PROJECTS
Your grade in this class is based on earning points through your engagement with projects and reflections. There will be feedback from me and your classmates every step of the way. You will be invited to participate in your grading by completing self assessments after activities and projects. All projects final deliverables will include a process book and self assessment.

Projects will be evaluated based on research, concept, ideation, iterative process, conceptual development, attention to detail, formal resolution, and documentation. All projects will be submitted in Canvas. See general semester outline on last page for tentative schedule.

REFLECTIONS
There will be reflections throughout the semester that will consist of a reading, podcast, video, or activity, with a reflection/response post due on the following Monday before class. You can miss up to 2 reflections with no penalty. There is no textbook required for this class, I will provide links to all readings, videos, and case studies. Whenever there is an additional optional reading/podcast/lecture etc, you may respond to it in your reflection for an extra point. All reflections will be submitted in Canvas.

MEETINGS
This is a face to face in person class, we will meet every week on Monday and Wednesday from 3pm-6pm, unless otherwise stated by the instructor. On work days, it will be optional to come into the classroom, you may zoom in if needed.
Check your UF Health Screen & Protect on ONE.UF to make sure you are cleared to come to campus, if you are not cleared you may not come to class, and should not be coming to campus at all until you complete the screening and are cleared.

If you think or know that you have been exposed to, are experiencing symptoms of, or have tested positive for COVID-19, DO NOT come to class. Please let me know before the start of class so that I can provide a remote option, if you are feeling well enough to attend synchronously. Otherwise, you are expected to catch up and complete work asynchronously. See more under attendance policy.

**STUDIO NOTES & RULES**
- No eating or drinking in class (due to covid, there will be break times included)
- Do not share the door code with ANYONE who is not in UFGD, this is for everyone’s own safety and ability to use the studio to store personal belongings and valuables.

**PLATFORMS**
You will all be required to set up and have immediate access to these platforms during the semester:

- **Canvas**: For storing any and all course materials and instructions, submitting assignments, grading, and communication.
- **Miro**: For collaboration, feedback, and presentations.
- **Adobe CC**: Discounted for Students
  *Adobe CC Discounted for Students is a special UF student pricing on a one-year subscription to the entire Adobe Creative Cloud Suite. To purchase your Adobe CC Discounted for Students subscription, please log in at [https://portal.helpdesk.ufl.edu](https://portal.helpdesk.ufl.edu) and if eligible to purchase click on “Eligible, take me to OnTheHub” button. The service will run for one year from the time the software is activated. Distribution is provided by Kivuto/OnTheHub who is an authorized distributor for Adobe not affiliated with UF Computing Help Desk.*

**TECHNOLOGY, FEES, AND EQUIPMENT USE**
With questions related to your computer system and technology in the Graphic Design area, you can contact our Lab Technician, Michael Christopher (mchristo@ufl.edu). He can help diagnose problems and provide solutions.

**MATERIALS AND DEVICES**
In order for you to fully participate and meet course learning objectives, students taking graphic design courses are required to have appropriate hardware, software and access to the Internet. See this website for more details regarding hardware, software, specifications, and some purchasing options, including discounts for UF students.

Because computer access is an institutional requirement, computer costs are designated as allowable costs for students who qualify for Financial Aid. Accordingly, Student Financial Affairs has added costs for access to a computer into budgets. For more information, contact your financial adviser in the Office of Student Financial Affairs directly.

You are required to have:
- Adobe CC design suite
- Access to a cloud-based storage platform
- Your own laptop or desktop computer as required by the program, suitable for graphic design and production with appropriate RAM and storage capacity
- Access to a digital camera
- A dedicated sketchbook

At UF we have free access to the tutorial site, Lynda.com, which you can use to expand your knowledge of software for the course.

**ATTENDANCE POLICY**
In class time is critical. If you anticipate missing class, please send me an email at your earliest notice. If you miss class unexpectedly, send me an email as soon as possible.

