NO GUM!!!

It's a class, so stop and ask a question when you need to. No one in the history of physical exertion has ever been sad for a short pause. We have a thoughtful community full of people interested in learning more, and I am interested in being a better teacher. Interaction is the magic sauce that makes everything better.

Please let me know if you have any injuries or if anything feels uncomfortable or uncertain with your movement. This can be done during class or in confidence at another time. Your safety and wellness is a priority.

Please remember that while UF policy allows students to record classes to support your learning process, you may not post anything publicly without my permission. You may not record, photograph or post any other students without their permission.
**Professionalism / Participation:**
Participation is essential to course success. Showing up is not just a physical act. Students are expected to engage in class discussion, contribute to and support each others learning, complete assignments and listen when others are speaking. COVID-19 Precautions

UF has increased in-person class offerings for the Fall 2021 semester and The School of Theatre + Dance (SoTD) welcomes more students back to campus. At the same time, COVID-19 cases are surging because of the new delta variant and the large numbers of people who are unvaccinated, setting new local and state records for hospitalizations. As a result, our methods for realizing classroom activities and productions will continue to look different. Below is a list of practices that the school is implementing to safely connect. The practices align with UF’s Fall 2021 plan (https://coronavirus.ufl.edu/) and they will evolve as our community needs shift in response to the virus.

- All people inside of UF facilities are expected to wear masks in community spaces in buildings, including common areas in our office suites, when we are not in our individual offices or workspaces, even if you are vaccinated.
- Your ONE.UF account must show a “Cleared for Campus” status in order to attend in-person. I will check my roster before each class meeting.
- Until Sept 10, this course will be offered in a synchronous hybrid modality (simultaneously on Zoom and in person). You may attend via Zoom as much or as little as you want/need to until that date. After September 10th, we will reassess the need for this.

Students, Faculty, and Staff are trusted to foster healthy SoTD class and creative environments through adherence to the following guidelines:

- If you are not vaccinated, get vaccinated. If possible, students should aim to be fully vaccinated but if unable, should strive to have at least one shot of the Pfizer or Moderna vaccine no later than August 22. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus. Visit this link for details on where to get your shot, including options that do not require an appointment: https://coronavirus.ufhealth.org/vaccinations/vaccine-availability/. Students who receive the first dose of the vaccine wherever they are currently can still receive their second dose on campus.
- Students are welcome to use hand sanitizer or wash hands at the top of each class, rehearsal or production activity in shared spaces.
• Stay home and seek medical help for COVID-19 symptoms or exposure (persistent cough, fever 100.4+, new loss of taste or smell, muscle pain/ headaches, shortness of breath, sore throat, chills, diarrhea, or feeling generally ill). The culture of hiding illness or the “show must go on” mentality must be avoided.

• Participate in UF Health’s Screen, Test, and Protect initiative by completing health screening questionnaires and by scheduling testing when prompted through One.UF.edu. Additional testing information is available at: https://coronavirus.ufhealth.org/screen-test-protect-2/screen-test-protect-plans-spring-2021/.

• Wipes and sanitation supplies will be available to sanitize individual props, costumes, chairs, ballet barres, music stands, tables, individual projects etc.

• Dispose of personal trash in appropriate bags/containers.
