MISSION STATEMENT

Your goals are to understand that a routine can solve any and all issues in your playing. You can not nurture your skills to their fullest if you are constantly moving backwards rather than routinely hitting a task and moving forward. A routine is everything and a routine exponentially increases your learning curve in 16 weeks. Those individuals who have a solid routine are Olympic winners, Nobel Prize Winners, phenomenal musicians with industry skills in every corner, and these people see any goal as a set of weekly results. You only need to get better one percent a week to become a professional musician. The routine of having 16 steady weeks of focusing intently on commercial musicianship skills will profoundly affect your life. Those seeds grow to become pillars of strength in your musical foundation and musical prowess as a player, producer, director or composer.

ANNOUNCEMENTS

It is required to check online announcements 2 times a week on Canvas.

STAY INFORMED!

Being informed is an intentional act. We expect everyone to take the initiative to stay informed at all times and our success depends on it!

You will receive all Jazz Updates and information through the following methods:

- Twitter updates (you must sign up for the Gator Jazz Band Twitter account or you may not enroll in jazz improvisation).
- Canvas emails and announcements.
- Announcements in class.
- Announcements at the conclusion of rehearsals.

* If you have a class conflict that necessitates leaving class early, it is your responsibility to seek out any information you may have missed from senior members of the class.

Please note that there is no excuse for being uninformed. Thanks in advance for doing your part to keep up to date and contribute to the success of our students!

ATTENDANCE

Prompt and regular attendance is required at all class meetings. Any class conflicts must be cleared with the director a minimum of one week in advance unless it is an emergency. The determination of unexcused absence will be made at the discretion of the director.

Attendance Policy

All class meetings are required. Any unexcused absences will lower the final grade automatically 1/2 a letter grade, i.e. ...1 unexcused = A to A-, 2 unexcused = A- to B, etc. All excused absences will require the proper written documentation that the student has been excused from school during the time in question. Without this approval we cannot excuse an absence.

It is required to check the Canvas announcements online every week. This is critical to minimize e-mail traffic, student questions, to lower student anxiety, and it helps to inform students of concerts they can attend. NOTE: Students often have the same questions that need to be. With that in mind, the "Announcements" will be the medium that the instructor communicates all answers to basic questions. In some cases, a student's question will require a personal response, and in those cases, a personal response will be issued to the student. Please note that you may be penalized -5 points for not reading the Announcements or for not being aware of their content. This ensures scholarly activity from our talented students in terms of being accountable to read instructor communication during the course.

In order to remain fair to all students enrolled in this course who are held to the same academic standard, make-ups for any assignment will require written documentation that the student has been excused from school during the time in question. Without this approval we cannot issue a make-up. This includes all requests for permission to grant a make-up for personal issues involving family, work, deaths, hardships, marriages, pregnancies, illnesses, financial problems, etc. We do apologize for this inconvenience, however, in order to be ethically in good standing, this documentation is needed to ensure the accuracy of all claims made.

Recording of Masterclasses and Online Meetings

Our class sessions may be audio visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.