Attendance is required for this class. You can miss two class days without penalty. More than 6 absences of any kind – missing more than 3 weeks of class – equals automatic course failure unless we make documented
accommodations in advance. A total of 6 absences, excused or unexcused, will result in an “E” for your final grade.

Late arrivals (more than 10 minutes after class start time) will be marked tardy; 3 tardies will be counted as 1 unexcused absence—this does not change for on-line meetings.

Excused absences follow university guidelines and include religious holidays, a verifiable death in the immediate family, illness with a doctor’s note, a court or legal obligation, or participation in official university activities. Please notify the instructor in advance if you know you will be absent. Students observing a religious holy day of their faith must notify the instructor in advance.

To receive an "excused" absence, you must do one of the following:
1. Notify me before class begins that you will not be able to attend class
2. Notify me after class begins and provide official documentation of a university-sanctioned reason to receive an excused absence. Military service, varsity sports travel, and illness are common excused absences when documented by a written note from a commanding officer, coach, or doctor.

Regardless of the type of absence, you are still required to complete assignments, so it is vital that you contact me as soon as possible to discuss your options.

It is your responsibility to keep track of your attendance record in Canvas. Requirements for class attendance, make-up exams, assignments, and other work in this course are consistent with university policies. Along with more information on how UF assigns grade points, you’ll find these by visiting: https://catalog.ufl.edu/graduate/regulations/

**LATE WORK POLICY**
Late work will not be penalized, as long as it is turned in within 3 days of the original due date. Please reach out to me so we can make sure you are staying on track. If work is not submitted within 3 days, points will be deducted from the final grade.

**COVID GUIDANCE**
All people inside of UF facilities are expected to wear masks in community spaces in buildings, including common areas in our office suites, when we are not in our individual offices or workspaces, even if you are vaccinated.

As in previous semesters, instructors may review through their course rosters on Canvas if a student has been withheld from campus by UF Health Screen, Test & Protect due to COVID-19 exposure, symptoms, or a positive test result.

Students who must miss class due to quarantine will be treated as though they are absent from class because of any other illness. The instructor and student should think of it as such and arrange for the student to make up classwork.

Click here for UF Health guidance on what to do if you have been exposed to or are experiencing Covid-19 symptoms. Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work. find more information in the university attendance policies.

* The instructor needs to be in the classroom for every class session.
* Students must be allowed to attend face-to-face for any class session (unless they are withheld from campus because of COVID symptoms, exposure, or a positive test).

***If you have not been cleared through one.uf's screen, test, and protect program and are withheld from campus for any reason, please email me immediately so that we can make arrangements for your work and schedule possible virtual meetings. Please be respectful of others and do not come to class if you’re sick or have been exposed. you do not want to infect others.

**SYLLABUS CHANGES**
Due to the changing nature of the COVID-19 pandemic, please note that the instructor may need to make modifications to the course syllabus and may do so at any time. Notice of such changes will be announced as
quickly as possible through email & Canvas.

HEALTH AND SAFETY
The goal of the SA+AH Health and Safety Program is to protect the health and welfare of all faculty, staff, and students and to cooperate with the University of Florida’s Department of Environmental Health & Safety (EH&S). The SA+AH H&S policy and handbook is online [here](#).

Michael Christopher is the Health and Safety administrator for the Graphic Design program. While there are very limited health and safety risks with the materials we typically use for graphic design, be aware that materials used in other areas often carry risks.

It is your responsibility to store everything you bring in the studio safely. Do not bring in any materials that are hazardous or combustible as the graphic design studios are not equipped for this type of storage. Knowingly or repeatedly storing such items in the studio may result in disciplinary action and loss of access to studio space outside of class time as well as loss of storage space.

Also,
- Batteries, some monitors, and lamps from digital projectors, if broken, may release mercury. There are no known health hazards from intact materials.
- Do not use spray adhesives or do hazardous work in the studios.
- Do not block aisles, halls or doors with stored items or when working.
- Take items which do not fit into the trash to the dumpster, follow dumpster guidelines.
- All users must follow the S+AH Container Policy (see the SA+AH Health and Safety Handbook online [here](#)).
- The GD Area policies prohibit use of hazardous materials, this applies to materials used in other areas. They may not be stored, ever, in the GD studios. Failure to adhere to these guidelines may affect your ability to use the studio unsupervised outside of regular class times.

