COURSE DESCRIPTION
Practice and principles of fundamentals and stylistic characteristics common concert dance. (H) 3 credits. Fundamentals of Dance is designed to provide accessibility to the world of dance for all students, novice or pre-professional. Along with learning the rudiments of the dance techniques, you will discover the rich heritage, challenging discipline, fertile aesthetic, as well as your place in the vast spectrum of dance. There is truth in advertising – as once you are successful in this class, these fundamentals become the basis for achieving excellence in higher levels and making informed connections with how this art interacts with your life. The following objectives provide the direction for the course:

COURSE OBJECTIVES
- To provide a student with the history, basic techniques, and contemporary references relevant to accessing a basic understanding of dance.
- Enhance the mind/body connection through the application of sound biomechanical principles as they relate to dance, such as practicing proper alignment, learning basic
human anatomy, and learning of alternative approaches to movement study. This knowledge will be directly applied to the various styles of dance learned in class.

- Practice elements of performing and explore performance quality, discovering your own potential and personal style while developing your kinesthetic memory
- Experience, discuss and write about dance performances

TEXTBOOK
A booklet of materials prepared especially for this course will be available free on Canvas. Direct Link is: http://www.arts.ufl.edu/theatreanddance/downloads/syllabi.aspx

COURSE GRADING POLICIES

PARTICIPATION/ ATTENDANCE- 50%
Students are expected to be fully present in class unless they are unwell. Mindful participation in each class meeting is the only way to meet the objectives of this course. Participation is a demonstration of involvement and commitment to learning, a willingness to be on time and present in class, and to contribute in class discussions and group work. As we cultivate our studio practice, we will critically evaluate our thoughts, opinions, and assumptions. As a learning community, I ask that we collectively invest in an environment in which all class members feel empowered to physically and intellectually take risks, ask questions, experiment, and grow.

OBSERVATION PAPERS- Observing class is only acceptable if the student is ill, injured, or tardy and gets instructor permission. If the student is observing class, they should take observation notes to receive participation credit, which will be due by the end of the week via Canvas. These notes should not be a regurgitation of the steps performed in class but rather observations of what you learned as a witness to dance. Observation papers must be submitted via Canvas email to the instructor. The student is only permitted to observe class up to ONE time during the semester.

CANVAS QUIZZES – 20%
There will be two Canvas quizzes to cover reading assignments from the DAA 1000 handbook, course modules, videos, and in-class discussion. An in-class review will be offered prior to each quiz.

MOVEMENT PRESENTATIONS – 20%
Students will be asked to contribute and participate in two movement presentations throughout the course. These presentations will demonstrate learned movement vocabulary, authentic movement generated by you and/or group members, and will draw from additional sources offered through class modules and discussions. Full details will be offered on Canvas and through live discussions.

PERFORMANCE REVIEW- 10%
Students will be asked to view a virtual or live dance performance and write a review of their observations. Performance options and writing guidelines will be presented in Canvas.

Excused or unexcused, on the third absence, a meeting is required with the instructor and/or area faculty to assess the student’s continued participation in the course. If the fourth absence and all subsequent absences are unexcused, each will result in an additional 5% deduction from the final grade. Opportunities to make up missed material for unexcused absences is up to the instructor’s discretion and will be made available through virtual classes or online assignments.

Any absence from class for the following reasons must be supported by official acceptable documentation to avoid a grade penalty:

ANTI RACISM

The faculty members of the Dance area of SoTD join alumni and current students’ condemnation of systemic racism in SOTD as it has been articulated in the SoTD New Deal, DIAS’s Open Conversations, SoTD Town Halls, our dance area Open Conversation, and other venues. I am personally, fully committed to deepening my awareness of systematic racism, and aim to devise ways to dismantle it in my everyday life and classes. I evaluate my approach to teaching with anti-racist practices at the forefront of my values. My mission as a dance educator is to cultivate a safe and nourishing classroom space that is equitable and inclusive.
