Description

This course is designed to provide learning opportunities in the costume area of production through targeted lessons and hands-on assignments. This syllabus goes over the course schedule expectations for the Wardrobe Crew Head.

Additional Information and Resources

Attendance Policy, Class Expectations, and Make-Up Policy

Students are expected to stay home and seek medical help for COVID-19 symptoms or exposure (persistent cough, fever 100.4+, new loss of taste or smell, muscle pain/headaches, shortness of breath, sore throat, chills, diarrhea, or feeling generally ill). The culture of hiding illness or the "show must go on" mentality must be avoided. Students who are medically required to quarantine will have documentation from a medical provider. That documentation must be submitted to the instructor in a timely fashion. Students who self-quarantine must communicate with the instructor and "attend" courses remotely synchronously, when available, or asynchronously if approved by the instructor.

Students who elect to enroll in an in-person course are expected to participate in in-person instruction. If a student is uncomfortable attending in-person, the student should elect courses that are delivered online only and plan to take the hybrid or face-to-face course in a future semester. In the case that the student does not have the option to take the class at a later time (i.e. a graduating senior), the student must make arrangements with the instructor to "attend" all class meetings synchronously, when available, or asynchronously if approved by the instructor.

Barring the above circumstances, students are expected to be in attendance (either remotely or in-person, as assigned) daily and to be on time. Students are allowed 1 "unexcused" absence that does not require documentation and does not conform to the UF "acceptable reasons for absence." Any other "unexcused" absence will result in a penalty of a full letter grade (10%) from the final grade per "unexcused" absence. To be considered "excused" an absence must be accompanied by appropriate official documentation. Religious observances do not require documentation.

Any absence from class for the following reasons must be supported by official acceptable documentation to avoid a grade penalty:

- Illness—doctor's note must be on official letterhead with address and phone number, noting the date and time of visit and diagnosis verifying that an absence from class is warranted, doctor name and signature
- Serious family emergencies
- Special curricular requirements (e.g., judging trips, field trips, professional conferences)
- Military obligation
- Severe weather conditions
- Participation in official university activities such as music performances, athletic competition or debate
- Court-imposed legal obligations (e.g., jury duty or subpoena)

To help organize accommodations, students should inform the instructor by the end of the second week of classes of religious observances of their faith that will conflict with class attendance this semester.

Any student that acquires 3 absences (either excused or unexcused) will be required to meet with this course's instructor and/or area faculty to discuss the student's continued participation in the course.

In-Person Class Guidelines

- 1. We will have face-to-face instructional sessions to accomplish the student learning objectives of this course. In response to COVID-19, the following policies and requirements are in place to maintain your learning environment and to enhance the safety of our in-classroom interactions.
- You are expected to wear approved face coverings at all times during class and within buildings. Following this policy is all of our responsibility. If you choose to not wear an approved face covering at all times during class you will be expected to maintain 6 feet of social distance from the instructor, teaching assistants, and your classmates.
- Please utilize designated seats and maintain appropriate spacing between students. Please do not move desks or stations.
- Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
- Follow your instructor's guidance on how to enter and exit the classroom. Practice physical distancing to the extent possible when entering and exiting the classroom.
- If you are experiencing COVID-19 symptoms (<u>Click here for guidance from the CDC on symptoms</u> <u>of coronavirus</u>), please use the UF Health screening system and follow the instructions on whether you are able to attend class. <u>Click here for UF Health guidance on what to do if you</u> have been exposed to or are experiencing Covid-19 symptoms.

Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work. Find more information in the university attendance policies

Students Requiring Accommodations

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <u>https://disability.ufl.edu/students/get-started/</u>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

Course Evaluation

Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at <u>https://gatorevals.aa.ufl.edu/</u>. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at <u>https://gatorevals.aa.ufl.edu/</u>.

Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Software Use

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.
