**Practice Room Policy and Protocol**

Tuba/Euphonium Studio Assigned Practice Room: 234K

- Each student will receive a key throughout the first week of classes. If you do not receive a key shortly after the start of the semester please email Trent Weller (tweller@arts.ufl.edu) our equipment and building manager.
- You must lock the door each time you leave the room.
- Students outside of the tuba/euphonium studio are NOT allowed in this space
- Please wipe down every surface you made contact with inside the practice room before leaving
- Practice rooms will only be available during normal class periods (7:25am-10:00pm) Fridays are blocked out until 5:10pm to allow time for the piano tuners to have uninterrupted time.
- Practice Room Sign-up sheets will be on the studio door in order to sign out a time to practice.

---

**Room Usage Rules** - These rules are ironbound and must be followed to the letter. The first violation will result in the student being reported to the Student Affairs COVID-19 Education Office. The second will result in a second report to Student Affairs and immediate loss of all practice room privileges for the remainder of the semester. This is a health and safety situation and there will be no third strike.

1. Users must wait in the outdoor hallway until their reservation time begins.
2. Do not enter the practice room or practice area until the EXACT minute the class period begins. There can be no loitering in the interior hallways at ANY time.
3. Single occupancy only! No more than one student in the practice room at a time for any reason.
4. NO. FOOD. OR. DRINK. Not even water. This is no longer an issue of cleanliness or protecting pianos. This is about the health and safety of every person who uses the room. If you need water, you must go out of the practice room area.
5. Spit and/or spit rags must be CAREFULLY emptied into the provided foot-operated trash can. These and sterilizing wipes are the ONLY things that should go in the can. Other trash should be deposited in regular trash cans in the hallways.
6. The provided rubbing alcohol and wipes should be used to wipe down surfaces in the practice room upon entering including door knobs, stands, and piano keys. They are NOT to be used on the finished surfaces of the piano, just the keys. Used wipes can then be deposited in the spit can.
7. Practice time is 45 minutes. Each occupant MUST leave the practice room and practice room area immediately at the end of the period, so packing up needs to take place BEFORE then to allow for a full 15 minute refresh period.
8. Lock the door. Each user must lock AND securely close the door when they leave to ensure that only those assigned to the room can enter it.
9. Masks must be worn at all times except when alone in the practice room with the door securely shut.
Jury
Juries will take place at the end of each semester and act as a final exam of sorts for your applied lesson/studio grade. Students will prepare two selected works of contrasting styles to perform in front of a panel of judges (brass faculty) and will be assessed according to their preparation. Sight-reading may be administered during these examinations.

An end of the semester 8-minute brass jury is required of all students except those giving recitals during that period. Brass juries will take place in MUB 101 in front of the entire brass faculty. Students will be expected to play one-two selections chosen by the instructor and student as well as sight-reading.

Pre-professional juries (or PPJ’s) traditionally take place at the end of the 4th semester of undergraduate study. These are 16 minutes long and typically include a performance of a solo work with piano accompaniment as well as a short, 2–3-minute presentation on the work and composer, sight-reading and copies of the student’s resume handed out to the faculty. These rarely occur during the fall semester but in the spring, there will be a significant amount of PPJ’s.

Brass Juries, Fall, 2021: Monday, December 13th, 9:00 a.m.- 4:00 p.m., MUB 101
- A sign-up sheet will be sent out via email a week prior.

Scale/Sight Reading Jury
Every student will perform a scale/sight-reading jury during the last week of classes outside of their performance jury. Scales and patterns will be assigned to each student on an individual basis.
- A sign-up sheet will be sent out via email a week prior.
- Scale and Sight Reading Juries will take place on Monday, April 26th unless otherwise specified.

Studio Class
Monday’s at 12:50 each week
- Each we will meet as a full studio and explore various topics within the low brass world.
- An additional day will be decided upon within the first week of classes that will act as our rehearsal time for both Tuba/Euphonium Ensemble and Chamber Rehearsals.
- Please come prepared to each studio class with a planner and any materials we discuss over email.

Studio location will be in a rotation with the entire brass area.

Recital Attendance
All studio members are required to attend any Tuba/Euphonium performance (i.e. recitals). I highly encourage every person to attend all large ensemble concerts to support your studio mates. If you need to miss an event I need to know at least a week prior unless it’s an emergency. If not notified your grade will be negatively impacted.

Students Requiring Accommodations
Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, https://www.dso.ufl.edu/drc) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Course Evaluation
Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at https://evaluations.ufl.edu/evals. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at https://evaluations.ufl.edu/results/.

University Honesty Policy
UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

Software Use
All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Student Privacy

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A “class lecture” is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third-party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.
