Course Description
This course is an overview of Western art and architecture in Europe, the Mediterranean basin, and the Near East, from prehistory through the Middle Ages. We will pay special attention to the particular cultural circumstances in which works of art and architecture were created, viewed, and otherwise experienced. This course aims to introduce students to key concepts and concerns within the discipline of art history, equipping them with the tools to relate works of art to specific historical, religious, and political contexts, in order to better understand and reflect on the significance of objects and images in the world around us. This course also aims to develop critical thinking skills, visual literacy, visual memory, and verbal and written analysis of images.

Course Objectives
- Provide an overview of the history of art from prehistory to circa 1300 CE in Europe, the Mediterranean Basin, and the Near East. Students will develop the ability to recognize major artistic traditions from the periods and cultures reviewed in class.
- Introduce students to the concepts, methods, issues, and vocabulary of the discipline of art history through both verbal and written exercises.
- Inform students about the variety of social, cultural, and economic contexts in which art was produced and used in order to explain how these contexts affect each object's form and function.
- Heighten visual acuity and increase facility in analyzing works of art and architecture, as well as other aspects of the visual environment.

**Textbook**

* There is a digital version of this textbook you may get if you prefer. You may also use the fifth edition of the textbook, although the page numbers for the readings will not match up exactly with what is on the syllabus. I will explain more about this in class.

**Requirements:**
This course has information available through UF’s e-learning website called “Canvas.” The syllabus, handouts, assignments, and images for exams will be available on Canvas. A passing grade requires completion all of the requirements of the course listed below. The scheduled lectures and reading assignments are subject to change upon the discretion of the instructor. It is the students’ responsibility to check their UF email, their Canvas email, and listen to announcements in class pertaining to those potential changes to ensure they are up to date on assignments. The final grade is comprised of the following elements:

- Attendance 10%
- Participation 10%
- Quiz 1 10%
- Quiz 2 10%
- Midterm Exam 20%
- Take-Home Comparison 20%
- Final Exam 20%

**Attendance (5%)**
Attendance is required. You will be asked to sign in at each session. Extreme tardiness (15+ minutes) and early departures will be considered absences. Excused absences include religious holidays, illness with appropriate documentation, etc. In these cases, please see the TA or instructor (in advance when possible) to clear your absence, schedule an extension, and/or discuss the possibility of a make-up quiz or exam. If technical difficulties prevent your connecting or you lose connection, send me an email, cc’ing your TA, to let me know about your difficulties. I will excuse absences for technical difficulties as long as you work to resolve
them before they become a chronic problem. Please also see the UF attendance policy: https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/.

Participation (10%)
Students are expected to have read the assigned material before coming to class and to remain engaged. Being “engaged” means active participation through questions, comments, and daily reflection exercises in lecture and section, and passive participation by taking notes and paying attention. While both lecture and section allow for questions, comments, and written reflection, section is focused on student-led discussion aimed at talking about art in constructive, meaningful ways.

- **Electronic devices:** Computers and tablets are permitted only for note taking. The TA will monitor computer usage from a seat in the back of the classroom. All other electronic devices—especially cell phones—should be turned off and packed away for the duration of class. Inappropriate usage of devices will result in a deduction of the participation grade. Students are expected to assist in maintaining a classroom setting that is conducive to learning. Be aware that you are not the only person who can see your screen. Respect your classmates and the learning environment by not offering a distraction.

Quizzes (10% each)
The quizzes are in-class assignments. They are timed at 15 minutes and comprised of two parts: 10 image identifications and 5 terms. The instructor will provide a list of terms and study images from which the quiz questions will be drawn. This information will be posted along with more details on expectations and grading on Canvas under the Quiz 1 and Quiz 2 tabs on the “Assignments” page. Quiz 1 will be January 27/28 and Quiz 2 will be April 7/8.

Take-Home Comparison (20%)
You will compare and contrast the visual qualities of two works of art and what effect you think those qualities have on the meaning or interpretation of the works. You will choose from a list of possible works provided by the instructor. That list can be found under the assignment tab on Canvas along with more detailed instructions, requirements, and helpful tips. The paper will be due through canvas on March 23 at 11:59 PM. Papers turned in late will be marked down one letter grade for each day, unless the TA or instructor has approved—in advance—your extenuating circumstance. Plagiarism will result in a failing grade.

Midterm and Final Examinations (20% and 25%)
The midterm and the final will consist of three timed sections: three extended ID responses (15 minutes), a short essay comparing two images (one on the midterm and two on the final exam; 15 minutes each), and a longer essay question (30 minutes). The midterm will be 60 minutes total and the final exam will be 75 minutes total. Exam content will be drawn from readings, terms, and examples discussed in class. A list of study images will be provided. This information will be posted along with more details on expectations and grading on Canvas under the Midterm and Final Exam tabs on the “Assignments” page. The midterm is scheduled during class on February 23 and the final is scheduled from 12:30-2:30 on April 27.
Deadlines and Making-Up Missed Materials
Make-up or early exams can only be offered in exceptional circumstances, including those required by the DRC or Registrar’s office. Please make note of the midterm and final exam dates and times and plan to be in attendance. Extensions to deadlines will not be given except under exceptional circumstances. Please request any extension in advance of the due date. Each day late for any assignment will result in a lowered 1/3 letter grade for that assignment (A to A- for example).
