**REQUIRED TEXTS**  
Throughout the course of the semester the student may be required to purchase organ literature books relevant to their level of expertise. *The Beginning Organist* by Roger E. Davis will be the required text for students in their first semester of organ study. A new method book was released in 2020 that may be of interest: *The New Oxford Organ Method* by Anne Marsden Thomas and Frederick Stocken. *All organ students must purchase organ shoes and have access to the hymnal of their denominational preference.*

**PURPOSES AND GOALS**  
Applied organ lessons are designed to provide the student with a solid foundation in pedal and keyboard techniques. The beginning organ student is required to have a piano performance level equivalent to Classical sonatinas and/or the two-part inventions of J.S. Bach. The course of study will include technical exercises and representative literature. In addition, the student will become proficient in the service music and hymnody relevant to their denominational tradition.

**ATTENDANCE**  
**STUDIO AND LESSON ATTENDANCE IS REQUIRED OF ALL STUDENTS.** Students are required to attend studio class and lessons and are responsible for all information presented or assigned. Attendance will be taken and participation in class is greatly
encouraged. Predicted absenteeism should be discussed with the instructor no less than one week prior to the event. When possible, lessons will be rescheduled. Tardiness and leaving early will affect attendance record.

If you must be absent, please contact me prior to lesson or studio time:
Phone: 352-273-3181; E-mail: lreliis@ufl.edu

Requirements for class attendance and other work in this course are consistent with university policies:

In response to COVID-19, the following practices are in place to maintain your learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of ourselves, our neighbors, and our loved ones.

- If you are not vaccinated, get vaccinated. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus. Visit this link for details on where to get your shot, including options that do not require an appointment: https://coronavirus.ufhealth.org/vaccinations/vaccine-availability/. Students who receive the first dose of the vaccine somewhere off-campus and/or outside of Gainesville can still receive their second dose on campus.
- You are expected to wear approved face coverings at all times during class and within buildings even if you are vaccinated. Please continue to follow healthy habits, including best practices like frequent hand washing. Following these practices is our responsibility as Gators.
  - Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
  - Hand sanitizing stations will be located in every classroom.
- If you are sick, stay home and self-quarantine. Please visit the UF Health Screen, Test & Protect website about next steps, retake the questionnaire and schedule your test for no sooner than 24 hours after your symptoms began. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161 (or email covid@shcc.ufl.edu) to be evaluated for testing and to receive further instructions about returning to campus. UF Health Screen, Test & Protect offers guidance when you are sick, have been exposed to someone who has tested positive or have tested positive yourself. Visit the UF Health Screen, Test & Protect website for more information.
  - Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.
  - If you are withheld from campus by the Department of Health through Screen, Test & Protect you are not permitted to use any on campus facilities. Students attempting to attend campus activities when withheld from campus will be referred to the Dean of Students Office.
- Continue to regularly visit coronavirus.UFHealth.org and coronavirus.ufl.edu for up-to-date information about COVID-19 and vaccination.

JOURNAL
All students taking applied organ lessons are encouraged to record their progress in a “Goal Journal.” This journal will list daily, as well as long-term goals. Entries in your journal will be a constant reminder to keep you focused on your short- and long-term goals. Maintain a separate notebook for this journal and be prepared to bring it to each lesson! Seven areas should be recorded:

1) Long-range Goals --- Five to Ten Years
2) Medium-range Goals --- One to Five Years
3) Short-range Goals --- Two to Fifteen Weeks
4) This Week’s Goals
5) Today’s Goals
6) Next Week’s Goals
7) Practice Log

*As time goes by and various goals are met -- make sure to keep your journal up to date. Add new pages -- put a line through goals that have been achieved -- but don’t throw out your old lists.
*Your long-term goals may change -- update them. This journal is for your use and growth. ***Items #3, #4, #5, and #7 are the goals that will allow you to use your lesson time most efficiently. If these goals are clear, you will find that you will soon be identifying the problem areas and making progress toward solving them. Bring your journal to your lesson every week.

For more information about journals and their effectiveness, read The Inner Game of Music, by Barry Green with W. Timothy Galloway (Doubleday, 1986). While the entire book is useful for music performance, chapter 5, entitled “The Power of Will” can encourage all of us to use our time wisely.