ACCOMMODATIONS
I will make every effort to accommodate students who request and require assistance, in accordance with the American Disabilities Act. If you have accommodations through the university, please let me know.

Students who experience learning barriers and would like to request academic accommodations should connect with the Disability Resource Center (352-392-8565, https://disability.ufl.edu/students/get-started/). Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

**UF POLICIES**

**COURSE EVALUATIONS**

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. [Click here](http://www.hr.ufl.edu/eeo/sexharassment.html) for guidance on how to give feedback in a professional and respectful manner. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via [ufl.bluera.com/ufl](http://ufl.bluera.com/ufl). Summaries of course evaluation results are available to students [here](http://www.hr.ufl.edu/eeo/sexharassment.html).

**ACADEMIC INTEGRITY**

Academic integrity means that if you use words, images, or ideas that are not your own, you must cite them. Claiming the work of others as your own is a serious breach of professional ethics and will result in a failing grade in this class. The UF Honor Code specifies a number of other behaviors that are in violation of this code and the possible sanctions.

**HONESTY POLICY**

An academic honesty offense is defined as the act of lying, cheating, or stealing academic information so that one gains academic advantage. As a University of Florida student, you are expected to neither commit nor assist another in committing an academic honesty violation. Additionally, it is the student's duty to report observed academic honesty violations. These can include: cheating, copying ideas, plagiarism, bribery, misrepresentation, conspiracy, or fabrication. You can find UF's Student Conduct Code, [here](http://www.hr.ufl.edu/eeo/sexharassment.html).

**HARASSMENT**

UF provides an educational and working environment that is free from sex discrimination and sexual harassment for its students, staff, and faculty ([http://www.hr.ufl.edu/eeo/sexharassment.html](http://www.hr.ufl.edu/eeo/sexharassment.html)).

**DISRUPTIVE BEHAVIOR**

All member(s) of the University who intentionally act to impair, interfere with, or obstruct the mission, purposes, order, operations, processes, and functions of the University shall be subject to appropriate disciplinary action by University authorities for misconduct, as set forth in the applicable rules of the Board of Regents and the University and state law governing such actions. Be advised that you can and will be dismissed from class if you engage in disruptive behavior. For more information, visit: [http://regulations.ufl.edu/wp-content/uploads/2012/09/1008.pdf](http://regulations.ufl.edu/wp-content/uploads/2012/09/1008.pdf).

**TWELVE-DAY RULE**

Students who participate in official athletic or scholastic extracurricular activities are permitted twelve (12) scholastic day absences per semester without penalty. In any case, it is the student’s responsibility to maintain satisfactory academic performance and attendance.

**ABSENCES FOR RELIGIOUS HOLIDAYS**
Students, upon prior notification of their instructions, shall be excused from class or other scheduled academic activity to observe a religious holy day of their faith. Students shall be permitted a reasonable amount of time to make up the material or activities covered in their absence. A student who believes that he/she has been unreasonably denied an education benefit due to religious beliefs or practices may seek redress through the student grievance procedure: http://www.registrar.ufl.edu/catalog/policies/regulationattendance

**PRIVACY POLICY REGARDING ONLINE SESSIONS (WHEN APPLICABLE)**

There will be occasions when our class Zoom sessions may be audiovisually recorded for student in the class to refer back. Students who participate with their camera, engage or utilize a profile image, are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the chat feature. Although, at times, the chat will also be saved for future reference for the class. As in all courses, unauthorized recording and sharing of recorded materials is prohibited.

**IN CLASS RECORDING**

Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.

A “class lecture” is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor. A class lecture does not include lab/studio sessions, student presentations, academic exercises involving solely student participation, or private conversations between students in the class or between a student and the faculty or lecturer during a class session.

Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services.
