Course Description

Percussion studies, including ensemble offerings, are designed to develop the highest level of musicianship, artistry, and teaching proficiency within a total percussion curriculum. Steel Drum Ensemble serves to develop technical and musical skills on the various components of the ensemble through rehearsals and performances, and to discuss historical and cultural aspects of this art form.

Ensemble Expectations

Steel Drum Ensemble will take place every Tuesday in MUB 233A, August 24-November 8. Students are expected to practice outside of the scheduled class time and come prepared for rehearsal. In addition, students are expected to assist in the care and maintenance of the instruments. All performers must assist in set up and tear down for all events, and stay until all equipment is returned to the MUB. The instructor will hear auditions during the first week of classes to determine placement in the ensemble, which may affect meeting time.

Attendance

Students are required to attend all rehearsals and concerts as scheduled. Failure to do so will result in the lowering of the student's semester grade. For every unexcused absence, the final grade will be lowered one letter grade. An unexcused absence from a performance will result in a failing grade. Students must notify their instructor of any absences at least 24 hours in advance. Excused absences are approved at the discretion of the instructor.

Required Materials

All necessary implements will be provided by the instructor.

Make-ups for Exams or Other Work

In order to remain fair to all students enrolled in this course who are held to the same academic standard, make-ups for any assignment will require written documentation that the student has been excused from school during the time in question. Without this approval we cannot issue a make-up. This includes all requests for permission to grant a make-up for personal issues involving family, work, deaths, hardships, marriages, pregnancies, illnesses, financial problems, etc. We do apologize for this inconvenience, however, in order to be ethically in good standing, this documentation is needed to ensure the accuracy of all claims made.

Recording of Masterclasses and Online Meetings

Our class sessions may be audio visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.