WEEKLY LESSON GRADE
The following elements will be assessed to determine the weekly lesson grade:
1) Attendance at weekly lesson
2) Attendance of required events
3) Progress on assigned literature and exercises
4) Development of technique
5) Studio class attendance and participation

PRACTICE HOURS

Practice time in the University Auditorium, MUB 332, MUB 337, and MUB 338 is available to all organ students.

*Practice protocol:*

1) Utilize your assigned time. If you have a consistent conflict and need to reschedule, please notify Dr. Ellis so that the schedule can be updated.
2) All are expected to remain masked while practicing.
3) Wash your hands prior to and after your practice session.
4) Shoes must be worn (no bare feet or stocking feet).
5) Feel free to use hand sanitizer after touching shared surfaces.

Keep track of practice hours in your journal and strive to schedule consistent practice throughout the week. To truly see improvement, daily practice is essential!

*Regarding rehearsal in the University Auditorium:*

1) Rehearse only during your scheduled times. The auditorium staff is responsible for having the organ console out and available for your use.
2) The organ will remain "on" during the day to minimize stress to the blower. **IF YOU HAVE THE LAST PRACTICE SESSION OF THE DAY PLEASE BE SURE THAT ORGAN IS TURNED OFF WHEN YOU LEAVE.**
3) **Be sure to properly cancel organ stops and open boxes when you complete your practice! If you are the last person scheduled to use the UA organ for the day, please turn off the blower.**

*Regarding rehearsal in the facilities in the Music Building:*

**Be sure to properly cancel organ stops, turn off organ, turn out all lights, and check that the door is locked as you leave the organ studio and practice rooms!**

Most disinfectant cleaners are terrible for organ keys (particularly wood). Any liquid introduced on batons will have a damaging effect. Dr. Ellis will provide regular cleaning of the instruments throughout the week. Don't forget, the safety of all of us requires the following:

1. Players must thoroughly wash hands before and after each use. Hand sanitizer may be used *in addition* to handwashing.
2. All players of shared instruments are expected to wear masks regardless if they are the only person in the room.
3. Players must wear shoes at all times.

**JURY/PROJECT**

All students will be expected to present a jury at the end of the semester. Literature will be determined in consultation with the instructor. The jury will consist of up to 10 minutes of your organ performance. Keyboard juries will occur on **Tuesday, December 14, 2021**.

**JURY SHEET**

At the end of the semester, all students will be required to turn in a jury sheet that outlines the achievements of the semester. The jury sheet will contain the following items:

1. jury sheet
2. repertoire sheet
   - don’t forget to list date of performance in studio or recital
   - if you have prior study on the carillon, please make this a cumulative repertoire sheet.

**PRESENTATIONS IN STUDIO CLASS**

All students are encouraged to develop one presentation each semester for studio class. This could include a short biography of a composer, analysis of an organ work, hymn study, or related information. Please consult with Dr. Ellis regarding appropriate topics.

**STUDIO WEBSITE**

The organ studio website is http://www.arts.ufl.edu/organ. Students are encouraged to visit the site regularly. Concert programs and pictures of recent events and field trips will be posted. Studio pictures will be posted and student bios are welcomed.

**COURSE EVALUATION**

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Click here for guidance on how to give feedback in a professional and respectful manner. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via ufl.bluera.com/ufl/. Summaries of course evaluation results are available to students here.

**ACCOMODATIONS FOR STUDENTS WITH DISABILITIES**

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center. Click here to get started with the Disability Resource Center. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

**DIGITAL STUDENT COMMUNICATION AND EXPECTATION**

The preferred communication method between faculty member and students enrolled in this course is via the UFL-mail system. Please send e-mails to me at: lellis@arts.ufl.edu or lREllis@ufl.edu via your ufl.edu e-mail. I will endeavor to respond to all school related e-mails within 24 hours. Should you need assistance resolving technical issues, contact the UF Help Desk (https://helpdesk.ufl.edu) or call 352-392-4357.
**ACADEMIC HONESTY**

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.”

The Honor Code (https://sccr.dso.ufl.edu/process/student-conduct-code/) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

**IN-CLASS RECORDING**

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A “class lecture” is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.
