 - Hand sanitizing stations will be located in every classroom.
- If you are sick, stay home and self-quarantine. Please visit the UF Health Screen, Test & Protect website about next steps, retake the questionnaire and schedule your test for no sooner than 24 hours after your symptoms began. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161 (or email covid@shcc.ufl.edu) to be evaluated for testing and to receive further instructions about returning to campus. UF Health Screen, Test & Protect offers guidance when you are sick, have been exposed to someone who has tested positive or have tested positive yourself. Visit the [UF Health Screen, Test & Protect website](#) for more information.
 - Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.
 - If you are withheld from campus by the Department of Health through Screen, Test & Protect you are not permitted to use any on campus facilities. Students attempting to attend campus activities when withheld from campus will be referred to the Dean of Students Office.
- Continue to regularly visit coronavirus.UFHealth.org and coronavirus.ufl.edu for up-to-date information about COVID-19 and vaccination.

Course Policies

- Cell phones, tablets, laptop computers, and other electronic devices are **not to be used in class** as they disrupt students' attention and distract both fellow classmates and the instructor. If students need to use their phone, they can quietly leave the classroom and return when finished. Any student who has a documented disability requiring use of an electronic device during class must notify the instructor as soon as possible.
- Students are expected to come to class on time and prepared from sufficient work outside of class.
- Students are expected to come to class prepared with the appropriate materials (i.e. pencil/manuscript paper/textbooks). *During testing weeks, textbooks and other materials are not required for class.*
- All assignment guidelines and submittals will be available on Canvas (*note: multiple weekly diction assignments will need to be completed on the Auralia platform, outside of Canvas*).
- The instructor and graduate teaching assistant will utilize email and Canvas as the main form of communication. Students are expected to respond to their instructor and TA's emails in a timely manner.

- **It is expected that students check their email and Canvas multiple times a week** to not miss important announcements, postings, assignment instructions/deadlines, etc.
- **Students are strongly urged to confer with the instructor on their progress or any issues or questions regarding the course.** Also, students are encouraged to seek out help from the instructor and/or graduate teaching assistant (TA) as soon as they encounter any difficulties. **Do not wait** until the end of the semester to consult the professor and/or TA if you are having troubles! **To communicate with your instructor, use your UF email account or Canvas. Students can meet with the instructor or TA during scheduled office hours, or with the instructor/TA during a mutually agreed upon outside office hour appointment.**
- Students are strongly encouraged to use online resources and lectures (as shared and posted on Canvas by the instructor), programs in the Music Computer Lab (MUB 147), the Auralia program, and any other ear training resources to aid in their understanding of the course material and to aid in their ability to successfully complete assignments.
- **Late Assignment Submittal Policy**
For each day an assignment is submitted late it will lose an entire letter grade off the overall earned grade. If not submitted by the end of the third day *after* the assignment deadline, a zero will be assigned.
- Requirements for class attendance and make-up tests are consistent with university policies that can be found at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>
 - It is expected that students attend class to ensure academic and musical success in Aural skills; however, to ensure flexibility for students, all this course's weekly assignments can be accessed, completed, and submitted online, if necessary.
 - The instructor asks students to be communicative if any attendance issue presents itself.
 - For makeup tests, the instructor asks from students for timely notification through email of a missed test and initiative on the students part to schedule a makeup test within a timely manner.

Students Requiring Accommodations

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center. [Click here to get started with the Disability Resource Center](#). It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.
